§902.5. Standards for juvenile facilities

A. The Department of Public Safety and Corrections, office of juvenile justice shall submit to the Juvenile Justice Implementation Commission, House Judiciary Committee, and Senate Judiciary Committee B on biannual basis the Performance-based Standards (PbS) reports along with the Facility Improvement Plans, for Bridge City Center for Youth, Capital Area Center for Youth, and Swanson Center for Youth. These reports shall be provided to each committee by June 15 and December 15 of each year. PbS is a set of national standards establishing the highest quality practices and most effective research-based services for juvenile facilities.

B. The following words shall have the following meanings.

(1) "Agency" means: The Department of Public Safety and Corrections, office of juvenile justice.

(2) "Cost effective" means that cost savings realized over a reasonable period of time are greater than costs.

(3) "Evidence-based program" means a program that:

(a) Incorporates significant and relevant practices based on scientifically based research; and

(b) Is cost effective.

(4) "Program" means a treatment or intervention program or service that is intended to:

(a) Reduce the propensity of a person to commit crimes;

(b) Improve the mental health of a person with the result of reducing the likelihood that the person will commit a crime or need emergency mental health services; or

(c) Reduce the propensity of a person who is less than eighteen years of age to engage in antisocial behavior with the result of reducing the likelihood that the person will become a juvenile offender.

(5) "Program" does not include an educational program or service that an agency is required to provide to meet educational requirements imposed by state law or a program that provides basic medical services.

(6) "Scientifically based research" means research that obtains reliable and valid knowledge by:

(a) Employing systematic, empirical methods that draw on observation or experiment;

(b) Involving rigorous data analyses that are adequate to test the stated hypotheses and justify the general conclusions drawn; and

(c) Relying on measurements or observational methods that provide reliable and valid data across evaluators and observers, across multiple measurements and observations and across studies by the same or different investigators.

C. Development of a Comprehensive Plan for the Implementation of Evidence-Based Programs and Practices for Secure Care Facilities and Community-Based Programs.

(1) The Department of Public Safety and Corrections, office of juvenile justice shall develop a comprehensive plan for the implementation of evidence-based programs and practices within secure care facilities and community-based programs. This report should identify the types of evidence-based programs to be implemented in the secure care facilities. This report shall be provided to Justice Implementation Commission, House Judiciary Committee, and Senate Judiciary Committee B by December 30, 2009. This plan shall address and incorporate the following:

(a) Assess risk. Offender risk/need assessments drive effective programs. Objective, standardized, and validated assessment of youth risk and need factors shall be used.
(b) Target treatment to risk level of youth offenders. Proven treatment interventions that target known predictors of crime and recidivism to prepare youth offenders for success in the community shall be used.

(c) Develop and implement evidence-based programs. Programs that are based upon scientifically designed research and have demonstrated to be effective in reducing recidivism shall be used.

(d) Cognitive behavioral and social learning approaches in treatment services shall be used. Systematic use of behavioral contingencies including rewards and/or incentives is an integral component of all treatment services. Training skills with guided practice such as modeling, behavioral rehearsal, and performance feedback.

(e) Conduct interventions in an appropriate setting, matching youth and interventions based on an assessment of risk, need, and responsivity.

(f) Ensure fidelity of program to evidence-based model. Well-trained staff implement programs. Staff shall deliver services as designed, beginning with assessment and continuing through aftercare. Staff shall receive ongoing training and clinical supervision.

(g) Address youth responsivity. Treatment services and staff shall be matched to the needs and abilities of the youth, including motivation, personality characteristics, identity characteristics such as age, gender, race, and ethnicity, and cognitive/intellectual abilities.

(h) Plan for reintegration. Support youth offenders toward completion of treatment. Involve families, provide continuity in programming, and structured support during transitions in treatment, placement, and/or supervision level. Ensure youth receive specific aftercare services such as relapse prevention and safety plans and ongoing support in home communities.

(i) Evaluate programs and control quality. Measure relevant practices and provide feedback to ensure quality. Conduct evaluations to establish evidence of reduced recidivism and replicate programs that produce the desired outcomes.

(j) Make certain programs are supported by qualified and involve leadership, staff, and community.

**AMENDMENT NO. 2**

On page 1, delete lines 12 through 18 in their entirety and insert the following in lieu thereof:

"(5)(a) Notwithstanding any provision of law to the contrary and subject to the provisions of this Paragraph, the school district may enroll any qualified student who resides in Louisiana in a virtual or cyber school or educational program operated under the jurisdiction of the school district upon the request of the student's parent or legal guardian, provided that there is sufficient capacity in the appropriate grade level within the requested virtual or cyber school or educational program. The implementation of such virtual or cyber school or educational program shall be subject to any applicable laws relative to competitive procurement procedures.

(b) For purposes of this Paragraph, "qualified student" shall mean a student who is enrolled in a public elementary or secondary school in Louisiana, including a charter school.

(c) The school district shall not enroll in such a school or program more than one-quarter of one percent of the students of any one city, parish, or other local public school system.

(d) Any student who is enrolled in a virtual or cyber school or educational program pursuant to this Paragraph shall take all state standardized tests that students in the city, parish, or other local public school system in which he resides are required to take.

(e)(i) Not later than October first annually, the school district shall provide information to the state Department of Education about each student who enrolls pursuant to this Paragraph. For each student who enrolls pursuant to this Paragraph who is currently enrolled in a public school such information shall include the city, parish, or other local public school system in which the student is enrolled and whether the student is enrolled full time or less than full time in a virtual or cyber school or educational program operated under the jurisdiction of the school district.

(ii) The state Department of Education shall adjust the allocation of money to be allocated under the Minimum Foundation

shall be repealed effective July 1, 2015, unless the Paragraph is so reenacted.

shall conduct a thorough review and evaluation of the program provided by this Paragraph and shall complete such review and submit a report of its findings and recommendations to the House Committee on Education and the Senate Committee on Education not later than December 1, 2013. Such review and evaluation shall include but not be limited to an evaluation of:

(i) The goals and objectives of the program and whether or not such goals and objectives have continued value to the state.

(ii) How effectively the program meets the goals and objectives it is intended to address, particularly how effectively it improves student academic performance.

(iii) The efficiency, effectiveness, and cost-effectiveness of the program.

(iv) The effectiveness of the school district in maintaining program financial records and in evaluating program performance and making appropriate improvements in the program.

(v) The impact of the program on each city, parish, and other local public school system.

(g) The House Committee on Education and the Senate Committee on Education, jointly, shall conduct a full evaluation of the effectiveness of the program provided by this Paragraph and shall complete such evaluation not later than March 1, 2014. The school district shall begin to terminate the program on July 1, 2014, unless the legislature reenacts this Paragraph prior to that date, and all legislative authority for the program shall cease and this Paragraph shall be repealed effective July 1, 2015, unless the Paragraph is so reenacted.

On motion of Rep. Austin Badon, the amendments were withdrawn.

Motion

On motion of Rep. Austin Badon, the bill was returned to the calendar.

§23. Adjustment of Ad Valorem Tax Millages

Section 23.

* * *

(B) Subsequent Adjustments. Except as otherwise permitted in this Section, the total amount of ad valorem taxes collected by any taxing authority in the year in which the reappraisal and valuation provisions of Section 18, Paragraph (F) of this Article are implemented shall not be increased or decreased because of a reappraisal or valuation or increases or decreases in the homestead exemption above or below the total amount of ad valorem taxes collected by that taxing authority in the year preceding implementation of the reappraisal and valuation. To accomplish this result, the provisions of millage adjustments relative to implementation of Section 18 and Section 20 of this Article, as set forth in Paragraph (A) of this Section shall be mandatory. Thereafter, following implementation of each subsequent reappraisal and valuation required by Paragraph (F) of Section 18 of this Article, the millages as fixed in each such implementation shall remain in effect unless changed as permitted by Paragraph (C) of this Section. The implementation of the increase in the amount of assessed valuation at which the homestead exemption shall apply pursuant to the provisions of Subparagraph (A)(1) of Section 20 of this Article, which provision becomes effective January 1, 2012, shall neither trigger nor be cause for a reappraisal of property, or an adjustment of millages pursuant to this Paragraph.
