The minute books and archives of the district shall be maintained by the board's secretary-treasurer. The monies, funds, and accounts of the district shall be in the official custody of the board.

(3) The board shall adopt bylaws and prescribe rules to govern its meetings. The members of the board shall serve without salary or per diem and shall be entitled to reimbursement for reasonable, actual, and necessary expenses incurred in the performance of their duties.

(4) The domicile of the board shall be established by the board at a location within the district.

(5) The board shall elect from its own members a president, vice president, and secretary-treasurer, whose duties shall be common to such offices or as may be provided by bylaws adopted by the district. (4) To enter into contracts, agreements, or cooperative endeavors with the state and its political subdivisions or political corporations and with any public or private association, corporation, business entity, or person.

(5) To appoint officers, agents, and employees and to prescribe their duties and fix their compensation.

(6) To acquire by gift, grant, purchase, lease, or otherwise property and to mortgage and sell such property.

(7) In its own name and on its own behalf to incur debt or to issue bonds, notes, certificates, and other evidences of indebtedness. For this purpose the district shall be deemed and considered to be an issuer for purposes of R.S. 33:9037 and shall, to the extent not in conflict with this Section, be subject to the provisions of R.S. 33:9037.

(8) To establish such funds or accounts as are necessary for the conduct of the affairs of the district.

F. Tax. (1) In order to provide funds for the purposes of the district, the district, acting by and through its board, may levy and collect within the district a tax upon the occupancy of hotel rooms, motel rooms, and overnight camping facilities and a tax upon the sale of food and beverage. The aggregate tax rate upon the occupancy of hotel rooms, motel rooms, and overnight camping facilities within the district shall be at least equal to the aggregate rate of all taxes upon the occupancy of hotel rooms, motel rooms, and overnight camping facilities levied and collected within the parish of East Baton Rouge. The aggregate food and beverage tax rate within the district shall be at least equal to the aggregate rate of all food and beverage taxes levied and collected within the parish of East Baton Rouge.

(2)(a) The word "hotel" as used in this Section shall mean and include any establishment, both public and private, engaged in the business of furnishing or providing rooms and overnight camping facilities intended or designed for dwelling, lodging, or sleeping purposes to transient guests where such establishment consists of two or more guest rooms and does not encompass any hospital, convalescent or nursing home, or sanitarium or any hotel-like facility operated by or in connection with a hospital or medical clinic providing rooms exclusively for patients and their families.

(3) The taxes authorized in this Section shall be imposed by ordinance adopted by the district, acting by and through its board, without the need of an election.

(4) It is hereby recognized that without the accomplishment of the purposes of the district, there would be no collection of a hotel

occupancy tax or food and beverage tax by any taxing authority within the district. Accordingly if the district elects to levy and collect any tax authorized in this Section, such levy shall be deemed to supersede and be in lieu of only such other taxes on hotel occupancy and sales within the district that do not secure bonds that have been authorized, that have not been dedicated by other law or by proposition approved by electors voting in an election for such purpose, and that are not based on a per head or per person basis. Additionally, if during the term of the district such other taxes on hotel occupancy or sales within the district that currently secure bonds that have been authorized cease to be authorized to secure bonds or cease to secure bonds that have been authorized, then such levy shall at such time be deemed to supersede and be in lieu of such other taxes on hotel occupancy or sales within the district and shall be available for use for the purposes of the district.

(5) The authority granted to the district pursuant to the provisions of this Section shall be subject to the limitations provided in R.S. 33:9038.42.

G. Financing. (1)(a) The district may issue revenue bonds, in one or more series, payable from an irrevocable pledge and dedication of up to the full amount of hotel occupancy and food and beverage sales tax increments, in an amount to be determined by the district, to finance or refinance any project or projects, or parts thereof, which are consistent with the purposes of the district. For purposes of this Section, for each of the food and beverage taxes and the hotel occupancy taxes collected within the district, a tax increment shall consist of that portion of the aggregate of such tax revenues collected by the district as determined by the board.

(b) Dedication of tax increments to pay the revenue bonds shall not impair existing obligations of the district and shall not include tax revenues previously dedicated by the district for a special purpose.

(2) The district may pledge the taxes collected under the authority of this Section to any financing or multiple refinancings of a hotel and related facilities within the district in furtherance of the purposes of the district. Such financing may include, but shall not be limited to loans, mortgages, the issuance of bonds, or the issuance of certificates of indebtedness.

H. Term. The district shall dissolve and cease to exist one year after the date on which all loans, bonds, notes, and other evidences of indebtedness of the district, including refunding bonds, are paid in full as to both principal and interest; however, the district shall not exist for more than forty years.

I. Liberal Construction. This Section, being necessary for the welfare of the city-parish and its residents, shall be liberally construed to effect the purposes hereof."
