A. Except within the first thirty days after an independent appraiser is first added to the appraiser panel of an appraisal management company, an appraisal management company may not remove an appraiser from its appraiser panel, or otherwise refuse to assign requests for real estate appraisal services to an independent appraiser without doing all of the following:

(1) Notifying the appraiser in writing of the reasons why the appraiser is being removed from the appraiser panel of the appraisal management company. (2) Providing an opportunity for the appraiser to respond to the notification of the appraisal management company.

B. An appraiser that is removed from the appraiser panel of an appraisal management company for alleged illegal conduct, violation of the Uniform Standards of Professional Appraisal Practice, or violation of state licensing standards, may file a complaint with the board for a review of the decision of the appraisal management company, except that in no case shall the board make any determination regarding the nature of the business relationship between the appraiser and the appraisal management company which is unrelated to the actions specified in Subsection A of this Section.

C. If an appraiser files a complaint against an appraisal management company pursuant to Subsection B of this Section, the board shall adjudicate the complaint.

D. If, after opportunity for hearing and review, the board determines that an appraiser did not commit a violation of law, a violation of the Uniform Standards of Professional Appraisal Practice, or a violation of state licensing standards, the board shall order that an appraiser be reinstated to the appraiser panel of the appraisal management company that was the subject of the complaint without prejudice.

E. Following the adjudication of a complaint to the board by an appraiser against an appraisal management company, an appraisal management company may not refuse to make assignments for real estate appraisal services to an appraiser, or reduce the number of assignments, or otherwise penalize the appraiser, if the board has found that the appraisal management company acted improperly in removing the appraiser from the appraiser panel.

#### §3415.19. Enforcement

A. The board may censure an appraisal management company, conditionally or unconditionally suspend, or revoke any license issued under this Chapter, levy fines or impose civil penalties not to exceed fifty thousand dollars, if in the opinion of the board, an appraisal management company is attempting to perform, is performing, has performed, or has attempted to perform any of the following acts:

(2) Subpoenas issued by the board shall comply with the notice requirements of R.S. 49:955. These subpoenas shall be served upon the unlicensed individual personally or by any type of mailing requiring a return receipt and shall include a statement of the manner in which the unlicensed person shall be required to respond to the commission.

C. The board may impose a civil penalty of no more than five thousand dollars upon any unlicensed person who, after a hearing or informal resolution in accordance with all provisions of this Chapter and the Administrative Procedure Act, is found to have engaged in real estate appraisal activity without a currently valid license having been issued by the board pursuant to the provisions of this Chapter. In addition, the board may assess costs and attorney fees against the unlicensed person found to have been engaged in real estate appraisal activity without a current license.

D. No person engaged in real estate appraisal activity without a currently valid license shall have the right to receive any compensation for services so rendered. In addition to any other penalties imposed under this Chapter, the board may require that any person engaged in real estate appraisal activity without a license return any fees collected for engaging in real estate appraisal activity.

#### §3415.20. Disciplinary hearings

A. The conduct of adjudicatory proceedings in accordance with the Administrative Procedure Act for violations of this Chapter is vested in the board, subject to the following provisions:

(1) Before censuring, suspending, or revoking any registration, the board shall notify the licensee in writing of any charges made, at least twenty days prior to the date set for the hearing and shall afford the licensee an opportunity to be heard in person or by counsel.

(2) The written notice shall be satisfied by personal service on the controlling person of the licensee, or the licensee's agent for service of process in this state, or by sending the notice by certified mail, return receipt requested to the controlling person of the licensee to the licensee's address on file with the board, or by board personnel hand delivering a copy of the charges to the licensee.

(3) The board shall have the power to subpoena and issue subpoenas duces tecum and to bring before it any person in this state, or take testimony by deposition, in the same manner prescribed by law in judicial proceedings in the courts of this state, or to require production of any records relevant to an inquiry or hearing by the board. "(4) Effective April 1, 2012, the provisions of this Subparagraph shall be implemented if and when the last official forecast of revenues adopted for a fiscal year before the start of that fiscal year contains an estimate of severance tax revenues derived from natural resources other than sulphur, lignite, or timber in an amount which exceeds the actual severance tax revenues from such natural resources collected in Fiscal Year 2008-2009. Upon the adoption of such official forecast, the Revenue Estimating Conference shall certify that the requirements for the implementation of the provisions contained in this Subparagraph have been met. In such event, the following distributions and allocations of severance tax revenues and other revenues provided in this Subparagraph shall be effective and implemented for the fiscal year for which the official forecast was adopted, and each year thereafter. The legislature shall provide by law for the administrative procedures necessary to change the severance tax allocation to parishes from a calendar year basis to a fiscal year basis.

(a) Remittance to parishes.

(i) In the first fiscal year of implementation of this Subparagraph, the maximum amount of severance tax on all natural resources other than sulphur, lignite, or timber which is remitted to the parish in which severance or production occurs shall not exceed one million eight hundred fifty thousand dollars. For all subsequent fiscal years, the maximum amount remitted to a parish shall not exceed two million eight hundred fifty thousand dollars.

(ii) On July first of each year the maximum amount remitted to the parish in which severance or production occurs, as provided in Item (i) of this Subsubparagraph, shall be increased by an amount equal to the average annual increase in the Consumer Price Index for all urban consumers for the previous calendar year, as published by the United States Department of Labor, which amount shall be as calculated and adopted by the Revenue Estimating Conference.

(iii) Of the total amount of severance tax revenues remitted in a fiscal year to a parish governing authority pursuant to the provisions of this Subparagraph, any portion which is in excess of the amount of such tax revenues remitted to that parish in Fiscal Year 2011-2012 shall be known as "excess severance tax". At least fifty percent of the excess severance tax received by a parish governing authority in a fiscal year shall be expended within the parish in the same manner and for the same purposes as monies received by the parish from the Parish Transportation Fund.

(b) Deposit into the Atchafalaya Basin Conservation Fund.

(i) Notwithstanding any other provision of this constitution to the contrary, after allocation of money to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of this constitution, and after satisfying the required allocations in Subsubparagraph (a) of this Subparagraph, Paragraph (E) of this Section, and Article VII, Sections 10-A and 10.2 of this constitution, an amount equal to fifty percent of the revenues received from severance taxes and royalties on state lands in the Atchafalaya Basin, but not to exceed ten million dollars each fiscal year, shall be deposited by the treasurer into the Atchafalaya Basin Conservation Fund, hereinafter referred to as the "fund", which is hereby created as a special fund in the state treasury. The monies in the fund shall be invested by the treasurer in the manner provided by law, and

interest earned on the investment of these monies shall be deposited in and credited to the fund. All unexpended or unencumbered monies remaining in the fund at the end of the fiscal year shall remain in the fund.

(ii) The monies in the fund shall be used exclusively for projects contained in the state or federal Basin master plans or an annual Basin plan developed and approved by the advisory or approval board created by law specifically for that purpose, or to provide match for the Atchafalaya Basin Floodway System, Louisiana Project. Each year's plan for the expenditure of monies appropriated from the fund shall be subject to the approval of the appropriate subject matter committees of the legislature.

(iii) Of the monies appropriated in any fiscal year, eighty-five percent shall be used for water management, water quality, or access projects, and the remaining fifteen percent may be used to complete ongoing projects and for projects that are in accordance with the mission statement of the state master plan. However, no more than five percent of the monies appropriated in any fiscal year may be used for the operational costs of the program or the department."

On page 2, between lines 20 and 21, insert the following:

"Section 2. Be it further resolved that the provisions of this amendment shall become effective on April 1, 2012."

AMENDMENT NO. 6

On page 2, at the beginning of line 21, delete "Section 2." and insert "Section 3."
