"§1970.27. Funding; acceptance of other funds

A. Funds for the operation of the center and the programs provided by the center shall come from monies appropriated therefor by the legislature, through funds appropriated for the minimum foundation program and allocated to the center in the minimum foundation program as provided in Subsection B of this Section, and through the transfer of funds from other schools or school systems as provided in Subsection C of this Section.

B.(1) For the purposes of this Section, the center shall be considered a public secondary school and, as such, shall be included by the State Board of Elementary and Secondary Education in the formula required by Article VIII, Section 13(B) of the Constitution of Louisiana used to determine the cost of a minimum foundation program of education in all public elementary and secondary schools.

(2) Minimum foundation program funds allocated to the center shall be based upon the same school enrollment determination as applicable to other public schools included in the minimum foundation program. Each student shall be funded at one hundred percent of the base per pupil amount as contained in the minimum foundation program budget letter approved by the State Board of Elementary and Secondary Education.

(3) The amount of funding for any budget request submitted as provided in this Section not provided through the minimum foundation program shall be determined by the legislature.

~~B. D.~~ Nothing in this ~~Part~~ Section shall be so construed as to prohibit or prevent the board of directors of the center from accepting federal funds or monies from any corporation or other private contributor for use in establishing center facilities, operating the center, maintaining the center, or providing programs by the center."

On motion of Rep. Brossett, the amendments were adopted.

Rep. Tucker sent up floor amendments which were read as follows:
