"§214.30. Coastal use permits

A. (1) No person shall commence a use of state or local concern without first applying for and receiving a coastal use permit. Decisions on coastal use permit applications shall be made by the secretary, except that the local government shall make coastal use permit decisions as to uses of local concern in areas where an approved local program is in effect. Conditions set forth in a coastal use permit shall supersede any and all variances or exceptions granted by the commissioner of conservation in accordance with R.S. 30:4(E)(1) for activities within the coastal zone as defined by R.S. 49:214.24.

(2) Prior to issuance of a coastal use permit, the secretary shall ensure that the activity for which application is being made is consistent with the state's master plan for integrated coastal protection. No activity which is not consistent with the plan shall be granted a coastal use permit. In addition, any permit granted to repair or replace a pipeline shall include a requirement that the pipeline owner, at his cost, shall be responsible to modify the pipeline if an integrated coastal protection project contained in the state coastal master plan requires relocation of the pipeline.
