(1) Owners of conforming out-of-standard signs who voluntarily execute a partial waiver and reset agreement with the department may reset and illuminate a conforming out-of-standard sign. Such reset agreement shall be contingent upon obtaining any required local approval to reset such conforming out-of-standard sign, as well as the approval of the landowner of the same or adjoining property.

In the event the owner of the conforming out-of-standard sign fails to execute a reset agreement within one hundred twenty days of receiving written notice from the department that the conforming out-of-standard sign will be displaced by construction, the department shall initiate normal expropriation procedures, and the owner of the conforming out-of-standard sign shall receive compensation for removal of the conforming out-of-standard sign.
