"§2183. Verification of employees involved in public contract work; findings; definitions; penalties; effective date

A. Findings.

(1) The legislature finds that when illegal immigrants are living in this state and are encouraged to reside here through the benefit of employment without verification of immigration status, the result is that the enforcement of federal immigration law is impeded and obstructed, the security of the nation's borders is undermined, and the privileges and immunities of the citizens of Louisiana are impermissibly restricted.

(2) The legislature further finds that it is a compelling public interest of this state to discourage illegal immigration by requiring employers who do business with the state of Louisiana to cooperate fully with federal immigration authorities in the enforcement of federal immigration law.

B. Definitions.

For the purposes of this Section, the following terms shall have the following meanings, unless the context clearly indicates otherwise:

(1) "Status verification system" means the electronic verification of work authorization program of the Illegal Immigration Reform and Responsibility Act of 1996, 8 U.S.C. 1324(a), and operated by the United States Department of Homeland Security, known as the "E-Verify" program.

(2) "Legal alien" is a person who is or was lawfully present or permanently residing legally in the United States at the time of employment and remains so throughout the duration of that employment.

C. A private employer shall not bid on or otherwise contract with a public entity for the physical performance of services within the state of Louisiana unless the private entity verifies in a sworn affidavit attesting to both of the following:

(1) The private employer is registered and participates in a status verification system to verify that new employees are legal citizens of the United States or are legal aliens.

(2) The private employer shall continue, during the term of the contract, to utilize a status verification system to verify the legal status of all new employees.

D. Penalties; employer liability; appeal.

(1) Any employer violating the provisions of this Section shall be subject to cancellation of any state or public contract, resulting in ineligibility for any state or public contract for a period of not more than three years from the date the violation is discovered.

(2) Any contractor or employer shall be liable for any additional costs incurred by any agency or entity of the state of Louisiana, or any of its political subdivisions, occasioned by the cancellation of a contract or loss of any license or permit to do business in the state, as provided in this Subsection D.

(3) Any person, contractor, or employer penalized in accordance with this Section shall have the right to appeal to the appropriate agency, department, or other government entity sanctioning the person or to the district court of competent jurisdiction.

E. The provisions of this Section shall apply only to contracts entered into on or after January 1, 2011."

(21)(a) To levy and collect sales and use taxes within the boundaries of the authority for such purposes and at such rate as provided by the propositions authorizing their levy, not to exceed in aggregate one percent, which taxes may not exceed the limitation set forth in the Constitution of Louisiana, provided the proposition

submitted to a vote in accordance with the Louisiana Election Code shall be approved by a majority of the qualified electors of the parish voting on the proposition in an election held for that purpose. In submitting a sales tax proposition to a vote, the board may enter into a cooperative endeavor agreement with the parish governing authority providing for the sales tax to be divided into parts between the parish and the authority for such purposes and in such amounts as may be set forth in the proposition.

(b) The tax shall be levied upon the sale at retail, the use, the lease or rental, the consumption, the distribution, and storage for use or consumption of tangible personal property, and upon the sales of services within the parish, all as defined in R.S. 47:301 et seq.

(c) Except where inapplicable, the procedure established by R.S. 47:301 et seq. shall be followed in the imposition, collection, and enforcement of the tax, and procedural details necessary to supplement those Sections and to make them applicable to the tax authorized by this Paragraph shall be fixed in the resolution imposing the tax.

(d) The tax shall be imposed and collected uniformly throughout the parish.

(e) Any tax levied under this Paragraph shall be in addition to all other taxes which the parish or any other political subdivision within the parish is now or hereafter authorized to levy and collect.

(22)(a) To purchase property at a sale conducted pursuant to enforcement of judicial mortgages created in accordance with R.S. 13:2575(C) by tendering a bid equal to or greater than the minimum bid advertised, which bid may be a credit bid consisting of the obligation of the authority to satisfy the bid by payment to the political subdivision holding the lien being enforced in accordance with intergovernmental agreements between the authority and such political subdivision. Such a bid shall be given priority over all other bids regardless of amount, except for a higher bid submitted by a conventional mortgage holder holding a mortgage on the subject property.

(b) The state and any political subdivision with liens on the property may, pursuant to intergovernmental agreements with the authority, cancel such liens contemporaneously with or subject to the transfer of the property to the authority.

(23)(a) The authority shall have the right, subject to the provisions of this Section, to purchase properties at tax sales conducted in accordance with R.S. 47:2155 and 2156, and any and all such purchases shall be a purchase pursuant to R.S. 47:2155 and 2156 and not an adjudication to a political subdivision.

(b) Notwithstanding the provisions of Chapter 5 of Subtitle III of Title 47 of the Louisiana Revised Statutes of 1950, the authority may tender a bid at a tax sale which is a credit bid, consisting of the obligation of the authority to satisfy the component parts of the bid by payments to the respective political subdivisions and taxing entities in accordance with intergovernmental agreements between the authority and such political subdivisions and taxing entities.

(c) A bid by the authority at a tax sale for the minimum amount shall take priority over all other bids for the same quantity of property, except for a higher bid submitted by a conventional mortgage holder holding a mortgage on the subject property.

(24) The authority shall have the right and cause of action to enforce any and all liens and other encumbrances assigned by the city of New Orleans.

(25) To exercise all or any part or combination of powers granted to it in this Chapter.

§4720.56.1. Creation of subdistricts

A(1) The authority may, in the implementation of a redevelopment plan, create one or more subdistricts to conduct,

oversee, or assist in the implementation of such redevelopment plan. The boundaries of such a subdistrict may include all or part of the redevelopment area. Such a subdistrict shall have and exercise such powers and responsibilities as the authority shall specify in the enabling resolution. The full extent of such powers and responsibilities may include such powers as the authority itself may exercise, and such other powers as are given to the subdistrict by this Paragraph or any other law, but any exercise of such powers by the subdistrict shall be confined solely to the geographical limits of the subdistrict. Such a subdistrict may be established to exist at the pleasure of the authority, or for any period of time, or until the happening of any occurrence or occurrences, that the authority may specify.

(2) The creation of a subdistrict shall in no instance result in the detachment, severance, or loss of any power or responsibility granted to the authority by this Chapter, and within the confines of any subdistrict, the authority shall have full jurisdiction, concurrent with that of the subdistrict, to exercise said powers and responsibilities. The fact that a certain power is expressed or implied in this Paragraph as pertinent to a subdistrict's conduct, overseeing, or assistance in the implementation of the redevelopment plan shall not suggest or imply that such power is otherwise denied to the authority. However, the authority and its subdistricts shall not, collectively, have any greater power to tax than that granted, in the first instance, to the authority alone.

(3) Unless otherwise specified in the resolution or other formal act creating the subdistrict, the board members of the authority shall constitute the governing authority of the subdistrict.

(4) Unless otherwise specified in the resolution or other formal act creating the subdistrict, the subdistrict shall be a distinct and separate juridical entity, and the rights, interests, and liabilities of the subdistrict shall not under any circumstances be considered those of the authority.

(5)(a) In addition to the other powers it may be granted, a subdistrict may enjoy, within its geographical boundaries, the powers of tax increment financing, the issuance of revenue bonds, and those other powers that may be exercised by an economic development district created by a local governmental subdivision pursuant to R.S. 33:9038.32. However, the subdistrict shall remain subject to all limitations and reservations applicable to the powers of the authority.

(b) Prior to the dedication of any state sales tax increments to be used for an authorized purpose of a subdistrict, the secretary of the Department of Economic Development shall submit the proposal to the Joint Legislative Committee on the Budget for approval. The submittal shall also include a written evaluation and determination by the department, with input from and certification by the Department of Revenue, of the anticipated increase in state sales tax revenues to be collected within the state over state sales tax revenues that were collected within the state in the year immediately prior to the year in which the proposal is submitted to the committee that would be a direct result of the proposal. In addition, any cooperative endeavor agreement or other agreement providing for the expenditure of funds collected by the state as state sales tax increments and dedicated to a project or for the payment of revenue bonds therefor shall be subject to approval by the State Bond Commission prior to execution by the state.

Section 2. R.S. 33:4720.67 is hereby repealed."
