AMENDMENT NO. 3
On page 1, line 9, change "enacted" to "amended and reenacted"

AMENDMENT NO. 4
On page 1, delete lines 10 through 14 and insert the following:

"§2096.  Actuary; appointment; duties and powers

A. The board of trustees shall designate an actuary who shall be the technical advisor of the board of trustees on matters regarding the operation of the system created by the provisions of this Chapter, and shall perform such other duties as are required in connection therewith by law or by the board of trustees.

B. Immediately after the establishment of the retirement system, the actuary shall make such investigation of the mortality, service, and compensation experience of the members of the system as he shall recommend and the board of trustees shall authorize, and on the basis of such investigation he shall recommend for adoption by the board of trustees such tables and such rates as are required in Subsection C of this Section. The board of trustees shall adopt tables and certify rates, and as soon as practicable thereafter the actuary shall make a valuation based on such tables and rates of the assets and liabilities of the system created by this Chapter.

C. In the year nineteen hundred fifty-six, and at least once in each five-year period thereafter, the actuary shall make an actuarial investigation into the mortality, service, and compensation experience of the members and beneficiaries of the retirement system, and shall make a valuation of the assets and liabilities of the system, and taking into account the result of such investigation and valuation, the board of trustees shall:

(1) Adopt for the retirement system such mortality, service, and other tables as shall be deemed necessary.

(2) Certify the rates of contribution payable by each employer on account of new entrants.

D. (1) On the basis of such tables as the board of trustees shall adopt, the actuary shall make an annual valuation of the assets and liabilities of the system created by this Chapter.

(2) Any new tables and interest assumptions adopted in accordance with Subsection C of this Section shall be applicable only with respect to persons who are members on the date of adoption. Tables in effect on the date of retirement shall remain applicable with respect to persons who retire prior to the adoption of new tables.

E. (1) Effective June 30, 2013, unless different actuarial assumptions are formally adopted and disclosed, as provided in Paragraph (2) of this Subsection, the following assumptions shall determine the actuarial equivalents to be used in this retirement system:

(a) Interest shall be compounded at the rate of seven and one-half percent per annum.

(b) Annuity rates shall be determined on the basis of the RP-2000 Combined Healthy Table set back three years for males and two years for females.

(2) The board of trustees may authorize the use of interest and mortality rates in determining the actuarial equivalents which are different from the actuarial assumptions specified in Paragraph (1) of this Subsection. Any change in such actuarial assumptions shall be considered a part of the plan provisions of this retirement system and shall be considered an amendment to the plan provisions contained in this Section. In order to be effective, such change shall be formally adopted by the board of trustees as a rule or rules promulgated pursuant to the Administrative Procedure Act and disclosed to members of the retirement system.
(3) No change in actuarial assumptions shall reduce a member's accrued benefit.

Section 2. This Act shall become effective on June 30, 2013; if vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on June 30, 2013, or on the day following such approval by the legislature, whichever is later."

Rep. Nancy Landry moved that the amendments proposed by the Senate be concurred in.
