Ruling of the Chair

Pursuant to House Rule 7.19(C)(2), the appropriations from one-time money for ordinary recurring expenses contained in House Bill No. 1, as proposed by the Conference Committee, do not exceed the projected growth of the state general fund from the fiscal year for which the appropriations are proposed, and the subsequent fiscal year, according to the most recent official forecast. Therefore, no motion to authorize the use of one-time money is required prior to the motion to adopt the Conference Report.

Rep. Fannin moved to adopt the Conference Committee Report.
