E. Each participating school system may work collaboratively with other governmentally funded providers of early childhood education that serve children residing within the jurisdiction of the system, including Head Start and other federal programs, in providing the LA 4 program. Such collaboration may include agreements to share resources if such agreements are documented, no regulation of any provider is compromised or violated, and a clear demarcation of responsibility as to costs, employee supervision, and program administration is maintained.

F. (1) Beginning with the 2014-2015 school year and continuing thereafter, each participating school system may use at least ten percent of the total increase in funding for the LA 4 program received each year in excess of the amount received during the previous school year to provide LA 4 classes through collaborative agreements with nonschool system providers of early childhood education that serve children residing within the geographic boundaries of the school system, that meet the definition of an early learning center as provided in Paragraph (2) of this Subsection, and that have attained the minimum quality rating as established by the state board required to be eligible to participate in the program.

(2) For the purposes of this Section, "early learning center" means any child day care center, Early Head Start Center, Head Start Center, or stand-alone prekindergarten program not attached to a school.

G. In addition to determining the demand for and distribution of funds for the LA 4 program, the state board shall assess all other funding streams in order to facilitate diverse delivery and fulfill demand to the greatest extent possible.

H. Each public school system operating the LA 4 program shall include or provide for the following:

(1) A full-day program for the hours of the day and the number of days that a regular school program in the school system is in session.

(2) A program of developmentally appropriate early childhood education, the content of which shall meet the standards required for accreditation of a high-quality early childhood education program as determined by the state board.

(3)(a) A teacher in each classroom, referred to in this Section as the "lead teacher", who is in charge of the classroom, supervises other adults employed in the classroom, plans the activities for the children in the classroom, and is:

(i) Certified by the department in nursery school education, kindergarten, or early intervention.

(ii) If the superintendent of the employing school system certifies by sworn affidavit that no qualified applicant with a certificate as provided in Item (i) of this Subparagraph has applied for the position, then certified by the department pursuant to rules adopted by the state board.

(iii) If the superintendent of the employing school system certifies by sworn affidavit that no qualified applicant with a certificate as provided in Item (i) or (ii) of this Subparagraph has applied for the position, then the recipient of a degree in elementary education, kindergarten, early childhood education, or early

intervention and employed pursuant to the interim emergency policy of the state board for hiring non-certified personnel.

(b) The employment, retaining, or reemployment of any person as a lead teacher who is qualified in any way other than as provided in Item (a)(i) of this Paragraph may occur only if such teacher can document consistently working toward obtaining the qualifications in Item (a)(i) of this Paragraph in compliance with the requirements of state board rule or is otherwise deemed qualified in accordance with rules adopted by the state board.

(4) A student to lead teacher ratio of no more than twenty to one and a student to adult staff member ratio of no more than ten to one.

(5) Classroom and instructional supplies consistent with the standards required in Paragraph (2) of this Subsection and consistent with standards required by state board rule.

(6) Required professional development, in compliance with state board rule, for lead teachers and all other persons whose employment in the LA 4 program involves direct contact with children.

(7) Adequate and appropriate space and facilities.

I. The department shall:

(1) Provide technical assistance to each public school system operating the LA 4 program and ensure that each participating school system complies with the requirements of this Section and all rules adopted pursuant to this Section.

(2) Develop and implement a system of evaluating the efficiency and effectiveness of the LA 4 program and conduct a study of the long-term effects of the program on the school success of the participating children.

(3) Provide regular, scheduled, and appropriate professional development for lead teachers and all other persons whose employment in the LA 4 program involves direct contact with children pursuant to Paragraph (H)(6) of this Section."
