§524. Quasi public agencies or bodies and nongovernmental entities requesting or receiving state monies; submission of information and documentation to the legislative auditor; approval by the Joint Legislative Committee on the Budget

A. Any quasi public agency or body, including any not-for-profit organization and nongovernmental entity which is neither a budget unit nor a political subdivision of the state, requesting or receiving state monies or assistance through the General Appropriation Bill, capital outlay bill, or any supplemental appropriation bill in any fiscal year shall submit information and documents to the legislative auditor in accordance with the provisions of this Section and be approved by the Joint Legislative Committee on the Budget prior to state monies or assistance being appropriated or paid to such agency or body.

B. For purposes of this Section, the following words shall have the following meanings unless the context clearly indicates otherwise:

(1) "Continuing entity" shall mean a quasi public agency or body which received state monies or assistance in Fiscal Year 2015-2016 and which has reported to the legislative auditor's office in the twelve months prior to receiving state monies or assistance.

(2) "New entity" shall mean a quasi public agency or body which has not requested or received state monies or assistance prior to Fiscal Year 2015-2016 or which has not reported to the legislative auditor's office in the twelve months prior to requesting or receiving state monies or assistance. After the first year of compliance with the provisions of this Section, a "new entity" shall be considered a "continuing entity" if the entity has received state monies or assistance and has reported to the legislative auditor's office during its first year of operation.

(3) "Quasi public agency or body" shall mean and include any not-for-profit organization, for-profit organization, and nongovernmental entity requesting or receiving state monies or assistance in any fiscal year. The term shall also include a quasi public agency or body as defined in R.S. 24:513(A)(1)(b).

(4) "State monies or assistance" shall mean and include grants, loans, transfers of property, awards, direct line-item appropriations of state public funds, and federal funds which pass through the state before being appropriated to the quasi public agency or body. The term shall not include guarantees, membership dues, vendor contracts for goods and services related to administrative support for a state assistance program, assistance to private or parochial schools, assistance to private colleges and universities, or benefits to individuals.

C. New entity requesting or receiving state monies or assistance for the first-time. The information and documents required to be submitted to the legislative auditor shall include all of the following:

(1) The official name of the new entity as reflected in documentation submitted to the secretary of state's office.

(2) A complete and accurate listing of the board of directors of the new entity.

(3) Documentation certifying that all payroll taxes have been paid and are current.

(4) Financial statements for the new entity's most recent fiscal year.

The documentation shall include certification that the documents and information submitted to the legislative auditor have been compiled by and attested to by the certified public accountant.

(6) Any additional information the legislative auditor may, in his discretion, deem necessary in order to ensure that the new entity meets minimum qualifications for requesting or receiving state monies or assistance.

D.(1) Continuing entity which received state monies or assistance in Fiscal Year 2015-2016 or thereafter. In order for a quasi public agency or body to be eligible to continue to receive state monies or assistance, the continuing entity shall submit all reports required pursuant to the provisions of R.S. 24:513(J)(1)(c)(i) through (iv) to the legislative auditor. The information and documents submitted to the legislative auditor shall also include any additional information the legislative auditor may, in his discretion, deem necessary in order to ensure that the continuing entity remains in good standing and continues to meet minimum qualifications for receipt of state monies or assistance.

(2) In order to determine that a continuing entity continues to remain in good standing, the legislative auditor may establish a system to rank or grade reports or audits submitted by continuing entities.

E.(1) The legislative auditor shall prepare a list containing new entities and continuing entities which have submitted information and documentation and which have met the requirements of this Section. Upon receipt of the list from the chairman of the Joint Legislative Committee on the Budget, the legislative auditor shall post the list of approved entities on its website.

(2) Once a new or continuing entity is approved by the Joint Legislative Committee on the Budget, the entity shall be eligible to request or receive state monies or assistance. Any entity that fails to submit information or documentation to the legislative auditor in accordance with the requirements of this Section or fails to be approved by the Joint Legislative Committee on the Budget shall be ineligible to request or receive state monies or assistance in the fiscal year for which the entity fails to comply with the requirements of this Section.

(3) All entities requesting or receiving state monies or assistance shall comply with the provisions of R.S. 39:6.

(4) No state agency shall contract with or pay monies to a quasi public entity or body which fails to meet the provisions of this Section.

entities, deadlines for submission of information or documentation, and the establishment of a ranking or grading system for reports or audits. The guidelines and procedures shall be established with input from the Louisiana Association of Nonprofit Organizations and the Society of Louisiana Certified Public Accountants and shall be posted on the legislative auditor's website for no less than thirty days. The legislative auditor shall also submit the guidelines and procedures to the Legislative Audit Advisory Council in order to receive public comment and testimony prior to the procedures and guidelines becoming final.

Section 2. R.S. 39:51.2 is hereby enacted to read as follows:

§51.2. Quasi public agencies or bodies and nongovernmental entities requesting or receiving state monies; submission of information and documentation to the legislative auditor; approval by the Joint Legislative Committee on the Budget

Any quasi public agency or body, including any not-for-profit organization and nongovernmental entity which is neither a budget unit nor a political subdivision of the state, requesting or receiving state monies or assistance through the General Appropriation Bill, capital outlay bill, or any supplemental appropriation bill in any fiscal year shall submit information and documents to the legislative auditor in accordance with the provisions of R.S. 24:524 and be approved by the Joint Legislative Committee on the Budget prior to state monies or assistance being appropriated or transferred to such agency or body.

Section 3.
