* * *

E. It is not the intention of any taxing authority to levy a tax upon articles of tangible personal property imported into this state, or produced or manufactured in this state, for export; ~~nor is it the intention of any taxing authority to levy a tax on bona fide interstate commerce; however, nothing herein shall prevent the collection of the taxes due on sales of tangible personal property into this state which are promoted through the use of catalogs and other means of sales promotion and for which federal legislation or federal jurisprudence enables the enforcement of the sales tax of a taxing authority upon the conduct of such business. It is, however, the intention of the taxing authorities to levy a tax on the sale at retail, the use, the consumption, the distribution, and the storage to be used or consumed in this state, of tangible personal property after it has come to rest in this state and has become a part of the mass of property in this state.~~ At such time as federal legislation or federal jurisprudence as to sales in interstate commerce promoted through the use of catalogs and other means of sales promotions enables the enforcement of this Chapter or any other law or local ordinance imposing a sales tax against vendors that have no other nexus with the taxing jurisdiction, the following provisions shall apply to such sales on which sales and use tax would not otherwise be collected.

* * *

Section 2. The provisions of this Act shall apply to tax periods beginning on and after July 1, 2015. If the United States Congress enacts legislation authorizing states to require a remote seller to collect sales taxes on taxable transactions, such legislation shall preempt the provisions of R.S. 47:302(V) and the Department of Revenue shall have the authority to promulgate regulations under the Louisiana Administrative Procedure Act to carry out the provisions of the federal legislation.
