(b) In addition to the provisions of Subparagraph (a) of this Paragraph, in the case of a project involving a barrier island, the secretary executive director may also require the owner to transfer title to all or a portion of the island in exchange for any subsurface mineral rights acquired by said owner.

(d) When the secretary executive director proposes to execute an agreement by which an election pursuant to this Section is affected, the secretary executive director shall first submit the agreement for review and approval to the House Committee on Natural Resources and Environment and the Senate Committee on Natural Resources, after publishing the agreement as provided in the Administrative Procedure Act.

(f) The Department of Natural Resources Coastal Protection and Restoration Authority shall provide an owner granted subsurface mineral rights pursuant to this Paragraph, recordable evidence of the rights transferred, which documents shall include an adequate legal description of the area subject to such owners' rights and a plat thereof. The owner shall be responsible for filing any such document in the conveyance records of the parish in which such property is located, which filing shall be public notice thereof.

G.(1) The administrator of the State Land Office shall have the authority to adopt regulations allowing reclamation of land in compliance with the provisions of Paragraph (D)(1) of this Section, and the secretary of the Department of Natural Resources executive director of the Coastal Protection and Restoration Authority shall have the authority to adopt regulations pursuant to Paragraph (D)(2).

(2) Permits may be granted for bulkheads, generally parallel to the shore, that do not interfere with navigation on any inland navigable water body whether or not the area to be bulkheaded eroded before July 1, 1921, if, on the basis of evidence furnished the administrator of the State Land Office, such bulkheading will aid in reclaiming submerged land or preventing erosion, compaction, or subsidence. No permit shall be required for projects to facilitate the development, design engineering, implementation, operation, maintenance, or repair of coastal or barrier island restoration integrated coastal protection projects by the Department of Natural Resources Coastal Protection and Restoration Authority under R.S. 49:214.1 et seq. or other applicable law or projects for the Atchafalaya Basin Program. Such permits shall not vest any title in any private owner other than as to lands eroded after July 1, 1921.

H. No reclamation by a riparian landowner shall be permitted if, in the determination of the Department of Natural Resources, State Land Office, the Coastal Protection and Restoration Authority, or the attorney general, such activity would unreasonably obstruct or hinder the navigability of any waters of the state or impose undue or unreasonable restraints on the state rights which have vested in such areas pursuant to Louisiana law, and to that extent the land area sought to be reclaimed may be limited.

I. Any person aggrieved either by a substantive agency decision made pursuant to the provisions of this Section, including interlocutory decisions relating to boundaries and determinations of areas reclaimed, or by a failure of the agency to render such decisions timely, may seek immediate judicial review of the agency action. Proceedings for review of decisions by the Department of Natural Resources, Coastal Protection and Restoration Authority, or the State Land Office may be instituted by filing a petition in the Nineteenth Judicial District Court within thirty days after mailing of notice of the final decision by the administrator or secretary. Any party may request and be granted a trial de novo.
