For purposes of this Subpart, an insolvency shall be defined as the condition existing when the trust's liabilities before member distribution payable or dividend payable are greater than the trust's assets determined in accordance with generally accepted accounting principles as delineated in the trust's financial statement audited by an independent certified public accountant. For the purpose of determining insolvency, assets shall not include intangible property, such as patents, trade names, or goodwill. The plan submitted by the trust to eliminate the insolvency shall set forth in detail the means by which the trust intends to eliminate the insolvency which may include payments by the association, assessments of the members participating in the trust's self-insurance plan, or a combination thereof. The trust shall also include the timetable for the implementation of the plan and requirements for reporting to the department. The department shall review the plan submitted by the trust and notify the trust of the plan's approval or disapproval within thirty days of the department's receipt of the plan.

(2) Upon determination by the department that a plan submitted by the trust is disapproved or that a trust is not implementing a plan in accordance with the terms of the plan, it shall so notify the trust in writing of such determination.

(3) Should a trust fail to file a plan to eliminate an insolvency as required pursuant to this Section, or should the department notify a trust that such plan has been disapproved or that the trust is not implementing the plan according to the plan, the department shall have the following powers and authority in addition to any other powers and authority granted under law:

B. Deletions. The following deductions allowed by federal law are declared inoperative and shall not form a part of allowable deductions in the computation of net income:

(6) Related member royalty and interest payments as provided in this Paragraph.

(a) For the purpose of computing net income, otherwise deductible royalty payments and interest expense as defined in Subparagraph (c) of this Paragraph paid to a related member during the taxable year must be added-back to the extent the payments were deducted in calculating federal taxable income, but only to the extent the royalty payments and interest expense do not satisfy one or more of the exceptions set forth in Subparagraph (b) of this Paragraph.

(b) The add-back of royalty payments and interest expense paid to a related member during the taxable year shall not be required if to the extent that the payments meet any of the following conditions:

(i) The related member during the same taxable year directly or indirectly paid, received, accrued or incurred an arm’s length amount to or from a person or entity that is not a related member, provided that this Paragraph shall not be construed to require that the related member pay, receive, accrue or incur the amount in an identical transaction to that giving rise to the expense that is subject to add-back under Subparagraph (a) of this Paragraph;

(ii) The item of income corresponding to the royalty payment or interest expense is subject to a tax measured in whole or in part by net income or receipts in Louisiana, in any other state or possession of the United States, or in a country other than the United States;

(iii) The related member receiving the royalty payments regularly engages in transactions involving intangible property with one or more unrelated parties on terms substantially similar to those of the subject transaction;

(iv) The related member receiving the royalty payments or interest expense payments directly or indirectly acquired the intangible assets, for which the payments are being made, from a person or entity that was not a related member, and the transaction was done for a valid business purpose other than the avoidance of taxes;

(v) The taxpayer demonstrates that the add-back amounts otherwise required by this Paragraph are unreasonable.

(c) As used in this Paragraph, the following terms have the following meanings:

(i) "Related member" means a person, corporation, or other entity, including an entity that is treated as a partnership or other pass-through entity for purposes of federal taxation, whether the person, corporation, or entity is a taxpayer or not, where one person, corporation, or entity, or set of related persons, corporations, or entities, directly or indirectly owns or controls a majority interest in another entity.

(ii) "Majority interest" means, in the case of a corporation, either more than fifty percent of the total combined voting power of all classes of stock of the corporation, or more than fifty percent of the capital, profits, or beneficial interest in the voting stock of the corporation, and, in the case of a partnership, association, trust, or other entity, more than fifty percent of the capital, profits, or beneficial interest in the partnership, association, trust, or other entity.

(iii) "Royalty payments" means payments or accruals directly connected to the acquisition, use, maintenance, management, or ownership of patents, trademark, copyrights, trade names, trade dress, service marks, mask works, trade secrets, and patents, to the extent those amounts are allowed as deductions in the calculation of federal taxable income. "Royalty payments" shall also include amounts allowable as interest deductions under §163 of the Internal Revenue Code to the extent those amounts are directly for the acquisition, use, maintenance, management or ownership of intangible assets.

(iv) "Interest expense" means amounts directly or indirectly allowed as deductions under §163 of the Internal Revenue Code for purposes of determining taxable income under the Internal Revenue Code.

On motion of Rep. Stokes, the amendments were adopted.

Report of the Committee on Civil Law and Procedure

June 1, 2015

I. SUMMARY OF JOINT RESOLUTION

This report is for House Bill No. 235 of the 2015 Regular Session by Representative Arnold, proposing to amend Art. VI, Section 2 of the Constitution.

HB 235 proposes to authorize the legislature to provide, through local law, for the incorporation of any area located within a single parish.

II. CONCLUSION

The proposed measure cannot be accomplished statutorily.

HB 235 proposes to authorize the legislature to provide by local law for the incorporation of any area located within the boundaries of a single parish, as well as the exclusion of an area from the boundaries of any municipality. A constitutional amendment would be required to accomplish this as Article VI, Section 2 of the Constitution prohibits the creation of a municipal corporation by local or special law.

III. OTHER PENDING MEASURES

Total joint resolutions introduced: 67
Total joint resolutions reported by other standing committees: 15
HB 235 does not appear to conflict with any other pending measures.

Rule 6.8(a) Report of the House Committee on Civil Law and Procedure

June 1, 2015

I. SUMMARY OF JOINT RESOLUTION

This report is for House Bill No. 323 of the 2015 Regular Session by Representative Leger, proposing to amend Art. VIII, Section 12 of the Constitution.

HB 323 proposes to prohibit the supplanting of state funds for tuition and fee increases for institutions of higher education.

II. CONCLUSION

The proposed measure can be accomplished statutorily.

HB 323 proposes to prohibit or limit the ability to reduce state funding for higher education when revenues from tuition and mandatory fees increase as compared to the prior year. The present constitution provides that funds appropriated for higher education shall be used solely as provided by law. While the proposed
restrictions on reducing funding may be accomplished statutorily, a constitutional amendment would be required to prevent statutorily removing or overriding the restrictions provided by law.

III. OTHER PENDING MEASURES
Total joint resolutions introduced: 67
Total joint resolutions reported by other standing committees: 15

A conflict exists between HB 323 in its present form and HB 60 since HB 60 proposes to repeal Const. Art. VIII, Section 12.

IV. RECOMMENDATION
