(a) If at any time after the issuance of a tax credit certification letter, the office makes a final determination that there was a material misrepresentation or fraud on the part of a person in connection with the submission of a production audit report, that auditor's report will be deemed to be a wrongful production audit report. If the office further determines that the result of the material misrepresentation or fraud was that a specific amount of tax credits were reflected on the tax credit certification letter issued in response to the wrongful production audit report that would not have otherwise been so reflected and the tax credits would otherwise be subject to a post-certification remedy, then the sole and exclusive remedy for the office, by request to the Department of Revenue, as provided for in Subsection (F), shall be against the individual or entity that committed the material misrepresentation or fraud. Neither the office, nor the Department of Revenue, shall have a remedy against a good faith transferee for the wrongful tax credits. (2) The only interest that may be assessed and collected on recovered credits is interest at a rate three percentage points above the rate provided in R.S. 9:3500(B)(1), which shall be computed from the original due date of the return on which the credit was taken.

The secretary of the Department of Revenue shall initiate an action to recover wrongful tax credits from any and all individuals or entities that have committed fraud or made a material misrepresentation resulting in the issuance of wrongful tax credits through any collection remedy authorized by 47:1561, and shall assess interest and penalties as provided for in connection with the fraudulent and delinquent nonpayment of taxes. The statute of limitations that shall apply to any such action by the Department is the statute of limitations applicable upon failure to file a return for the applicable tax period.

(3) The provisions of this Subsection are in addition to and shall not limit the authority of the secretary of the Department of Revenue to assess or to collect under any other provision of law.

office for the costs of any additional certifications. The tax credit shall be calculated as a percentage of the total base investment dollars certified per project.

(c) For state-certified productions approved by the office and the secretary on or after July 1, 2009:

(i) If the total base investment is greater than three hundred thousand dollars, each investor shall be allowed a tax credit of thirty percent of the base investment made by that investor.

The secretary shall commence the process for the promulgation of the rules no later than October 1, 2015. The tax credit

authorized in this Item shall be in addition to the tax credit authorized in Item (i) of this Subparagraph.

(d) For applications initially certified before July 1, 2015, and each fiscal year beginning on or after July 1, 2015, the maximum amount of credits which may be certified by the office and the secretary shall not exceed two hundred million dollars. If the total amount of credits certified in any particular fiscal year exceeds the aggregate amount of tax credits allowed for that year, the excess shall be treated as having been applied for on the first day of the subsequent year. For state-certified productions approved on or after July 1, 2015, the maximum amount of credits that may be certified for any single state-certified production shall not exceed thirty million dollars.

(e) Motion picture investor tax credits associated with a state-certified production shall never exceed the total base investment in that production.

D. Certification and administration.

\* \* \*

(4)(i) Any taxpayer applying for the credit shall be required to reimburse the office for any audits required in relation to granting the credit.

(ii)(aa) The production application fee provided for in Subparagraph (2)(b) of this Subsection received by the office shall be deposited upon receipt in the state treasury. After compliance with the requirements of Article VII, Section 9(B) of the Constitution of Louisiana relative to the Bond Security and Redemption Fund and prior to any money being placed into the general fund or any other fund, an amount equal to that deposited as required by this Item shall be credited by the treasurer to a special fund hereby created in the state treasury to be known as the Entertainment Promotion and Marketing Fund. The money in the fund shall be appropriated by the legislature to be used solely for promotion and marketing of Louisiana's entertainment industry or for costs associated with the administration of the motion picture investor tax credit program by the office and the secretary.

The

The tax credit authorized in this Item shall be in addition to the tax credit authorized in Item (i) of this Subparagraph.

(d) For applications initially certified before July 1, 2015, and each fiscal year beginning on or after July 1, 2015, the maximum amount of credits which may be certified by the office and the secretary shall not exceed two hundred million dollars. If the total amount of credits certified in any particular fiscal year exceeds the aggregate amount of tax credits allowed for that year, the excess shall be treated as having been applied for on the first day of the subsequent year. For state-certified productions approved on or after July 1, 2015, the maximum amount of credits that may be certified for any single state-certified production shall not exceed thirty million dollars.

~~(ii)~~ (e) Motion picture investor tax credits associated with a state-certified production shall never exceed the total base investment in that production.

\* \* \*

D. Certification and administration.

\* \* \*

(4)(i) Any taxpayer applying for the credit shall be required to reimburse the office for any audits required in relation to granting the credit.

(ii)(aa) The production application fee provided for in Subparagraph (2)(b) of this Subsection received by the office shall be deposited upon receipt in the state treasury. After compliance with the requirements of Article VII, Section 9(B) of the Constitution of Louisiana relative to the Bond Security and Redemption Fund and prior to any money being placed into the general fund or any other fund, an amount equal to that deposited as required by this Item shall be credited by the treasurer to a special fund hereby created in the state treasury to be known as the Entertainment Promotion and Marketing Fund.
