A. Words and terms used in this Section shall have the following meanings:

(1) "Department" means the Department of Health and Hospitals.

(2) "Legacy Medicaid rate" means the lesser of one of the following:

(a) The published Medicaid fee-for-service reimbursement rate for the combination of the ingredient cost and dispensing fee in use for the current approved Medicaid state plan in effect on the date of service.

(b) The usual and customary charge. This charge shall be the price the provider most frequently charges the general public for the same drug unless otherwise defined in the current approved Medicaid state plan in effect on the date of service.

(c) The pharmacy's submitted charge.

(3) "Local pharmacy" means any pharmacy, domiciled in at least one Louisiana parish that meets both of the following criteria:

(a) Contracts with the managed care organization or the managed care organization's contractor in its own name or through a pharmacy services administration organization and not under the authority of a group purchasing organization.

B. A managed care organization may negotiate the ingredient cost reimbursement in its contracts with providers.

C. Any contract between the department and a managed care organization that includes provisions for pharmacy reimbursement shall provide for a reimbursement dispute process for local pharmacies.

(1) Such reimbursement dispute process shall, at a minimum, include the following elements:

(a) Final review authority shall be retained by the department or by a party agreed upon by the department, the Louisiana Association of Health Plans, and the Louisiana Independent Pharmacies Association.

(b) If the dispute results in a finding that reimbursement was unreasonable, the managed care organization shall be required to provide the pharmacy an increased reimbursement and shall update its maximum allowable cost list to reflect the increase.

(c) The department shall define reasonableness in relation to the contractual rate paid by the department to the managed care organization to manage pharmacy services in the medical assistance program.

D. After June 15, 2016, no managed care organization shall pay a local pharmacy a per-prescription reimbursement at a rate less than the legacy Medicaid rate unless its contract with the department provides for a reimbursement dispute process as described in Subsection C of this Section.

E. The full cost of implementing and performing the provisions of this Section shall be the responsibility of the Department of Health and Hospitals through a reallocation of existing budget resources of the department and not through additional appropriations.

Each student assessed shall be granted a SAVE credit provided for in this Section against individual income, sales and use, gasoline, and special fuels taxes equal to the individual amount of a SAVE assessment. The amount of each credit shall not exceed the average household tax liability in Louisiana for the total of the following: individual income, sales and use, gasoline, and special fuels taxes as determined and published by the Department of Revenue no later than June thirtieth of each fiscal year.

Each student assessed shall be granted a SAVE credit provided for in this Section against individual income, sales and use, gasoline, and special fuels taxes equal to the individual amount of a SAVE assessment. The amount of each credit shall not exceed the average household tax liability in Louisiana for the total of the following: individual income, sales and use, gasoline, and special fuels taxes as determined and published by the Department of Revenue no later than June thirtieth of each fiscal year.

(2) The SAVE credit shall be a transferable, nonrefundable credit against the liability as provided by Paragraph (1) of this Subsection of a student, or his parent or legal guardian, which shall be transferred to the Board of Regents and used solely as provided for in Subsection C of this Section, for each student enrolled in a public institution of higher education on and after July 1, 2015. B. Eligibility determination requirements, reporting of eligible students and transfer and use of funds. (1) The Department of Revenue shall distribute student eligibility determination criteria to the Board of Regents to be used for requesting the credit for student assessments. For Fiscal Year 2016-2017 and thereafter, the total allowable amount available for transfer shall be determined by the legislature.

C. Allocation of SAVE program credits. The Board of Regents shall distribute all funds appropriated from the Higher Education Initiatives Fund derived from the SAVE Credit Program pursuant to its formula for the equitable distribution of funds to public institutions of higher education.

D. No student or student's parent or legal guardian shall be required to pay an assessment that is not offset by a SAVE credit pursuant to this Section.

"§1787. Incentives

A. The board, after consultation with the secretaries of the Department of Economic Development and Department of Revenue, and with the approval of the governor, may enter into contracts not to exceed five years to provide:

(1) For either:

(a)(i) For contracts entered into or renewed prior to July 1, 2015, the rebate of sales and use tax imposed by the state and imposed by its political subdivisions. For contracts entered into on and after July 1, 2015, the rebate of seventy-two percent of the sales and use tax imposed by the state and all of the sales and use tax imposed by its political subdivisions. The sales and use tax rebate of tax imposed by the political subdivisions shall be granted upon approval of the governing authority of the appropriate municipality or the appropriate parish where applicable, or both, and of the governing authority of any other political subdivision, including the office of sheriff in the case of a law enforcement district; The contracts may be entered into for the following:

* * *

(ii) Final application for the payment of any rebate of sales and use taxes granted pursuant to this Subsection shall be filed no later than six months after the Department of Economic Development signs a project completion report and sends it to the Department of Revenue, the political subdivision, and the business, or no later than thirty days after the end of the calendar year in the case of customer-owned tooling used in a compression molding process. The project completion report cannot be signed until the project is complete and the contract has been approved by the board and the governor. The amount to be rebated shall in no case be greater than the total of the actual amount of the sales and use taxes paid, or, in the case of contracts entered into on and after July 1, 2015, seventy-two percent of state sales and use taxes paid.

* * *

(iv) Requests for rebates of state sales and use tax pursuant to this Section and R.S. 51:2456(B) shall be processed by the Department of Revenue as follows:

* * *

(cc) Failure of the Department of Revenue to timely pay rebates in the amount as provided herein or as provided for in any other

provision of law shall entitle the taxpayer to interest, which shall begin to accrue three months after the completed rebate request is received at the rate established pursuant to the provisions of R.S. 13:4202. Payments of interest authorized according to the provisions of this Section shall be made from the current collections of taxes collected pursuant to Chapter 2, Chapter 2-A, or Chapter 2-B of Subtitle II of Title 47 of the Louisiana Revised Statutes of 1950, as amended.

* * *

(b) A refundable investment income tax credit equal to one and ~~one-half~~ eight-one-hundredths percent of the amount of qualified expenditures. For purposes of this Paragraph, the term "qualified expenditures" shall mean amounts classified as capital expenditures for federal income tax purposes plus exclusions from capitalization provided for in Internal Revenue Code Section 263(a)(1)(A) through (L), minus the capitalized cost of land, capitalized leases of land, capitalized interest, capitalized costs of manufacturing machinery and equipment to the extent the capitalized manufacturing machinery and equipment costs are excluded from sales and use tax pursuant to R.S. 47:301(3), and the capitalized cost for the purchase of an existing building. When a taxpayer purchases an existing building and capital expenditures are used to rehabilitate the building, the costs of the rehabilitation only shall be considered qualified expenditures. Additionally, a taxpayer shall be allowed to increase their qualified expenditures to the extent a taxpayer's capitalized basis is properly reduced by claiming a federal credit. A taxpayer earns the investment tax credit in the year in which the project is placed in service, but the taxpayer may not claim the investment tax credit until the Department of Economic Development signs the project completion report or such other time as provided for by rule or regulation. The project completion report for the refundable investment tax credit shall adhere to the same requirements found in Subparagraph (a) for the sales and use tax rebate.

(2)(a) Except as provided in Subparagraph (b) of this Paragraph, for a ~~two thousand five hundred one thousand eight hundred~~ thousand dollar tax credit per net new employee as determined by the company's average annual employment reported under the Louisiana Employment Security Law during the taxable year for which credit is claimed. This tax credit may be applied to any state income tax liability or any state corporate franchise tax liability, but not liabilities for penalty or interest, due or outstanding at the time the credit is generated. However, credits may be applied to a due or outstanding tax liability attributable to tax years prior to the year in which the credit is generated only if the tax liability is the result of an assessment, administrative, or judicial proceeding by the Department of Revenue after an audit, provided that no further interest or penalty shall be accrued on such tax liability after the credit is generated. If the entire credit cannot be used in the year claimed, the remainder may be applied against the income tax or corporate franchise tax for the succeeding ten taxable years or until the entire credit is used, whichever occurs first. These credits shall also apply to those tax liabilities, but not liabilities for penalty or interest, identified in tax years where existing contracts generate the credit.

(b) In lieu of the tax credit provided in Subparagraph (a) of this Paragraph, for aviation or aerospace industries as defined in North American Industry Classification System (NAICS) Code 336411, 336412, 336413, and 332912, for a ~~five thousand three thousand six hundred~~ thousand dollar tax credit for each new job created. This tax credit may be applied to any state income tax liability or any state franchise tax liability within a ten-year period from the date that the contract becomes effective or until the entire credit is used, whichever occurs first.

(c) Until June 30, 2009, in lieu of the tax credit provided in Subparagraph (a) of this Paragraph, for the motor vehicle parts manufacturing industry as defined in the 3363 NAICS Code Title, for a ~~five thousand three thousand six hundred~~ thousand dollar tax credit for each new job created. This tax credit may be applied to any state income

tax liability or any state franchise tax liability within a ten-year period from the date that the contract becomes effective or until the entire credit is used, whichever occurs first. As used in this Subparagraph, the term "NAICS" means the North American Industrial Classification System.

(d) Until June 30, 2012, in lieu of the tax credit provided in Subparagraph (a) of this Paragraph, for the rubber manufacturing industry as defined by NAICS Code 326211, a ~~five thousand three thousand six hundred~~ dollar tax credit for each new job created. This tax credit may be applied to any state income tax liability or any state franchise tax liability within a ten-year period from the date that the contract becomes effective or until the entire credit is used, whichever occurs first.

* * *

(4) The reduction of the rebates and credits provided for in this Subsection for contracts entered into on and after July 1, 2015, shall only apply to such contracts and not to contracts entered before such date, notwithstanding any other provision of the Act which originated as House Bill 629 of the 2015 Regular Session of the Legislature.

However, in no event shall these sanctions be removed until such time as proof of the required security is provided to the secretary along with all appropriate fees required by law, including a reinstatement fee of one hundred dollars per violation of Paragraph (1) of this Subsection if the vehicle was not covered by the required security for a period of one to thirty days, two hundred fifty dollars if the vehicle was not covered by required security for a period of thirty-one to ninety days, and five hundred dollars if the vehicle was not covered by required security for a period in excess of ninety days. The reinstatement fees for violations of Paragraph (2) of this Subsection shall be as follows: two hundred fifty dollars for a first violation, five hundred dollars for a second violation, and one thousand dollars for a third or subsequent violation. The reinstatement fee shall not be owed for an alleged violation of Paragraph (2) of this Subsection when proof of the required security is provided to the secretary within sixty days of the date of the notice. At no time shall the total amount of fees, including administrative fees, exceed two hundred fifty dollars for persons sixty-five years or older. After sixty days of the date of the notice, all fees shall be considered final delinquent debt and therefore owed, and the eight hundred fifty dollar limit for persons under sixty-five years shall no longer apply.

The sanctions of Paragraph (A)(1) of this Section shall not be imposed, and any fine, fee, or other monetary sanction which has been remitted to the secretary pursuant to the sanctions of this Section, specifically including any reinstatement fee paid pursuant to Paragraph (A)(3) of this Section and any fee paid pursuant to Paragraph (D)(5) of this Section, shall be promptly refunded by the secretary to the person who paid it, if the owner or lessee furnishes any of the following within sixty days of the notice:

If the vehicle was properly insured at the time the notice was issued, any valid license plate shall be returned within forty-eight hours, exclusive of legal holidays, to the owner of the vehicle at no cost to the owner. However, if, within sixty days from the date the notice of noncompliance is issued, the owner fails to provide proof of the fact that the vehicle was properly insured at the time the notice of noncompliance was issued, the chief administrative officer of the office of motor vehicles shall destroy, or shall cause to be destroyed, the license plate removed from that owner's vehicle and shall notify the secretary that the owner of the vehicle is not in compliance with the compulsory liability law. Upon receipt of such notification, the secretary shall revoke the registration of such vehicle. All credits and refunds, together with interest thereof, must be paid or disallowed within one year of receipt by the secretary of any such claim for refund or credit. However, the department may withhold payment of a solar energy systems tax credit from a taxpayer if there are any existing state or federal liens, pending charges or investigations, or third party claims against such taxpayer or any of its affiliates or related parties. In such case, the department may withhold issuance of the tax credit until the department has received documentation which satisfactorily demonstrates that the matter has been resolved as determined by the secretary. For purposes of administering the first-come, first-served requirement, the return of any taxpayer whose claim for a tax credit is withheld for the aforementioned reasons shall be treated as received on the date the secretary deems such matters resolved. The secretary may exercise the right to withhold issuance of the tax credit for such purposes for any return, regardless of tax year or date received. Further, the secretary shall provide notice to the taxpayer upon determination that one or more of the aforementioned factors is applicable and the taxpayer's claim for a tax credit is being withheld."
