(II) Notwithstanding the provisions of Subsubitem (I) of this Subitem, effective for the June thirtieth valuation following the fiscal year in which the system first attains a funded percentage of eighty-five or more and for every year thereafter, the amortization period for the changes, gains, or losses of the Louisiana State Employees' Retirement System provided in Items (i) through (iv) of this Subparagraph shall be as follows:

Notwithstanding any provision of this Subitem to the contrary, the maximum amount of excess returns to be applied in any subsequent year pursuant to this Subsubitem shall equal the prior year's maximum amount increased by the percentage increase in the system's actuarial value of assets for the preceding year, if any. For any payment made pursuant to the provisions of this Subsubitem, if the system is eighty-five percent funded or greater prior to the application of the funds or if the system is less than eighty-five percent funded and the valuation year is equal to 2019 plus a multiple of five, the net remaining liability net of all payments made since the last reamortization shall be reamortized over the remaining amortization period with annual payments calculated as provided in this Item; if the system is less than eighty-five percent funded prior to application of the funds and the valuation year is not equal to 2019 plus a multiple of five, the net remaining liability shall not be reamortized after such application.

(cc) Effective for the June 30, 2019, first system valuation following June 30, 2015, in which an allocation is made to the system's experience account and for each valuation thereafter, actuarial gains allocated to the experience account shall be amortized as a loss with level payments over a ten-year period.

Each student assessed shall be granted a SAVE credit provided for in this Section against individual income, sales and use, gasoline, and special fuels taxes equal to the individual amount of a SAVE assessment. The amount of each credit shall not exceed the average household tax liability in Louisiana for the total of the following: individual income, sales and use, gasoline, and special fuels taxes as determined and published by the Department of Revenue no later than June thirtieth of each fiscal year. The aggregate amount of SAVE credits granted in any fiscal year shall not exceed three hundred fifty million dollars.

(2) The SAVE credit shall be a transferable, nonrefundable credit against the liability as provided by Paragraph (1) of this Subsection of a student, or his parent or legal guardian, which shall be transferred to the Board of Regents and used solely as provided for in Subsection C of this Section, for each student enrolled in a public institution of higher education on and after July 1, 2015. B. Eligibility determination requirements, reporting of eligible students and transfer and use of funds. (2) No later than June thirtieth of each fiscal year, the Board of Regents shall certify to the Department of Revenue the total headcount enrollment at public institutions of higher education in the previous fall. For Fiscal Year 2015-2016, the total allowable amount available for transfer shall be designated in the supplementary section of Schedule 19-671 Board of Regents in the Act that originated as HB1 of the 2015 Regular Session of the Legislature of Louisiana. For Fiscal Year 2016-2017 and thereafter, the total allowable amount available for transfer shall be determined by the legislature.

C. Allocation of SAVE program credits. The Board of Regents shall distribute all funds appropriated from the Higher Education Initiatives Fund derived from the SAVE Credit Program pursuant to its formula for the equitable distribution of funds to public institutions of higher education.

D. No student or student's parent or legal guardian shall be required to pay an assessment that is not offset by a SAVE credit pursuant to this Section.

E. The requirements of R.S. 47:1524 shall not be applicable to the credits provided for in this Section.

The exemption from the corporation franchise tax shall commence with the taxable period next following the taxable period in which certification as a LCDFI is obtained from the commissioner.

Section 5.(A) Except as provided for in Subsection (B) of this Section, the provisions of Sections 1 and 2 of this Act shall apply to an exclusion from taxable income and a claim for a deduction made on a return filed on or after July 1, 2015, regardless of the taxable year to which the return relates.
