Within three months of the date of filing the rebate request, the Department of Revenue shall audit the rebate request. During the three-month period, the Department of Revenue shall disallow items determined to be ineligible for rebate. Within ten business days following the expiration of the three-month period, the Department of Revenue shall rebate the remaining twenty percent of the amount claimed on the rebate request less any amounts properly disallowed during the three-month audit period. The Department of Revenue shall make the rebates from the current collections of the taxes collected pursuant to Chapter 2, Chapter 2-A, or Chapter 2-B of Subtitle II of Title 47 of the Louisiana Revised Statutes of 1950, as amended. Any sales and use tax rebate issued shall be subject to subsequent audit by the Department of Revenue, and any rebate amount determined to be in excess of the amount that should have been allowed shall be subject to collection by the Department of Revenue.

(c) Failure of the Department of Revenue to timely pay rebates as provided herein shall entitle the taxpayer to interest, which shall begin to accrue three months after the completed rebate request is received at the rate established pursuant to the provisions of R.S. 13:4202. Payments of interest authorized according to the provisions of this Section shall be made from the current collections of taxes collected pursuant to Chapter 2, Chapter 2-A, or Chapter 2-B of Subtitle II of Title 47 of the Louisiana Revised Statutes of 1950, as amended.

C. Issuance of project facility expense rebate.

(1) Application for the payment of the project facility expense rebate granted pursuant to this Section shall be filed no later than six months after the Department of Economic Development signs a project completion report and it is received by the Department of Revenue, the political subdivision, and the business. The project completion report shall not be signed until the project is complete and the contract has been approved by the board and the governor.

(2) Requests for the project facility expense rebate pursuant to this Section shall be processed by the Department of Revenue as follows:

(a) A properly completed project facility expense rebate request shall be submitted to the Department of Revenue on forms provided by the Department of Revenue. A properly completed project facility expense rebate request shall mean a rebate request that is signed and includes the general information required on the face of the request, a copy of the executed incentive contract, and a copy of all required schedules. The request shall be submitted electronically unless the secretary of the Department of Revenue authorizes submission of the request in an alternate form.

(b) The Department of Revenue shall make the rebate payment from the current collections of the taxes collected pursuant to Chapter 2, Chapter 2-A, or Chapter 2-B of Subtitle II of Title 47 of the Louisiana Revised Statutes of 1950, as amended.

D. Extensions of application filing deadlines.

For purposes of filing the application provided for in Subsections (B) and (C) of this Section, upon request, the business filing the application shall be granted a thirty-day extension of time in which to file its application, provided the request for extension is received by the Department of Revenue prior to the expiration of the filing period. In addition to the thirty-day extension, the Department of Revenue is authorized to grant the business an additional extension of time, not to exceed sixty days, in which to file its application,

provided that the business provides reasonable cause for the granting of the additional extension.

E. Issuance Local Sales and Use Tax.

(1) Within ninety days from the date that a properly completed rebate request submitted by a taxpayer is received by the appropriate local taxing authority, the taxing authority shall review the rebate request and issue a rebate to the taxpayer for allowed items and shall notify the taxpayer of any disallowed items. For purposes of this Subsection, a properly completed rebate request shall mean a rebate request that is signed and includes the general information required on the face of the request, a copy of each invoice, and all required schedules.

(2) A taxpayer requesting reconsideration of any disallowed item shall do so within sixty days from receipt of the notification of the disallowed items by resubmitting a properly completed rebate request for the disallowed items to the taxing authority for reconsideration. The time periods for reconsideration of disallowed items in a rebate request shall be the same as the time periods for consideration of the initial rebate request.

(3) Rebate requests may be submitted electronically with the approval of the local taxing authority.

(4) Failure by a local taxing authority to timely process and pay a local sales and use tax rebate in accordance with the provisions of this Subsection shall entitle the taxpayer to interest on the amount of the allowed items contained in the properly completed rebate request. Interest shall begin to accrue on the date the properly completed rebate request or reconsideration of disallowed items in a properly completed rebate request is received by the taxing authority at the rate established pursuant to the provisions of R.S. 13:4202.

(5) Sales and use taxes imposed by a political subdivision that are dedicated to the repayment of bonded indebtedness or dedicated to schools shall not be eligible for rebate. All other state and local sales and use taxes shall be eligible for rebate.

(6) No governing authority of a political subdivision or sheriff's office shall charge any fee or require any employment practice that conflicts with state or federal law as a precondition to authorizing tax benefits under this Chapter. The governing authority of each political subdivision or sheriff's office shall, after all requirements of this Chapter have been met, promptly rebate any sales and use taxes to the entity entitled to such rebate.

F. Violation of terms of the contract.

If a collecting agency receives notice that the rebate, or any part thereof, has ceased by reason of a violation of the terms of the contract under which the rebate was granted, then the amount of the rebate for the year in which the violation occurred and for each year thereafter in which the violation is not remedied shall be considered a tax due as of December thirty-first of the year in which the violation occurred, and for each year thereafter in which a rebate is used and the violation is not remedied, and it shall be collected by the collecting agencies in the same manner and subject to the same provisions for the collection of other tax debts.
