(8) Reorganize, consolidate, or abolish departments, commissions, authorities, boards, offices, or functions of the political subdivision responsible for operating the water utility system upon approval of the local governing authority.

(9) Make any appropriation, contract, expenditure, or loan, create any new position, or fill any vacancy, or approve or disapprove any such action.

D. The fiscal administrator's appointment shall terminate upon the terms of the detailed plan provided in the report, or upon the governor's determination, in consultation with the secretary of the Department of Health and Hospitals, that the water utility system will remain in compliance with all applicable water quality standards and debt service payments for the remainder of the current fiscal year and the following fiscal year.
