F. Any employee appointed in accordance with R.S. 33:2554, who has commenced a working test shall not have the working test interrupted by any absence greater than thirty consecutive days. The working test, even if interrupted, shall not be more than the aggregate period of one year.

§2554. Certification and appointment

C. In the event a vacancy cannot be filled by reinstatement or by re-employment as above provided, the board next shall certify the names of the persons upon the promotional list, in the order in which they appear thereon, for the class in which the vacancy is to be filled.

(a) The appointing authority shall select and appoint to the first vacancy to be filled the one person certified to it who has the greatest seniority in the departmental service. Any remaining positions to be filled in the same class shall be filled by appointing to each such vacancy the one of the remaining persons certified to it whose seniority is the highest in the departmental service. If any one or more persons so certified should refuse the appointment, the appointing authority shall then select and appoint one of the persons certified to the board with the next highest seniority in the departmental service. This procedure shall be followed until the position has been filled by appointment of the one person who has the greatest seniority in the departmental service who is willing to accept the appointment, or until each person whose name appears upon the list has in this order been certified and offered the appointment for the vacancy.

(b) Any person certified to the appointing authority who, because of work-related illness, injury, or incapacity, is unable to immediately begin a working test, shall be appointed in accordance with the Subparagraph (a) of this Paragraph. However, the working test shall be immediately interrupted and shall not commence until the employee has fully recovered and returns to full duty. If the employee fails to recover and return to full duty within six months of the date of his appointment, the board shall declare him ineligible to continue therein, and the appointment shall be made to one of the remaining persons certified therefor who has the next highest seniority in the departmental service. Any such person appointed in accordance with R.S. 33:2496(2) to substitute for the injured employee during the period of interrupted working test shall have such time counted toward his twelve-month working test period.

G. Except as provided in R.S. 33:2554(1)(b), it shall be mandatory for the appointing authority to fill each vacancy, including vacancies in classifications hereafter created, within 60 days of the occurrence of the vacancy. This shall not operate to prevent the board from abolishing any unnecessary classifications.

§2555. Working tests

F. Any employee appointed in accordance with R.S. 33:2554, who has commenced a working test shall not have such working test interrupted by any absence greater than thirty consecutive days. The working test, even if interrupted, shall not be more than the aggregate period of one year.

Section 3. R.S. 33:2585.10 is hereby enacted to read as follows:

§2585.10. Deputy chief of police in certain municipalities

(1) Notwithstanding any provision of law to the contrary, the position of deputy chief of police in a municipality having a population in excess of sixty thousand but not more than sixty thousand one hundred fifty persons, located in a parish having a population in excess of fifty thousand but not more than fifty-two thousand two hundred fifty persons, based on the latest federal decennial census, shall be in the unclassified service. The right of selection, appointment, supervision, and discharge for the position shall be vested in the chief of police of the municipality.

(2) Any person who is appointed from a position in the classified police service to serve as deputy chief of police shall not forfeit his seniority accumulated to the date of his appointment and shall continue therein, and the appointment shall be made to one of the remaining persons certified therefor who has the next highest seniority in the departmental service.

(2) Notwithstanding any other provision of law to the contrary, in the city of DeRidder a vacant position in the police department shall be filled in the following manner:

(a) If a vacancy cannot be filled by reinstatement, or by reemployment as provided in Subsections A and B of this Section, the board shall next certify the names of the persons on the promotional list, in the order in which they appear thereon, for the class in which the vacancy is to be filled.

(b) The appointing authority shall select and appoint to the first vacancy to be filled the one person certified to him who has the greatest promotional seniority in the next lower rank. Any remaining positions to be filled in the same class shall be filled by appointing to each such successive vacancy the one of the remaining persons certified therefor who has the next highest promotional seniority in the next lower class.

(c) If any one or more persons so certified should refuse the appointment, the appointing authority shall next select and appoint one of the persons certified by the board with the next highest promotional seniority in the next lower class. This procedure shall be followed until the position has been filled by appointment of the one person who has the greatest promotional seniority in the next lower class and who is willing to accept the appointment or until each person whose name appears on the list has in this order been certified and offered an appointment to the vacancy.

(d) If two or more persons possess an equal amount of promotional seniority, those persons shall be reinstated or listed on the promotional list and offered promotions in the order of departmental seniority, from highest to lowest.

(e) Any person certified to the appointing authority who, because of work-related illness, injury, or incapacity, is unable to immediately begin a working test, shall be appointed in accordance with Subparagraph (a) of this Paragraph. However, the working test shall be immediately interrupted and shall not commence until the employee has fully recovered and returns to full duty. If the employee fails to recover and return to full duty within six months of the date of his appointment, the board shall declare him ineligible to continue therein, and the appointment shall be made to one of the remaining persons certified therefor who has the next highest promotional seniority. Any such person appointed in accordance with R.S. 33:2496(2) to substitute for the injured employee during the period of interrupted working test shall have such time counted toward his twelve-month working test period.

G. Except as provided in R.S. 33:2554(C)(1)(b) and (2)(c), it shall be mandatory for the appointing authority to fill each vacancy, including vacancies in classifications hereafter created, within 60 days of the occurrence of the vacancy.
