Such monies are hereby designated to be self-generated revenues of the department.

F. Payment of rebate.

1. Notwithstanding any provision of law to the contrary, the secretary of the department shall make the rebate authorized pursuant to the provisions of this Section from the state sales tax revenue generated by the new taxable sales occurring in this state as a result of the operation of a procurement processing company in Louisiana.

2. If after a rebate has been paid, the department determines that certain items included in the rebate payment must be recaptured by the department from the procurement processing company, subject to the prescriptive period set forth in R.S. 47:1621.

3. Notwithstanding any provision of law to the contrary, if a procurement processing company receives a rebate for new taxable sales under the provisions of this Section, in no event shall the taxes on such new taxable sales remitted to Louisiana by the purchasing company or affiliated entity constitute an overpayment as defined in R.S. 47:1621.

4. A non-transactional event rebate shall be authorized by the department, but it shall not otherwise result in any payment being made by the department to the non-transactional event company, the non-transactional event rebate shall only be recognized for purposes of identifying and tracking the sales tax absorbed by the non-transactional event company.

5. In no event shall the sales tax calculated as part of an non-transactional event rebate constitute an overpayment as defined in R.S. 47:1621 and in no manner shall the non-transactional event company receive any vendor’s compensation discount under Title 47 for the collection or absorption of sales tax.

G. The Department of Revenue may promulgate rules and regulations in accordance with the provisions of the Administrative Procedure Act as are necessary to implement the provisions of this Section.

transfer the amount of thirty million dollars, or as much thereof as is
available, from the state general fund to the Unfunded Accrued
Liability and Specialized Educational Institutions Support Fund-Specialized Educational Institutions Account, which is
established pursuant to R.S. 39:100.136. Each fiscal year, the transfer
shall occur as soon as is practicable, upon notification by the
secretary of the Department of Revenue that revenues sufficient to
provide for this distribution have been deposited into the treasury.

(4) Of the monies remaining after satisfaction of the
requirements of Paragraphs (1) through (3) of this Subsection as
determined by the secretary pursuant to Subsection H I of this
Section, the state treasurer is hereby authorized and directed to
transfer from the state general fund to the Unfunded Accrued
Liability and Specialized Educational Institutions Support Fund-UAL
Account an amount equal to ten percent of the total remaining state
sales tax revenues collected in and attributable to that fiscal year as
a result of the activities of purchasing companies. The transfer shall
occur no later than August tenth of each year.

(5) The provisions of this Subsection shall not apply to
non-transactional event rebates authorized by this Section.

H I. The availability of monies necessary to comply with the

amount of state sales tax revenue generated by the new taxable sales
upon which a rebate has been paid pursuant to this Section. The
secretary is authorized and directed to estimate the amount of taxes
which have been deposited into the state general fund as a result of
such new taxable sales. Upon request, the secretary shall provide
