A defendant shall earn credits equal to thirty days for every calendar month of compliance with the terms and conditions of his probation. A defendant shall not receive credits for any partial calendar month of felony probation.

(2) Notwithstanding Subparagraph (1) of this Paragraph and any other law to the contrary, discharge credits may not be earned in conjunction with any other credits received toward a defendant's term of probation. If, within five business days of receiving the notification, the judge does not make a ruling to the contrary, thirty days of earned discharge credits will be rescinded from the defendant. Credits may only be rescinded for a month in which the defendant is found not to be in compliance.

C. The Department of Corrections shall develop written policies and procedures for the implementation of earned discharge credits for defendants on felony probation supervision provided for by the provisions of this Article. F. When a defendant's total probation is satisfied through a combination of time served on felony probation and earned discharge credits, the court shall order the termination of the probation of the defendant.

G. For purposes of this Article, "calendar month of compliance" shall be defined as any one of the twelve periods of time in which the calendar is divided in which none of the following occur:

A defendant shall earn credits equal to thirty days for every calendar month of compliance with the terms and conditions of his parole supervision. A defendant shall not receive credits for any partial calendar month of parole.

(2) Notwithstanding Subparagraph (1) of this Paragraph and any provision of law to the contrary, discharge credits may not be earned in conjunction with any other credits toward a defendant's term of parole. If a defendant receives credit toward his term of parole for any other reason, he shall not receive discharge credits for that period of time.

B. If the chief probation and parole officer, upon recommendation by a parole officer, has reasonable cause to believe that a defendant on parole has not been compliant with the conditions of his parole in a given calendar month, he shall notify the committee on parole within five business days of learning of the incident of noncompliance. If, within five business days of receiving the notification, the committee on parole does not make a ruling to the contrary, thirty days of earned discharge credits shall be rescinded from the defendant. Credits may only be rescinded for a month in which the defendant is found not to be in compliance.

C. The Department of Corrections shall develop written policies and procedures for the implementation of earned discharge credits for defendants on parole supervision provided for by the provisions of this Article. The policies and procedures shall include but not be limited to written guidelines regarding the process to earn discharge credits and the application of the credits toward the reduction of the term of supervision. The Department of Corrections shall also collect data on the implementation of earned discharge credits, including the names of defendants that earned credits, how many credits are

applied to each defendant, and reductions to supervision periods at the time of discharge.

§574.20. Medical parole program; eligibility; revocation

A. (1) Notwithstanding the provisions of this Part or any other law to the contrary, any person sentenced to the custody of the Department of Public Safety and Corrections may, upon referral by the department, be considered for medical parole by the committee on parole. Medical parole consideration shall be in addition to any other parole for which an inmate may be eligible, but shall not be available to any inmate who is awaiting execution. Notwithstanding the provisions of this Part or any other law to the contrary, any offender sentenced to the custody of the Department of Public Safety and Corrections may, upon referral by the department, be considered for medical parole or medical treatment furlough by the committee on parole. Consideration for parole or furlough under this Section shall be in addition to any other parole for which an offender may be eligible.

(2) Medical parole shall not be available to any inmate serving time for the violation of R.S. 14:30, first degree murder, or R.S. 14:30.1, second degree murder.

B. Medical Parole

(1) The committee on parole shall establish the medical parole program to be administered by the Department of Public Safety and Corrections. An inmate offender eligible for consideration for release under the program shall be any person offender who, because of an existing medical or physical condition, is determined by the department to be within one of the following designations:

(+)(a) "Permanently disabled inmate offender" means any person offender who is unable to engage in any substantial gainful activity by reason of any medically determinable physical impairment which can be expected to result in death or which is or can be expected to be permanently irreversible.

(2)(b) "Terminally ill inmate offender" means any inmate offender who, because of an existing medical condition, is irreversibly terminally ill. For the purposes of this Section, "terminally ill" is defined as having a life expectancy of less than one year due to an underlying medical condition.

(2) Medical parole shall not be available to any offender serving a sentence for a conviction of first degree murder (R.S. 14:30) or second degree murder (R.S. 14:30.1) or awaiting execution.

C. Medical Treatment Furlough

(1) The committee on parole shall establish the medical treatment furlough program to be administered by the department for the purpose of utilizing off-site medical facilities for an eligible offender's medical treatment. Medical treatment furlough shall not be available to any offender who is awaiting execution.

(2)(a) An offender eligible for consideration for release under the medical treatment furlough program shall be any offender who is ineligible for release on medical parole pursuant to Subsection B of this Section and is determined by the department to be a limited mobility offender.

(b) For the purposes of this Section, "limited mobility offender" means any offender who is unable to perform activities of daily living without help or is confined to a bed or chair, including but not limited to prolonged coma and medical ventilation.

(3) Notwithstanding any provision of law to the contrary, the committee on parole may authorize the release of an eligible offender on medical treatment furlough when all of the following conditions are met:

(a) Placement in an acute care hospital, nursing home, or other appropriate medical facility able to meet the offender's medical and treatment needs is secured.

(b) All monitoring, security, and supervision requirements that the committee deems necessary are secured by the division of probation and parole.

(c) The committee determines that the offender does not present a substantial flight risk.

D. No inmate offender shall be recommended for medical parole or medical treatment furlough pursuant to this Section by the department until full consideration has been given to the inmate's offender's crime and criminal history, length of time served in custody, institutional conduct, an indication that the inmate offender represents a low risk to himself or society, and a medical assessment of the inmate's offender's condition. In the assessment of risk, emphasis shall be given to the inmate's offender's medical condition and how this relates to his overall risk to society.

DE. The authority to grant medical parole or medical treatment furlough pursuant to this Section shall rest solely with the committee on parole, and the committee shall establish additional conditions of the parole or medical treatment furlough in accordance with the provisions of this Subpart. The Department of Public Safety and Corrections shall identify those inmates offenders who may be eligible for medical parole or medical treatment furlough based upon available medical information. In considering an inmate offender for medical parole or medical treatment furlough, the committee may require that additional medical evidence be produced or that additional medical examinations be conducted. The committee on parole shall determine the risk to public safety and shall grant medical parole or medical treatment furlough only after determining that the inmate offender does not pose a threat to public safety.

EF. The parole term of an inmate offender released on medical parole or medical treatment furlough shall be for the remainder of the

~~inmate's offender's~~ sentence, without diminution of sentence for good behavior. Supervision of the ~~parolee offender~~ shall consist of periodic medical evaluations at intervals to be determined by the committee at the time of release.

FG. If it is discovered through the supervision of the medical ~~parolee or medical treatment furlougee~~ that his condition has improved such that he would not then be eligible for medical parole or medical treatment furlough under the provisions of this Subpart, the committee may order that the ~~person offender~~ be returned to the custody of the Department of Public Safety and Corrections to await a hearing to determine whether his ~~parole or medical treatment furlough~~ shall be revoked. Any ~~person offender~~ whose medical parole or medical treatment furlough is revoked due to an improvement in his condition shall resume serving the balance of his sentence with credit given for the duration of the ~~medical parole or medical treatment furlough~~. If the ~~person's offender's~~ medical parole or medical treatment furlough is revoked due to an improvement in his condition, and he would be otherwise eligible for parole, he may then be considered for parole under the provisions of R.S. 15:574.4. Medical parole and medical treatment furlough may also be revoked for violation of any condition of the parole as established by the committee on parole.

GH. The committee on parole shall promulgate such rules as are necessary to effectuate this Subpart, including rules relative to the conduct of medical parole and medical treatment furlough hearings, and the conditions of medical parole and medical treatment furlough release.

"A.(1) The rights provided to victims of sexual assault contained in this Section attach whether a victim seeks the assistance of either a law enforcement official or a healthcare provider. A victim of sexual assault retains all the rights of these provisions regardless of whether the victim receives a forensic medical examination or whether a sexual assault collection kit is administered.

(2) Notwithstanding any other provision of law to the contrary, nothing in this Section shall be construed to negate or impair any provision of law relative to the mandatory reporting of crimes against children under the age of eighteen years or to negate or impair the investigation or prosecution of any crime against children under the age of eighteen.

B. A victim of sexual assault has the right to be notified of and to request the presence of a sexual assault advocate during the administration of a forensic medical examination or a scheduled interview by a law enforcement official if a sexual assault advocate is reasonably available. Nothing in this Section shall be construed to prohibit the conducting of a forensic medical examination or an interview by a law enforcement official in the absence of a sexual assault advocate.

C.(1) The district attorney, prior to trial, shall make reasonable efforts to interview the victim or designated family member to determine the facts of the case and whether the victim or the family is requesting restitution.

(2) All law enforcement and judicial agencies shall provide a private setting for conducting all interviews of a victim of sexual assault. "Private setting" shall mean an enclosed room from which the occupants are not visible or otherwise identifiable and whose conversations cannot be heard from outside the room. Only those persons directly and immediately related to the interviewing of the victim, specifically the victim, a social worker, psychologist, or other professional, a victim advocate designated by the sheriff's office or

a representative from a not-for-profit victim service organization including but not limited to rape crisis centers, sexual assault centers, domestic violence advocacy groups, and alcohol abuse or substance abuse groups providing emotional support to the victim, shall be present unless the victim requests the exclusion of such person from the interview, and when appropriate, the parent or parents of the victim.

(3) The victim of sexual assault and the victim's family may refuse any requests for interviews with the attorney for the defendant or any employee or agent working for the attorney for the defendant. If the victim of sexual assault is a minor, the parent or guardian of the victim may refuse to permit the minor to be interviewed by the attorney for the defendant or any employee or agent working for the attorney for the defendant. Before any victim of sexual assault may be subpoenaed to testify on behalf of a defendant at any pretrial hearing, the defendant shall show good cause at a contradictory hearing with the district attorney why the subpoena should be issued. Willful disregard of the rights of victims and witnesses as provided in this Paragraph may be punishable as contempt of court.

D. The failure to comply with the provisions of this Section shall not affect the admissibility of any evidence in a civil or criminal proceeding, nor shall any sentence, plea, conviction, or other final disposition be invalidated due to the failure to comply with the provisions of this Section. Nothing in this Section shall be construed as creating a cause of action by or on behalf of any person for an award of costs or attorney fees, for the appointment of counsel for a victim, or for any cause of action for compensation or damages against the state of Louisiana, a political subdivision, a public agency, or a court, or any officer, employee, or agent thereof. Nothing in this Section precludes filing for a writ of mandamus as provided in the Code of Civil Procedure to compel the performance of a ministerial duty required by law.

Section 2. R.S. 15:260 is hereby amended and reenacted to read as follows:

§260. Production of certain records of a victim under age eighteen; conditions

A. If the defendant is charged with a violation of R.S. 14:93 or any provision of Subpart C of Part II, Subpart B of Part IV, or Subpart A(1) or A(4) of Part V of Chapter 1 of Title 14 of the Louisiana Revised Statutes of 1950, and the victim was under the age of eighteen at the time of the offense, R.S. 14:93.2.3, or sex offense or human trafficking-related offense as defined in or enumerated in R.S. 46:1844(W), a subpoena or court order compelling the production of medical, psychological, school, or other records pertaining to the victim shall not be issued upon request of the defendant unless the subpoena or court order identifies the records sought with particularity and is reasonably limited as to subject matter, and the court finds, after a contradictory hearing with the state, that the requested records are likely to be relevant and admissible at trial and are not sought for the purpose of harassing the victim.

B. Any records obtained by the defendant or his attorney without full compliance with the provisions of this Section shall be inadmissible in any criminal proceeding.

C. The district attorney shall provide written notice to the victim, or counsel for the victim if applicable, of the contradictory hearing required by the provisions of this Section.

"CHAPTER 2-E. LOUISIANA SALES AND USE TAX COMMISSION FOR REMOTE SELLERS

§339. Louisiana Sales and Use Tax Commission for Remote Sellers

A. The Louisiana Sales and Use Tax Commission for Remote Sellers, hereinafter referred to as "commission", is created and established within the Department of Revenue for the administration and collection of the sales and use tax imposed by the state and political subdivisions with respect to remote sales. The commission shall:

(1) Promote, to the extent feasible and in accordance with law, uniformity and simplicity in sales and use tax compliance in Louisiana, while reserving to political subdivisions their authority to impose and collect sales and use taxes as provided in Article VI, Section 29 of the Constitution of Louisiana and other laws.

(2) With respect to any federal law as may be enacted by the United States Congress authorizing states to require remote sellers,

except those remote sellers who qualify for the small seller exceptions as may be provided by federal law, to serve as the single entity in Louisiana to require remote sellers and their designated agents to collect from customers and remit to the commission sales and use taxes on remote sales sourced to Louisiana on the uniform Louisiana state and local sales and use tax base established by Louisiana law.

(a) Provide the minimum tax administration, collection, and payment requirements required by federal law with respect to the collection and remittance of sales and use tax imposed on remote sales.

(b) Establish a fiscal agent solely for the purpose of remote seller remittances.

B. As used in this Chapter, unless the context clearly indicates otherwise, the following terms shall be defined as follows:

(1) "Commission" means the Louisiana Sales and Use Tax Commission for Remote Sellers.

(2) "Executive director" means the executive director of the commission. The executive director of the Louisiana Uniform Local Sales Tax Board shall serve ex-officio as executive director of the commission unless otherwise directed by the commission.

(3) "Federal law" shall mean any federal law as may be enacted by the United States Congress authorizing states to require remote sellers, except those remote sellers who meet the small seller exceptions of federal law, to collect and remit sales and use taxes on remote sales sourced to Louisiana.

(4) "Local taxing authority" and "local" means those parishes, municipalities, special tax districts, political subdivisions, parish governing bodies, and school boards who are authorized under the provisions of the Constitution of Louisiana, the Louisiana Revised Statutes of 1950 and jurisprudence to levy and collect local sales and use taxes.

(5) The term "non-remote sale" means a sale that is not a remote sale.

(6) The term "non-remote seller" means a seller that is not a remote seller.

(7) The term "person" shall have the meaning as defined by federal law for purposes of remote sales but shall retain the meaning as provided in R.S. 47:301(8) for all other purposes in state and local sales and use tax law.

(8) "Sales and use taxes" and "taxes" shall mean the sales and use taxes levied by the state of Louisiana under the provisions of Title 47 of the Louisiana Revised Statutes of 1950 and the sales and use taxes levied by local taxing authorities in Louisiana under the provisions of the Constitution of Louisiana, statutory laws authorizing the imposition of such taxes, and local sales and use tax ordinances.

§340. Louisiana Sales and Use Tax Commission for Remote Sellers; Members; Powers

A. The duties of the commission shall be exercised and discharged under the supervision and direction of a commission with voting power and a non-voting executive director, all of whom shall be appointed and shall serve as provided in this Section:

B. The commission shall be comprised of eight voting commissioners as follows:

(1) The secretary of the Department of Revenue.

(2) Three employees or other officials of the Department of Revenue as appointed by the secretary.

(3) The members of the Louisiana Uniform Local Sales Tax Board appointed as provided in R.S. 47:337.102(B)(1)(e) through (h). In the absence of such a member, the chairman of the Louisiana Uniform Local Sales Tax Board may appoint a designee to attend commission meetings and vote on their behalf. A person eligible to serve as a designee shall be a permanent member of the board.

C. The commission shall elect its own chairman, vice chairman, and such other officers as its rules may direct.

D.(1) The commission shall meet as often and at such locations as directed by the chairman, who shall provide timely notice to the public as to the time and location of each meeting. A majority of the commission membership shall constitute a quorum for the transaction of business and no action shall be taken by the commission unless approved by a majority vote of the members present.

(2) The domicile of the commission shall be East Baton Rouge Parish. The commission may meet and conduct commission business at other locations within the state of Louisiana as it may from time to time determine, after timely notice to those persons who may be affected by the change in location.

E.(1) The commission shall select and employ an executive director who shall serve at the pleasure of the commission. The executive director, under and subject to the direct supervision and control of the commission, shall direct the day-to-day administration and enforcement of all laws, rules, policies, and regulations which it is the duty of the commission to administer and enforce. The executive director shall receive compensation and benefits as may be determined and fixed by the commission. The executive director may employ professional and administrative staff and set their rate of compensation and benefits, plus necessary expenses incurred in performing their duties, as may be approved by the commission. The commission may enter into a joint services agreement with any other agency, board, or political subdivision concerning the performance of its functions.

(2) The commission shall monthly remit monies, less any refunds and amounts retained for expenses as defined in Paragraph (3) of this Subsection, to the appropriate taxing jurisdiction by electronic funds to the designated bank account of that jurisdiction on or before the tenth business day of the month following the month of collection. Records of gross collections, refunds, and amounts retained for expenses shall be made accessible to the respective jurisdiction on a monthly basis.

(3) The commission and its operations shall be funded by an amount equal to actual expenses incurred which amount shall not exceed one percent of the total amount of state and local sales and use tax collected on remote sales by the commission. Subject to the limitations provided in this Paragraph, this amount shall be retained by the commission on a monthly basis from current collections of state and local sales tax on remote sales as collected by the commission prior to monthly distribution to the state and local collectors. The commission shall have no authority to retain these monies unless and until a federal law authorizing states to require remote sellers and their agents to collect state and local sales and use taxes on their sales in each state has been enacted and becomes effective.

F. The commission shall develop rules and procedures in accordance with the Administrative Procedure Act with respect to implementation of the provisions of this Chapter.

G. The commission shall have the power, duty, and authority:

(1) To serve as the single entity within the state of Louisiana responsible for all state and local sales and use tax administration, return processing, and audits for remote sales sourced to Louisiana.

(2) To serve as the central, single agency to which remote sellers shall make state and local sales and use tax remittances.

(3) To assign and direct a single audit of remote sellers for the state and all local taxing authorities.

(4) To serve as the single state of Louisiana agency to represent both state and local taxing authorities in taking appropriate action to enable Louisiana to participate in programs designed to allow Louisiana to more efficiently enforce and collect state and local sales and use taxes on sales made by remote sellers.

(5) To conduct administrative hearings as requested by aggrieved remote sellers, administer oaths, and make adjustments to assessments when justified by the facts and the law, and render decisions following such hearings.

(6) To require remote sellers to register with the commission.

(7) To provide to the single tax collector for each parish an annual report of revenues collected and distributed for the previous calendar year, which report shall be provided on or before June first of each year.

(8) To enter into agreements to waive or suspend prescription with remote sellers as to state and local taxes.

(9) With the consent of the affected local taxing authority, to issue notices of intent to assess, notices of assessments, enforce collection of local sales and use taxes by distraint and sale, and institute summary proceedings or ordinary proceedings for collection of local taxes.

(10) To sue and be sued.

H. Nothing in this Chapter shall be construed to:

(1) Authorize or require any expenditure unless and until a federal law authorizing states to require remote sellers and their agents to collect state and local sales and use taxes on their sales in each state has been enacted and becomes effective.

(2) Limit the right of local taxing authorities to levy and collect sales and use taxes as provided in the Constitution of Louisiana, statutory law, and jurisprudence.

(3) Authorize the commission to exercise any right or perform any function presently exercised by local sales and use tax authorities under present law.

(4) Create, repeal, or amend any local tax exclusions or exemptions.

(5) Authorize the commission to grant local tax amnesty.

(6) Authorize the commission to promulgate rules, regulations, issue private letter rulings or give to dealers or taxpayers other advice that is inconsistent with the Constitution of Louisiana, statutory law, or controlling jurisprudence.

(7) Require local taxing authorities to make refunds, give tax credit, waive penalties, or waive audit costs.

(8) Repeal or amend any provisions of any local tax ordinances.

(9) Extend to any local taxes any state exclusions, exemptions, credits, rebates, or other tax relief provisions that do not presently apply to local taxes.

(10) Repeal or amend any provision of the Uniform Local Sales Tax Code, R.S. 47:337.1, et seq.

(11) Make the state of Louisiana a member of the Streamlined Sales and Use Tax Agreement.

(12) Authorize the commission to serve as a central state collection agency for local sales and use taxes.

(13) Limit any statutory and ordinal provisions in place as of the effective date of this Act that require dealers and taxpayers, with respect to non-remote sales, to pay and remit directly to the single sales and use collector in each parish the sales and use taxes due to each local taxing authority within each parish.

(14) Limit or amend any provision of R.S. 47:1508 and 1508.1.

I. The Louisiana State Law Institute is hereby authorized and requested to review all statutes which contain phrases being changed by this Chapter and in all locations it deems appropriate change the references, particularly those that apply to the levy and collection of state and local sales and use taxes.
