A. Pursuant to R.S. 48:250.4, the department may exercise so much of the police powers of the state as shall be necessary to maintain the peace and accomplish the orderly handling of authority, subject to the provisions of this Section. The department’s exercise of these powers shall extend to any state-owned toll facility. The department may delegate the exercise of these powers to any private entity acting on its behalf in the operation of a toll facility.

B. Terms as defined in R.S. 32:1 shall retain such definitions, except as specifically defined in this Subsection. As used in this Section, unless the context indicates otherwise, the following terms have the following meanings:

SENATE COMMITTEE AMENDMENTS

Amendments proposed by Senate Committee on Transportation, Highways and Public Works to Reengrossed House Bill No. 567 by Representative Larvadain
C. No motor vehicle shall be driven and no motor vehicle or trailer shall be towed through any state-owned toll collection facility without payment of the proper toll. If the proper toll is not paid, as evidenced by video or electronic recording, the registered owner of such vehicle or trailer shall be liable to make prompt payment to the department of the proper toll and an administrative fee of twenty-five dollars to recover the cost of collecting the toll.

D. The registered owner is prima facie responsible for the payment of the toll, administrative fees, and late charges that the department may assess pursuant to this Section. It is not a defense to liability for payment under this Section that a registered owner was not operating the motor vehicle or trailer at the time of the failure to pay the toll, except that the registered owner shall not be liable under this Section when the registered owner makes a report to a law enforcement officer or agency that the motor vehicle or trailer was stolen before the failure to pay a toll occurs or within forty-eight hours after the registered owner becomes aware of the theft.

E. The department shall adopt policies and procedures for the collection of tolls, administrative fees, and late charges authorized pursuant to this Section, in accordance with the Administrative Procedure Act.

F.(1) Failure to comply with the requirements of this Section shall result in the following late charges or sanctions, or both, against the registered owner:

(a) The department may assess the following penalties for late payment, for failure to pay, or for otherwise failing to respond, or both, against the registered owner:

(i) A registered owner who fails to pay the administrative fees specified in a violation notice and who fails to appeal a violation notice as provided by this Section within thirty calendar days after the date of issuance of the violation notice shall incur a late charge of five dollars. A registered owner who fails to respond to a violation notice within sixty calendar days after the date of issuance of the violation notice shall not be able to renew his driver’s license until all matters regarding the alleged toll violation are disposed of in accordance with law. The violation clerk shall notify the registered owner by first-class mail of this delinquency and consequences thereof.

(ii) A registered owner who fails to respond to a violation notice as provided by this Section within sixty calendar days after the date of issuance of the violation notice shall be prohibited from renewing his driver’s license. The violation clerk shall notify the Louisiana office of motor vehicles of this delinquency. Upon notice from a violation clerk the department, the office of motor vehicles shall place the matter on record and shall not renew the driver’s license of the registered owner or the registration of the vehicle until after notice from the violation clerk that the matters have been disposed of in accordance with law.

(b) After a notice to the office of motor vehicles provided in Item (a)(i) of this Paragraph, the department shall not be required to send violation notices of delinquency to registered owners with ten or more toll violations. However, the tolls and administrative fees of such registered owner shall continue to accumulate.

(2) The department may pursue such civil and criminal action as it deems appropriate to collect the tolls and administrative fees assessed in the violation notice as well as subsequent late charges assessed in accordance with this Section.

G.(1) A photograph, microphotograph, videotape, or other recorded image produced by a photo-monitoring device is admissible in a proceeding to collect a toll or other charge of the department, to collect criminal penalties imposed, or to impose criminal liability for a failure to pay the toll or charge.

(2) An original or facsimile of a certificate, sworn to or affirmed by an agent of the department that states that a failure to pay has occurred and states that it is based upon a personal inspection of a photograph, microphotograph, videotape, or other recorded image produced by a photo-monitoring system, as defined in this Section, is prima facie evidence of the facts contained in the certificate.

(3) Notwithstanding any other provision of law to the contrary, a photograph, microphotograph, videotape, or other recorded image prepared for enforcement of tolls is for the exclusive use of the department in the discharge of its duties under this Section.

H. The department shall from time to time designate one or more violation clerks and agents to perform the functions specified in this Section at the pleasure of the department and for such limited or indefinite period as the department deems desirable. The department shall supervise and coordinate the processing of violation notices in accordance with this Section. The department may hire or designate such personnel and organize such sections as the department may consider necessary to carry out the provisions of this Section.

I. The department may contract with an operating entity to carry out the provisions of this Section.

Section 2. This Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If vetoed by the governor and subsequently approved by the legislature, this Act shall become effective on the day following such approval.
