The monies in the fund shall be invested by the state treasurer in the same manner as monies in the state general fund, and interest earned on the investment of monies shall be credited to the fund.~~

(2)(a) Appropriations from the Deepwater Horizon Economic Damages Collection Fund shall be limited to an annual amount not to exceed the estimated aggregate annual earnings from interest earned on the investment of monies in the fund and shall be made to the Board of Regents to be equitably allocated to public postsecondary education institutions in the state in accordance with Article VIII, Section 5(D)(4) of the Constitution of Louisiana. Notwithstanding any provision of law to the contrary, and as a grant of power in addition to any other general or special law, the State Bond Commission, hereinafter referred to as the "commission", on behalf of the Department of Transportation and Development, hereinafter referred to as the "department", may issue bonds, notes, certificates, or other evidences of indebtedness, hereinafter collectively referred to as the "bonds", for the purpose of funding the projects listed in R.S. 39:91(B)(5), and may pledge the economic proceeds received by the state from the Deepwater Horizon oil spill litigation for the payment of the principal and interest of such bonds. The commission is further authorized, in its discretion, to pledge all or any part of any gift, grant, donation, or other sum of money, aid, or assistance from the United States, the state, or any political subdivision thereof, unless otherwise restricted by the terms thereof, all or any part of the proceeds of bonds, credit agreements, instruments, or any other money of the commission, from whatever source derived, for the further securing of the payment of the principal and interest of the bonds. Any bonds issued pursuant to the provisions hereof shall constitute revenue bonds under Article VII, Section 6 of the Constitution of Louisiana, and such bonds shall be payable solely from an irrevocable pledge and dedication of the economic damage proceeds received by the state from the Deepwater Horizon oil spill damages beginning in Fiscal Year 2022 and through Fiscal Year 2034, or other fees, rates, rentals, charges, grants, or other receipts or income derived by or in connection with an undertaking, facility, project, or any combination thereof, without a

pledge of the full faith and credit of the state, hereinafter referred to as "revenues".

* * *

E. In accordance with the provisions of Article VII, Section 9(A)(6) of the Constitution of Louisiana, there is hereby established a special fund for the purpose of providing for the securitization of any bonds which may be issued pursuant to the provisions of this Section which shall include requirements for reserves and credit enhancement devices, all as may be provided in any resolution, trust agreement, indenture, or other instrument pursuant to which such bonds were issued. The fund shall be administered by a trustee as designated by the State Bond Commission. The source of monies for the fund shall be the economic damage proceeds received by the state from the Deepwater Horizon oil spill damages beginning in Fiscal Year 2021 and through Fiscal Year 2034, pursuant to R.S. 39:91. All revenues received from the economic damages as are necessary to provide for all requirements associated with the bonds as provided in this Section shall be classified and set aside in a separately identifiable fund or account outside of the state treasury but maintained by the state treasury and such revenues shall be assigned and pledged to the trustee under the documents pursuant to which the bonds were issued for the benefit of the holders of the bonds. Only after satisfaction of all requirements of this Section shall any monies received by the state from the Deepwater Horizon economic damages be available for any other purposes, and specifically for the purposes provided for in this Section.

F. Bonds issued under the provisions of this Section shall not be deemed to constitute a pledge of the full faith and credit of the state or of any governmental unit thereof. All such bonds shall contain a statement on their face substantially to the effect that neither the full faith and credit of the state nor the full faith and credit of any public entity of the state are pledged to the payment of the principal of or the interest on such bonds. The issuance of bonds under the provisions of this Section shall not directly, indirectly, or contingently obligate the state or any governmental unit of the state to levy any taxes whatsoever therefor or to make any appropriation for their payment.

G. Bonds shall be authorized by a resolution of the commission and shall be of such series, bear such date or dates, mature at such time or times, bear interest at such rate or rates, including but not limited to fixed, variable, or zero rates, be payable at such time or times, be in such denominations, be in such form, carry such registration and exchangeability privilege, be payable in such medium of payment and at such place or places, be subject to such terms of redemption prior to maturity at such price or prices as determined by the commission, and be entitled to such priority on the revenues as such resolution or resolutions may provide.

H. Bonds shall be sold by the commission at public sale by competitive bid or negotiated private sale and at such price as the commission may determine to be in the best interest of the commission and the state.

I. Except for the provisions of R.S. 39:1367, the issuance of the bonds shall not be subject to any limitations, requirements, or conditions contained in any other law, and bonds may be issued without obtaining the consent of any political subdivision of the state or of any agency, commission, or instrumentality of the state. The bonds shall be issued in compliance with the provisions of this Section.

J. For a period of thirty days after the date of publication of a notice of intent to issue bonds in the official journal of the commission authorizing the issuance of bonds hereunder, any person in interest shall have the right to contest the legality of the resolution and the legality of the bond issue for any cause, but after that time no one shall have any cause or right of action to contest the legality of the resolution or of the bonds or the security therefor for any cause whatsoever. If no suit, action, or proceeding is begun contesting the validity of the resolution, the bonds or the security therefor within the

thirty days herein prescribed, the authority to issue the bonds and to provide for the payment thereof, the legality thereof, and all of the provisions of the resolution authorizing the issuance of the bonds shall be conclusively presumed to be legal and shall be incontestable. Any notice of intent so published shall set forth in reasonable detail the purpose of the bonds, the security therefor, and the parameters of amount, duration, and interest rates. Any suit to determine the validity of bonds issued by the commission shall be brought only in accordance with the provisions of R.S. 13:5121 et seq.

K. All bonds issued pursuant to this Section shall have all the qualities of negotiable instruments under the commercial laws of the state.

L. Any pledge of the revenues or other monies made by the commission shall be valid and binding from the time when the pledge is made. The revenues or monies so pledged and thereafter received by the commission shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the commission irrespective of whether such parties have notice thereof. Any trust agreement or other instrument by which a pledge is created need not be filed or recorded except in the official records of the commission.

M. Neither the members of the commission nor any person executing the bonds shall be personally liable for the bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

N. Bonds of the commission, their transfer, and the income thereof shall at all times be exempt from all taxation by the state or any political subdivision thereof, and may or may not be exempt for federal income tax purposes. The bonds issued pursuant to this Section shall be and are hereby declared to be legal and authorized investments for banks, savings banks, trust companies, building and loan associations, insurance companies, fiduciaries, trustees, and guardians. Such bonds shall be eligible to secure the deposit of any and all public funds of the state and any and all public funds of municipalities, parishes, school districts, or other political corporations or subdivisions of the state. Such bonds shall be lawful and sufficient security for said deposits to the extent of their value. When any bonds shall have been issued pursuant to Subsection A of this Section, neither the legislature, the state, nor any other entity may act to impair any obligation or contract for the benefit of the holders of the bonds or discontinue or decrease the fees, taxes, rates, or other revenues pledged to the payment of the bonds authorized hereunder or permit to be discontinued or decreased said revenues in anticipation of the collection of which such bonds have been issued, or in any way make any change in the allocation and dedication of any fee, rate, or other revenues which would diminish the amount of the revenues to be received by the commission, until all such bonds shall have been retired as to principal and interest, and there is hereby vested in the holders from time to time of such bonds a contract right in the provisions of this Section.

O. The commission may provide by resolution for the issuance of refunding bonds pursuant to R.S. 39:1444 et seq.

P. The holders of any bonds issued hereunder shall have such rights and remedies as may be provided in the resolution or trust agreement authorizing the issuance of the bonds, including but not by way of limitation, appointment of a trustee for the bondholders, and any other available civil action to compel compliance with the terms and provisions of the bonds and the resolution or trust agreement.

Q. Subject to the agreements with the holders of bonds, all proceeds of bonds and all revenues pledged under a resolution or trust agreement authorizing or securing such bonds shall be deposited and held in trust in a fund or funds separate and apart from all other funds of the state treasury or of the department. Subject to the

resolution or trust agreement, the trustee shall hold the same for the benefit of the holders of the bonds for the application and disposition thereof solely to the respective uses and purposes provided in such resolution or trust agreement.

R. The commission is authorized to employ all professionals it deems necessary in the issuance of the bonds.

S. The commission is authorized to enter into any and all agreements or contracts, execute any and all instruments, and do and perform any and all acts necessary, convenient, or desirable for the issuance of the bonds or to carry out any power expressly given in this Section.

T. Any other provision of law to the contrary notwithstanding, any revenues deposited in the bond fund that are pledged to the repayment of any bonds issued in accordance with this Section may be collected and disbursed in accordance with the documents pursuant to which such bonds were issued."

"§304. Gaming Control Board; duties and powers

A. The board shall perform the duties and functions as authorized by the provisions of this Chapter and the regulatory authority with respect to the regulation of fantasy sports contests as provided by R.S. 27:15.

B. The board shall adopt, pursuant to the Administrative Procedure Act, all rules necessary to implement, administer, and regulate fantasy sports contests as authorized in this Chapter. The rules shall include but not be limited to the following:

(1) The issuance of any license, contract, or permit authorized by this Chapter, subject to regulation of the board.

(2) The methods of and forms and procedures for making an application for a license, contract, or permit to be considered by the board.

(3) The methods of and forms for providing to the board information concerning a person's family, habits, character, associates, criminal record, business activities, and financial affairs.

(4) Enforcement of this Chapter, gaming laws administered by the board, and rules of the board, including imposition and collection of fines, penalties, and other sanctions which may be imposed by the board against an operator or any other licensee or permittee of the board.

(5) A procedure requiring the withholding of winnings of persons who have outstanding child support arrearages or owing child support overpayments. Winnings shall only include payments for which the operator licensed under this Chapter is required to file form W2-G, or a substantially equivalent form, with the United States Internal Revenue Service.

(a) The board may require that the agency reporting current child support arrearages or overpayments provide information relating to such arrearages or overpayments in a manner, format, or

record approved by the board that gives the operator licensed under the Chapter real-time or immediate electronic database access to the information. If the information relating to such arrearages or overpayments by the agency reporting current child support arrearages or overpayments is not available through real-time or immediate electronic database access, the operator shall not be responsible for withholding cash gaming winnings in accordance with the provisions of this Subparagraph.

(b) The board or operator licensed under this Chapter, including any of its officers, employees, attorneys, accountants, or other agents, shall not be civilly or criminally liable to any person, including any player, for any disclosure of information made in accordance with this Section, for encumbering or surrendering assets in response to information provided by the Department of Children and Family Services, or for any claims for damages arising from withholding or failing to withhold any winnings, based upon information provided to it.

(c) If any operator licensed under this Chapter determines that the winner is a player who has outstanding child support arrearages or owes child support overpayments, the operator licensed under this Chapter shall deduct the child support arrearage or child support overpayment from the payment of the winnings. The deducted amount shall be forwarded to the Department of Children and Family Services within seven days and the operator licensed under this Chapter shall pay the remainder to the player who has outstanding child support arrearages or owes child support overpayments. If the remainder is equal to or less than zero, the player who has an outstanding child support arrearage or child support overpayment shall not receive a payment.

(d) Any operator licensed under this Chapter may deduct an administrative fee from each payment of winnings, of players who have outstanding child support arrearages or owe child support overpayments per singular or periodic payment, not to exceed thirty-five dollars.

(e) The board shall also require that the operator licensed under this Chapter to adopt procedures designed to prevent employees from willfully failing to withhold payments of winnings from players who have outstanding child support arrearages or child support overpayments, based upon the information provided by the Department of Children and Family Services that allows the operator to identify such persons.

(f) Not later than July 1, 2019, the board shall institute rulemaking procedures as necessary to implement the provisions of this Paragraph.

C.(1) Subject to the provisions of Article VII, Section 2.1 of the Constitution of Louisiana, and in accordance with the Administrative Procedure Act, the board may assess and provide for the imposition and collection of such fees as may be necessary to defray administrative costs associated with the application for and the investigation, granting, or renewal of licenses and permits.

(2) Any fine or other monetary penalty collected by the board or its staff shall be remitted to state treasury for deposit into the state general fund.

D. Upon direction of the board, the office of state police and the attorney general shall submit proposed rules to the board for consideration, modification, and promulgation as provided in this Section.

E. The board shall not adopt rules and regulations pertaining to campaign finance and contributions which are more restrictive than the provisions of law found generally in Chapter 11 of Title 18 of the Louisiana Revised Statutes of 1950, and specifically in R.S. 18:1505.2(L).

On page 3, delete line 18, and insert the following:

"(1) Be a person domiciled in Louisiana or a domestic business entity with a certificate of existence from the Secretary of State and in good standing or a foreign corporation with a certificate of authority to transact business in this state from the Secretary of State and in good standing."

AMENDMENT NO. 10

On page 9, between lines 4 and 5, insert the following:

"§310. Reporting of gaming proceeds

An operator shall periodically report the following information to the division, which is not confidential and shall be available for public inspection:

(1) The operator's gross fantasy sports contest revenues.

(2) The operator's net revenue.

(3) Quarterly and annual financial statements regarding their operations in Louisiana submitted to division that present historical data, including annual financial statements that have been audited by an independent certified public accountant as required by R.S. 27:308(D).

§311. Child support orders

A. The legislature further finds and declares it to be the public policy of the state that parents should provide financial support to their minor children who cannot care for themselves. Thus, intervention by the state, through the enforcement of child support orders and the collection of child support, is in the best interest of its citizens and is necessary when the parents fail to meet their support obligations. Since children are adversely affected when parents who have outstanding support obligations divert their financial support to gaming, a parent's winnings from money diverted from a child's support should be applied to the parent's outstanding support obligations. The legislature further finds and declares that this policy is consistent with the public policy of protecting the general welfare of the state's people.

B. In accordance with this finding, the Department of Children and Family Services shall report to the joint committees on Civil Law and Procedure and Judiciary A, no later than fifteen days following the commencement of the regular legislative session each year, on the interception and seizure of gaming winnings for the payment of child support and overpayments owed to the department. This report shall be a public record and shall include but not be limited to the total dollar amount of winnings intercepted pursuant to this Section and the dollar amount of each intercepted.

§312. Civil penalties; adoption of schedule of penalties

A.(1) All civil penalties for violations of this Chapter or any rule of the board governing this Chapter shall be adopted as a schedule of penalties.

(2) The Louisiana Gaming Control Board shall adopt as a rule the schedule of penalties provided for by this Subsection. All rules shall be adopted pursuant to the provisions of the Administrative Procedure Act.

B.(1) The board or division, as may be applicable, shall review the penalty schedule provided for in Subsection A of this Section to determine whether a penalty provided for in the penalty schedule is

appropriate and applicable to a particular violation and, if the issuance of a civil penalty is warranted, may impose the applicable appropriate penalty.

(2) Any hearing officer of the board shall review the penalty schedule provided for in Subsection A of this Section to determine whether a penalty provided for in the penalty schedule and issued by the board or division, as may be applicable, is appropriate and applicable to a particular violation.

C. A civil penalty shall not exceed fifty thousand dollars for each violation of any provision of this Chapter or rule of the board.

D.(1) For the purposes of this Chapter violations shall be determined as follows:

(a) An operator shall be provided notice of the charged violation and may admit the violation and accept the penalty or may deny the violation and demand a hearing be held, pursuant to R.S. 27:25, to make a determination regarding the charge.

(b) For the purposes of determining whether a second or subsequent violation has occurred, each violation of the same rule or statutory provision shall have occurred on a separate occasion, by the same operator, and only violations that have occurred within a one-year period, regardless of when they were charged, admitted, or found to have occurred, shall be considered.

(2) For operators having more than one license issued pursuant to the provisions of this Chapter, civil penalties as provided in this Subsection shall only apply to the license incurring the violation.

E.(1) Payment of the civil penalty shall be a requirement for the retention of any permit or license held by the entity which violated any such provisions.

(2)(a) Failure to remit civil penalties shall result in the shutdown of the platform of the operator who refused to remit the civil penalty. The provisions of this Subparagraph shall apply only in those instances where no administrative hearing has been timely requested.

(b) Upon payment of the penalty, the platform may be reactivated.

F. If the operator contests the imposition of the civil penalty, the penalty shall be imposed only after an adjudicatory hearing is conducted pursuant to R.S. 27:25 and a basis for imposition of the penalty is determined to exist.

§313. Revocation or suspension of a license; civil penalty

A. The board or division, as may be applicable, shall initiate an administrative action and may revoke or suspend the license or permit of any person or the approval of any device issued pursuant to the provisions of this Chapter for any of the following:

(1) The failure to meet the requirements of suitability as defined in this Chapter or in any rules adopted by the board.

(2) The failure to meet the requirements for the issuance of a license as provided for in this Chapter or in any rules adopted by the board.

(3) Repeated violations of any of the provisions of this Chapter or any rule of the board governing this Chapter. "Repeated violations" shall mean three violations of the same rule or statutory provision which have occurred on separate occasions by the same operator within a one-year period. The date of a violation shall be considered to be the date the citation for that violation is issued.

B. For all other violations not listed in Subsection A of this Section, the board or division, as may be applicable, may issue a civil penalty pursuant to the provisions of R.S. 27:313.

C. In addition to or in lieu of the revocation or suspension of a license issued pursuant to the provisions of this Chapter, the board or division, as may be applicable, may impose a civil penalty not to exceed fifty thousand dollars for each violation of any provision of this Chapter or any rule of the board governing this Chapter.

D. In lieu of revocation or suspension of a license, the licensee may enter into a consent agreement or settlement to pay a penalty not to exceed fifty thousand dollars. No consent agreement or settlement shall exceed fifty thousand dollars.

E. No suspension imposed pursuant to the provisions of this Chapter shall exceed a period of thirty days.

§314. Investigations and violations

A. The division shall conduct such investigations, hearings, and inquiries as it deems necessary to fulfill its responsibilities under the provisions of this Chapter. A license may be suspended prior to a hearing upon a written finding of danger to public health and welfare.

B. As a condition of receiving a license under the provisions of this Chapter, each operator agrees that the division and its agents and employees shall have unrestricted access and the right to inspect any premises under the control of the operator in which any activity relating to the provisions of this Chapter is conducted.

§315. Limitation on active accounts; obligations to participants

An operator shall:

(1) Limit each authorized player to one active and continuously used account.

(2) Publish and facilitate parental control procedures to allow parents or guardians to exclude minors from access to any contest or platform. The procedures shall include a toll-free number to call for help in establishing such parental controls.

(3) Make clear conspicuous statements that are not inaccurate or misleading concerning the chances of winning and the number of winners when referencing the chances or likelihood of winning.

(4) Permit any authorized player to permanently close an account registered to the player, on any and all platforms supported by the operator or registrant, at any time and for any reason.

(5) Identify all highly experienced players in any contest by a symbol attached to the players' username, or by other visible means, on all platforms supported by the operator or registrant.

(6) Disclose the number of entries a single authorized player may submit to each contest.

(7) Disclose the maximum number of total entries allowed for each contest.

(8) Implement measures to protect the privacy and online security of authorized players, their account, and their personal financial information.

§316. Charging for inactive accounts

A. An operator shall not charge players for inactive accounts.

B. An operator shall only charge players for entry fees placed or contests entered. No player shall be charged for failure to enter on
