A. Due to the occurrence of a gubernatorially declared emergency or disaster occurring before or during a regularly scheduled or special election, and in order to ensure maximum citizen participation in the electoral process and provide a safe and orderly procedure for persons seeking to exercise their right to vote, minimize to whatever degree possible a person's exposure to danger during declared states of emergency, and protect the integrity of the electoral process, it is hereby declared to be necessary to provide a procedure for the development of an emergency plan for the holding of elections impaired as a result of such an emergency or disaster.

B.(1)(a) After the issuance of an executive order by the governor declaring a state of emergency or disaster and if the secretary of state determines that such emergency or disaster impairs an election that may otherwise be held except for technical, mechanical, or logistical problems with respect to the relocation or consolidation of polling places within the parish, potential shortages of commissioners and absentee commissioners, or shortages of voting machines, or other impairments that affect participation in or the integrity of the electoral process, the secretary of state shall certify such facts and the reasons therefor to the governor, the Senate Committee on Senate and Governmental Affairs, and the House Committee on House and Governmental Affairs.

(b)(i) The House Committee on House and Governmental Affairs and the Senate Committee on Senate and Governmental Affairs shall meet and function as a joint committee for all purposes pursuant to this Section.
