K.

\* \* \*

(2) Notwithstanding any law to the contrary, beginning January 1, 2022, every local sales tax collector shall require electronic filing of returns and remittance of local sales and use tax by all taxpayers,

unless the taxpayer receives an electronic filing and remittance waiver from the department due to hardship.

(3) Failure of a taxpayer to comply with the electronic filing requirements set forth in this Subsection shall result in the collector for the taxing authority assessing a penalty of one hundred dollars or five percent of the tax owed on the return, whichever is greater; however, the total penalty per return shall not exceed five thousand dollars. The local collector for the taxing authority may waive remittance and payment of the penalty in whole or in part if the local collector determines that the failure to comply by the taxpayer was reasonable and was attributable, not to any negligence on the part of the taxpayer, but for a cause which is submitted to the local collector in writing.

\* \* \*

§337.103. Electronic registration; sharing of registration information with local collectors; creation of technological solution to enable state and local filing and remittance

A. Purpose. The intent of this Section is to provide for the creation and utilization of a technology solution to provide a taxpayer or dealer with a single point of electronic registration with the Department of Revenue and each local sales tax collector as required by law. The taxpayer's or dealer's unique Louisiana sales and use tax identification number and related information shall be simultaneously made available to the department, the Louisiana Sales and Use Tax Commission for Remote Sellers, and to all applicable local sales tax collectors to ease the administrative compliance of filing state and local returns and remitting state and local sales and use taxes.

B. Definitions. For purposes of this Section, the following words shall have the following meanings unless the context clearly indicates otherwise:

(1) "Department" means the Department of Revenue.

(2) "Local sales tax collector" means the constitutionally-designated single sales and use tax collector for each parish in the state which levies and imposes a local sales and use tax.

(3) "Registration number" means a unique identifying number assigned by the Department to each taxpayer or dealer, or affiliate upon the registration with or remittance of state sales or use tax to the department.

(4) "Secretary" means the secretary of the Department of Revenue.

(5) "Technological solution" means an information technology system or program in the possession of or purchased by the Department of Revenue necessary to perform the functions described in this Section.

C. Administration.

(1) There is hereby established a central registration system for taxpayers to be created, modified, managed and maintained by the department.

(2) The department shall create, modify, manage and maintain a technological solution to enable taxpayers or dealers to electronically register, file, and remit sales tax, and for coordination with local sales tax collectors for electronic registration, filing, and remittance of local sales tax. Each taxpayer or dealer, or affiliate shall be assigned a unique registration number by the technological solution.

(3) A taxpayer's or dealer's registration information and data obtained by the technological solution shall be simultaneously provided to the department, the Louisiana Sales and Use Tax

Commission for Remote Sellers, and to all applicable local sales tax collectors electronically in a data or image file transferred in a machine-readable format.

(4) The technological solution shall, to the extent permitted by appropriation and available funding, create a standalone, independent application or program which shall be made available to taxpayers or dealers for obtaining a unique registration number for use by the department and local sales tax collectors.

(5) In providing taxpayers or dealers with a unique registration number, the technological solution shall obtain pertinent information from the taxpayer or dealer, including but not limited to any parish or parishes in which the taxpayer or dealer maintains a business location and any parish or parishes in the state as identified by the taxpayer or dealer in which it engages in transactions.

(6) The technological solution shall enable multiple return and remittance portals to enable taxpayers and dealers a single electronic application or program to file sales and use tax returns required by law and to remit all corresponding sales and use taxes to the appropriate taxing bodies. The technological solution shall not enable the filing of returns by remote sellers or collect state and local sales taxes on remote sales.

(7) The technological solution shall provide or convert the state and local registration numbers of existing taxpayers or dealers into one unique registration number for use by both the department and local sales tax collectors.

(8) The technological solution shall permit all taxpayers or dealers to edit, add or delete account information with automatic updates of taxpayer or dealer information simultaneously furnished to the department, the Louisiana Sales and Use Tax Commission for Remote Sellers, and applicable local sales tax collectors.

(9) The technological solution shall grant local sales tax collectors access to information and data maintained by the department to validate a taxpayer's or dealer's registration number and related information pertaining to the filing and remittance of sales and use taxes.

(10) The technological solution shall, to the extent possible, integrate, correspond, or both, with existing information technology systems currently utilized by local sales tax collectors.

(11) For all taxpayers or dealers who or which have registered with the department for the filing and remittance of state sales tax prior to January 1, 2021, the department shall assign the taxpayer, dealer, or affiliate a unique registration number, and the department shall share the unique registration number and identifying information with all local sales tax collectors in which the taxpayer or dealer is located or known to conduct business. The department shall provide any and all local sales tax collectors with the information and documents described herein no later than January 1, 2022. Compliance with this Paragraph shall not be deemed to be a violation of R.S. 47:1508 or 1508.1.

(12) For all taxpayers or dealers who or which register through the technological solution for the filing and remittance of sales and use tax on or after January 1, 2021, the taxpayer, dealer, or affiliate, shall be assigned a unique registration number, and the department, the Louisiana Sales and Use Tax Commission for Remote Sellers, and all applicable local sales tax collectors shall have access to the unique registration number and identifying information. Compliance with this Paragraph shall not be deemed to be a violation of R.S. 47:1508 or 1508.1.

(13) For all taxpayers or dealers who or which have registered with one or more local sales tax collectors for the filing and remittance of local sales tax prior to January 1, 2021, the technological solution shall reconcile the conversion of the
