\* \* \*

(17) "Historical horse racing" means a form of horse racing that creates pari-mutuel pools from wagers placed on horse races previously run at a pari-mutuel facility licensed in the United States; concluded with official results; and concluded without scratches, disqualifications, or dead-heat finishes through machines permitted and authorized by the commission.

(18) "Pari-mutuel wagering", "pari-mutuel system of wagering", or "mutuel wagering" means any method of wagering previously or hereafter approved by the commission in which one or more patrons wager on a horse race or races, whether live, simulcast, or previously run. Wagers shall be placed in one or more wagering pools, and wagers on different races or sets of races may be pooled together. Patrons may establish odds or payouts, and winning patrons share in amounts wagered including any carryover amounts, plus any amounts provided by an association less any deductions required, as approved by the commission and permitted by law. Pools may be paid out incrementally over time as approved by the commission.

(19) "Races" or "racing" means live racing conducted by a licensee in this state, unless otherwise specifically described.

\* \* \*

§148. Rules, regulations and conditions

The commission shall make rules, regulations and conditions for the holding, conducting and operating of all race tracks, race meets and races held in this state, historical horse racing, and for the conduct of the racing industry of this state under this Part. Special rules, regulations and conditions may be promulgated separately for thoroughbred racing and for quarter horse racing. The commission shall make rules governing, permitting, and regulating the wagering on horse races under the form of mutuel wagering by patrons, known as pari-mutuel wagering, whether on live or historical horse races. Only those persons receiving a license from the commission may conduct this type of wagering, and shall restrict this form of wagering to a space within the race meeting grounds or an offtrack wagering facility. All other forms of wagering on the result of horse races are illegal, ~~and~~

~~all wagering on horse races outside the enclosure where horse races have been licensed by the commission is illegal.~~

(3) Each primary licensee or licensed offtrack wagering facility shall not place more than fifty historical horse racing machines into service at any given time.

(4) In addition to the requirements of Paragraph (3) of this Subsection, an application from an eligible facility to conduct historical horse racing in Orleans Parish may be approved by the commission only after the Amended and Renegotiated Casino Operating Contract entered into pursuant to R.S. 27:201 et seq, on October 30, 1998, as amended, is amended to provide that the conducting of historical horse racing at the eligible facility in Orleans Parish shall not constitute an exclusivity violation or prohibited land-based gaming as defined in such contract and such amendment to the contract is approved by the Joint Legislative Committee on the Budget as required by the provisions of Section B of Act No. 1 of the 2001 First Extraordinary Session.

L. No historical horse racing may be conducted via a machine or website or mobile application beyond the property of the pari-mutuel facility or offtrack wagering facility. The commission shall promulgate rules relative to the enforcement of this restriction.

\* \* \*

D.(1) For locations on which an offtrack wagering facility has not been completely constructed, if application for licensing was made on or before July 1, 2021, the prohibited distance shall be one mile from any property on the National Register of Historic Places, any public playground, residential property, or a building used primarily as a church, synagogue, public library, or school.
