**OFFICE OF GOVERNOR

Honorable Clay J. Schexnayder
Speaker of the House
Louisiana House of Representatives

RE: Veto of House Bill 20 of the 2021 Regular Session

Dear Speaker Schexnayder:

Please be advised that I have vetoed House Bill 20 of the 2021 Regular Session. I am attaching to this letter the veto message sent for the same bill from the 2020 2nd Extraordinary Session.

In addition to the reasons discussed in my veto of this same bill last year, there are a few additional reasons for my veto this year. First, this version is more expansive than the bill last year which provided for limitations only on elections conducted during an emergency. The bill this year, inexplicably, expands this to all elections. Secondly, like the bill last year, this legislation would prevent all forms of donations, no matter how good the intentions, to local elections officials. Thus, while in committee there was overheated rhetoric about the motivations of social media companies trying to influence elections, this bill would also likely prevent the local VFW from providing donuts for election workers on election day. Lastly, and ironically, the Legislative appropriations bill, House Bill 695, passed without a single vote in opposition, provides that the "legislature is hereby expressly authorized to receive and expend any monies received as a result of any grants or donations or other forms of assistance as provided for in Article VII, Section 9(A)(1) of the Louisiana Constitution of 1974." Thus, the Legislature is reserving for itself the ability to receive and spend grants and donations while attempting to outlaw the same for other public bodies. The author made no effort to eliminate this provision from House Bill 695 nor to explain why the Legislature is somehow immune from the

improper influence of grants and donations that he fears would end up corrupting local election officials.

Sincerely,

JOHN BEL EDWARDS
Governor

Lies over, under the rules.
