~~regardless of the method of accounting regularly employed by the taxpayer:~~

~~(a) The federal income tax deduction may be claimed for the same taxable year in which the federal income tax sought to be deducted is incurred, provided the taxpayer files a federal income tax return for such taxable year or is included with affiliates in a consolidated federal income tax return for such taxable year.~~

~~(b)(i)(a)~~ Taxable year for adjustments to taxpayer's federal income tax return. Except as otherwise provided in this ~~Subparagraph Paragraph~~, adjustments affecting federal taxable income which are made to the taxpayer's income tax return subsequent to filing, whether made because of a deficiency proposed by the government, a court order, an amended return, or other appropriate instrument or act, showing an overpayment or a deficiency shall be taken into account for purposes of this Part in the period for which the return was filed, unless the prescriptive period for the collection of tax or the refund or credit of overpayments, as the case may be, has expired. If the applicable prescriptive period has expired, the additional tax paid by the taxpayer in the case of an underpayment or the refund or credit received by the taxpayer in the case of an overpayment shall be for the taxable year such tax was paid, such refund was received, or such credit was allowed, as the case may be.

That portion, if any, of such additional federal tax payment which would be disallowed as a deduction under either R.S. 47:287.81 or R.S. 47:287.83 shall be excluded from such adjustment. Refunds or credits of federal overpayments, including refunds or credits created by the carryback of a federal net operating loss, shall be taken into account by increasing Louisiana net income or decreasing the Louisiana net loss, as the case may be. That portion, if any, of the federal refund or credit of an overpayment which has not previously been charged against or deducted from Louisiana net income shall be excluded from such adjustment.

~~(d)(3)~~ Adjustments made to the Louisiana return. Adjustments to a return filed pursuant to this Part, whether initiated by the secretary or the taxpayer, shall be taken into account in the taxable year for which the return was filed in accordance with rules, regulations, or forms prescribed by the secretary.

~~(e)(4)~~ If a deduction is claimed and allowed in any period, the same deduction cannot again be claimed in a subsequent period in which it otherwise would be properly deductible, unless the taxpayer, prior to the running of prescription with respect to the first period, shall have amended his return for that period so as to eliminate the deduction and shall have paid any additional tax which may be due as a result thereof, together with any interest and penalties that may be applicable thereto.

On page 5, between lines 5 and 6, insert the following:

\* \* \*

§6033. Apprenticeship tax credits

A. Purpose. The legislature hereby determines that a major impediment to the economy of the state is the lack of an adequate number of people in the workforce with sufficient on the job training to find and keep good paying jobs already present and those that would be here if more of the workforce was of higher skill level or experience. Further, the legislature finds that a tax credit that provides an incentive for businesses to employ apprentices will provide a step toward creating and maintaining such a workforce.

B. Definitions.

(1) "Department" means the Louisiana Department of Revenue.

(2) "Eligible apprentice" means a person who:

(a) has entered into a written apprentice agreement with an employer or an association of employers pursuant to a registered apprenticeship program as provided for in Chapter 4 of Title 23 of the Louisiana Revised Statutes of 1950 (R.S. 23:381 et seq.); or

(b) is enrolled in a training program accredited by the National Center for Construction Education and Research which has no less than four levels of training and no less than five hundred hours of instruction;

C. Administration of the Credit. For taxable periods beginning after December 31, 2021, there shall be allowed a non-refundable tax credit against Louisiana income tax or corporation franchise tax for the employment of eligible apprentices as provided for in this Section.

(1) For each eligible apprentice employed for a minimum of two hundred fifty hours during the taxable period, an employer shall be eligible for a credit equal to one dollar and twenty-five cents per hour of employment for a maximum credit of one thousand two hundred fifty dollars per eligible apprentice.

(2) The total amount of tax credits granted by the department in any calendar year shall not exceed two million five hundred thousand dollars. D. Application of the Credit.

If the tax credit allowed pursuant to this Section exceeds the amount of such taxes due from a taxpayer, then the taxpayer as a credit may carry any unused credit forward to be applied against subsequent tax liability for a period not to exceed five years. However, in no event shall the amount of the tax credit applied by a taxpayer in a taxable period exceed the amount of such taxes due from the taxpayer for that taxable period.

(2) All entities taxed as corporations for Louisiana income tax purposes shall claim any credit on their corporation income and franchise tax return.

F. The department may promulgate rules in accordance with the Administrative Procedure Act to establish the policies and criteria regarding program eligibility and any other matter necessary to carry out the intent and purposes of this Section.
