"CHAPTER 6-F. SECURE VOTING SYSTEMS FOR ELECTIONS

§1300.44. Election to choose voting system for elections

A.(1) For the purposes of protecting and preserving the voters' confidence in the integrity of the voting system, at the statewide election occurring on March 26, 2022, a proposition shall appear on the ballot to determine which voting system will be operated in the future to secure election results.

(2) The ballot for the election shall state as follows:

"PROPOSITION TO CHOOSE VOTING SYSTEM FOR ELECTIONS.

Which of the following voting systems will be purchased by the state of Louisiana to tabulate votes in future elections?

(1) A secure paper ballot that uses security features to prevent duplicate counting of the same vote, except in cases of recounts, and shall be the official vote for the election and shall be tabulated either by hand or with an optical ballot scanner that is not capable of modifying or altering the information entered by the voter for the election. (YES to No. 1); or

(2) A computer voting system that uses computer hardware, software, or firmware to the degree necessary to configure and prepare ballots for an election and that allows the state of Louisiana to verify and validate election security policies and procedures and that requires the state of Louisiana to have control of the administrative passwords, encryptions keys, source codes, parity keys, or any other administrative tool necessary to audit the voting system and those administrative tools shall be in the sole possession of the state of Louisiana and the computer voting machine and will generate a secure paper ballot that shall be the official vote of an election. (YES to No. 2).

B. The voters shall vote for either paragraph (1) or (2) of the proposition. A vote for the proposition (1) shall mean that the voter chooses to conduct elections using a secure paper ballot that uses security features to prevent duplicate counting of the same vote, except in cases of recounts, and shall be the official vote for the election and shall be tabulated either by hand or with an optical ballot scanner that is not capable of modifying or altering the information entered by the voter for the election with the vote for paragraph (1) being a "YES to No. 1" vote. A vote for paragraph (2) shall mean that a computer voting system is to be used and that the state of Louisiana to have control of the administrative passwords, encryptions keys, source codes, parity keys, or any other administrative tool necessary to audit the voting system and those administrative tools shall be in the sole possession of the state of Louisiana and the computer voting machine and will generate a secure paper ballot that shall be the official vote of an election with the vote for paragraph (2) being a "YES to No. 2" vote.

C.(1) Whichever of the two options that is chosen by the qualified electors in the state shall determine the method of secure voting which will be used for future elections.

(2) The legislature shall, by law, provide the specific requirements to implement the provisions of this Section and shall determine the dates that such voting machines will be purchased and that such appropriation shall be made for the purchase.

(3) Subject to the Procurement Code, the legislature by law shall set forth the requirements for purchasing the equipment and supplies to be used for future elections and shall appropriate the funds for the option selected by the voter.

D. The secretary of state shall prepare the ballot for the election as set forth in the provisions of this Section.

E. Except as otherwise provided by this Section, the election shall be conducted in accordance with the Louisiana Election Code.

*                   *                   *

AMENDMENT NO. 7
On page 8, between lines 10 and 11, insert the following:

"§1366.1. Voting system security

Once the voters, via the proposition on election held on March 26, 2022, determine the type of voting system that will be purchased by the state for future elections, the secretary of state shall issue requests for proposal for the selection and purchase of a voting system in accordance with that proposition and, subject to the Procurement Code and subject to appropriation by the legislature."
AMENDMENT NO. 8
On page 8, after line 11, insert the following:

"(d) Any computer voting system that is purchased by the state of Louisiana shall have the ability for the state of Louisiana, through the secretary of state, to control its own voting system computer hardware, software, or firmware to the degree necessary for the secretary of state to configure and prepare for an election and which allows the secretary of state to verify and validate that the security policies and procedures as required by this Section are being carried out.

(1) In order for the state of Louisiana to secure and audit its voting systems, any voting system which uses computer hardware, software, or firmware that is purchased by the state of Louisiana pursuant to this Title shall provide that such purchase include any administrative passwords, encryptions keys, source codes, parity keys, or any other administrative tools necessary to audit the voting system and any such tools shall be in the sole possession of the state of Louisiana, through the secretary of state."
(2) A computer voting system that uses computer hardware, software, or firmware to the degree necessary to configure and prepare ballots for an election and that allows the state of Louisiana to verify and validate election security policies and procedures and that requires the state of Louisiana to have control of the administrative passwords, encryptions keys, source codes, parity keys, or any other administrative tool necessary to audit the voting system and those administrative tools shall be in the sole possession of the state of Louisiana and the computer voting machine and will generate a secure paper ballot that shall be the official vote of an election. (YES to No. 2)

B. The voters shall vote for either paragraph (1) or (2) of the proposition. A vote for the proposition (1) shall mean that the voter chooses to conduct elections using a secure paper ballot that uses security features to prevent duplicate counting of the same vote, except in cases of recounts, and shall be the official vote for the election and shall be tabulated either by hand or with an optical ballot scanner that is not capable of modifying or altering the information entered by the voter for the election with the vote for paragraph (1) being a "YES to No. 1" vote. A vote for paragraph (2) shall mean that a computer voting system is to be used and that the state of Louisiana shall have control of the administrative passwords, encryptions keys, source codes, parity keys, or any other administrative tool necessary to audit the voting system and those administrative tools shall be in the sole possession of the state of Louisiana and the computer voting machine and will generate a secure paper ballot that shall be the official vote of an election with the vote for paragraph (2) being a "YES to No. 2" vote.

C.(1) Whichever of the two options that is chosen by the qualified electors in the state shall determine the method of secure voting which will be used for future elections.

(2) The legislature shall, by law, provide the specific requirements to implement the provisions of this Section and shall determine the dates that such voting machines will be purchased and that such appropriation shall be made for the purchase.

(3) Subject to the Procurement Code, the legislature by law shall set forth the requirements for purchasing the equipment and supplies to be used for future elections and shall appropriate the funds for the option selected by the voter.

D. The secretary of state shall prepare the ballot for the election as set forth in the provisions of this Section.

E. Except as otherwise provided by this Section, the election shall be conducted in accordance with the Louisiana Election Code:
