On page 1, between lines 7 and 8, insert the following:
"§143. Definitions
Unless the context indicates otherwise, the following terms shall have the meaning ascribed to them below:

(7) "Meeting or race meeting" means the whole consecutive period (Sundays excluded) for which a license to conduct live races has been granted to any one association by the commission.

(17) "Historical horse racing" means a form of horse racing that creates pari-mutuel pools from wagers placed on horse races previously run at a pari-mutuel facility licensed in the United States; concluded with official results; and concluded without scratches, disqualifications, or dead-heat finishes through machines permitted and authorized by the commission.

(18) "Pari-mutuel wagering", "pari-mutuel system of wagering", or "mutuel wagering" means any method of wagering previously or hereafter approved by the commission in which one or more patrons wager on a horse race or races, whether live, simulcast, or previously run. Wagers shall be placed in one or more wagering pools, and wagers on different races or sets of races may be pooled together. Patrons may establish odds or payouts, and winning patrons share in amounts wagered in a carryover amounts, plus any amounts provided by an association less any deductions required, as approved by the commission and permitted by law. Pools may be paid out incrementally over time as approved by the commission.

(19) "Races" or "racing" means live racing conducted by a licensee in this state, unless otherwise specifically described.

§148. Rules, regulations and conditions
The commission shall make rules, regulations and conditions for the holding, conducting and operating of all race tracks, race meets and races held in this state, historical horse racing, and for the conduct of the racing industry of this state under this Part. Special rules, regulations and conditions may be promulgated separately for thoroughbred racing and for quarter horse racing. The rules, regulations and conditions shall be consistent with this Part and provide for and deal with all matters necessary to the holding of such race meetings and pari-mutuel wagering.

§149. Wagering; rules and regulations
The commission may prescribe rules and regulations under which shall be conducted all horse races upon the results of which there is wagering. The commission shall, as may be necessary, prescribe additional special rules and regulations applicable separately to thoroughbreds and quarter horses. The commission shall make rules governing, permitting, and regulating the waging on horse races under the form of mutuel wagering by patrons, known as pari-mutuel wagering, whether on live or historical horse races. Only those persons receiving a license from the commission may conduct this type of wagering, and shall restrict this form of wagering to a space within the race meeting grounds or an offtrack wagering facility. All other forms of wagering on the result of horse races are illegal, and all wagering on horse races outside the enclosure where horse races have been licensed by the commission is illegal.

AMENDMENT NO. 8
On page 2, between lines 4 and 5, insert the following:
"§143. Definitions
Unless the context indicates otherwise, the following terms shall have the meaning ascribed to them below:

(8) "Net Commission" means the commission retained by a licensee on pari-mutuel wagers on historical horse races, less breakage, settlements, and taxes applicable to such wagers.

§213. Offtrack wagering facilities; establishment
In addition to the rights granted in R.S. 4:149.2, any association licensed by the commission may accept and transmit wagers as provided in this Chapter conduct pari-mutuel wagering and engage in all necessary activities to establish appropriate offtrack wagering facilities to accomplish this purpose. Such activities shall include, but not be limited to:

(1) Live simulcast of races from the host track.

(2) Historical horse racing on the premises of offtrack wagering facilities via dedicated machines or personal mobile devices.

(3) Construction or leasing of offtrack wagering facilities.

(4) (4) Sale of goods and beverages.

(4) (5) Advertising and promotion.

(4) (6) All other related activities.

§214. Offtrack wagering facilities; licensing; criteria; management; appeal of license suspension or revocation; limitation on facilities with historical horse racing
A. License approval shall be subject to the criteria established by R.S. 4:159. Licensor shall be subject to the following conditions:

(4) Not more than two offtrack wagering facilities may be licensed in any parish, except for Orleans and Jefferson. For the purposes of this Paragraph, a pari-mutuel facility as that term is defined in R.S. 4:211 shall not be included in the count of licensed offtrack wagering facilities for the parish in which it is located.

K. (1) No primary licensee may operate more than five offtrack wagering facilities in which historical horse racing is permitted.

(2) Notwithstanding Paragraph (1) of this Subsection, any primary licensee that operates more than five offtrack wagering facilities as of July 1, 2021, may conduct historical horse racing at all of its licensed facilities. However, historical horse racing shall not be authorized at any future offtrack wagering facility for that primary licensee if the primary licensee is operating more than five offtrack
wagering facilities. If any of the primary licensee's existing licensed offtrack wagering facilities on July 1, 2021 cease to be a licensed offtrack wagering facility for reasons other than force majeure, the number of offtrack wagering facilities allowed to conduct historical horse racing for that primary licensee shall be reduced by the number of its offtrack wagering facilities that cease to be licensed until such time as the primary licensee is reduced to no more than five licensed offtrack wagering facilities allowed to conduct historical horse racing.

(3) Each primary licensee or licensed offtrack wagering facility shall not place more than fifty historical horse racing machines into service at any given time.

(4) In addition to the requirements of Paragraph (3) of this Subsection, an application from an eligible facility to conduct historical horse racing in Orleans Parish may be approved by the commission only after the Amended and Renegotiated Casino Operating Contract entered into pursuant to R.S. 27:201 et seq, on October 30, 1998, as amended, is approved to provide that the conducting of historical horse racing at the eligible facility in Orleans Parish shall not constitute an exclusivity violation or prohibited land-based gaming as defined in such contract and such amendment to the contract is approved by the Joint Legislative Committee on the Budget as required by the provisions of Section B of Act No. 1 of the 2001 First Extraordinary Session.

L. No historical horse racing may be conducted via a machine or website or mobile application beyond the property of the parimutuel facility or offtrack wagering facility. The commission shall promulgate rules relative to the enforcement of this restriction.

§216. Commissions on wagers

E. Notwithstanding, and in lieu of, any other provisions of law, historical horse races and wagers thereon shall be subject to the following provisions:

(1) Commissions on wagers on historical horse races made at offtrack wagering facilities shall not exceed twelve percent of all wagers and shall be set by the licensee and approved by the commission. The offtrack wagering facility where the wager is made may either retain the breakage on such wagers or include the breakage in the applicable historical horse racing pari-mutuel pool or pools. Commissions shall be deducted and retained by the licensee of the offtrack wagering facility where the wager is made.

(2) The licensee shall disburse twenty percent of the net commission to supplement horsemens' purses in accordance with the provisions of R.S. 4:271(E).

(3) R.S. 4:149.3, 149.5, 161, 161.1, 161.2, 162, 163.1, 165, 166, 166 1 through 166.7, 167, 177, 183, 218, and 220 shall not apply to historical racing or the licensee with respect to historical racing.

§217. Purse supplements; designation and distribution

E. Notwithstanding, and in lieu of, any other provision of law, the monies designated for purses under the provisions of R.S. 4:216(E) from wagers placed at offtrack wagering facilities on historical horse races shall be distributed in the same manner as set forth in R.S. 27:438(B)(2) as in effect at the time of any such distribution, and if R.S. 27:438(B)(2)(a) becomes effective, any such quarter horse purse supplements shall be included in the calculation of the applicable maximum of one million dollars per state fiscal year and the settlement amount as set forth therein.

§228. Offtrack wagering facility locations; prohibited distances; prohibited structures

A. No license shall be granted to any offtrack wagering facility located, at the time application is made for a license to operate offtrack wagering facilities, within one mile from any property on the National Register of Historic Places, any public playground, any residential property, or a building used primarily as a church, synagogue, public library, or school. The measurement of the distance shall be a straight line from the nearest point of the proposed offtrack wagering facility to the nearest point of the property on the National Register of Historic Places, the public playground, residential property, or a building used primarily as a church, synagogue, public library, or school.

B. After an application is filed with the commission, the subsequent construction, erection, development, or movement of a property identified in Subsection A of this Section which causes the location of a offtrack wagering facility to be within the prohibited distance shall not be cause for denial of an initial or renewal application or revocation of a license.

C. The prohibition in Subsection A of this Section shall not apply to the location of an offtrack wagering facility which applied for a license or was issued a license on or before July 1, 2021, or which applied for or was issued a valid building permit on or before July 1, 2021, and subsequently issued a license. Such location shall be eligible for an offtrack wagering facility license without reference to the prohibition in Subsection A of this Section unless after having obtained a license, an offtrack wagering facility has not been licensed at that location for thirty-six consecutive months and application for licensing is not made within that thirty-six-month period.

D. For locations on which an offtrack wagering facility has not been completely constructed, if application for licensing was made on or before July 1, 2021, the prohibited distance shall be one mile from any property on the National Register of Historic Places, any public playground, residential property, or a building used primarily as a church, synagogue, public library, or school.

(1) The measurement of the distances shall be a straight line from the nearest point of the offtrack wagering facility to the nearest point of the property on the National Register of Historic Places, the public playground, residential property, or a building used primarily as a church, synagogue, public library, or school.

(2) The measurement of the distances shall be a straight line from the nearest point of the offtrack wagering facility to the nearest point of the property on the National Register of Historic Places, the public playground, residential property, or a building used primarily as a church, synagogue, public library, or school.

E. If a parish or municipality does not have a zoning ordinance which designates certain property within its jurisdiction as residential property, the governing authority of the parish or municipality shall have the authority to designate certain areas of its jurisdiction as residential districts for the purpose of this Section.

F. If application for licensing is made after July 1, 2021, the prohibition in Subsection A of this Section shall apply.

G. "Residential property" shall mean any property which is wholly or partly used or intended to be used for living or sleeping by human occupants and which includes one or more rooms, including a bathroom and complete kitchen facilities. Residential property shall include a mobile home or manufactured housing, if it has been in its present location for at least sixty days. Residential property shall not include any hotel or motel.
