(1) "Bank" has the same meaning as provided for in R.S. 6:2.

(2) "Custody services" means the role of a bank in the safekeeping and custody of various customer assets.

(3) "Self-assessment" means either of the following:

(a) A bank's voluntary, self-initiated internal assessment, audit, or review of the bank and its practices, policies, and procedures.

(3) In providing such services in a fiduciary capacity, a bank is required to possess trust powers as provided for in R.S. 6:731. Acting in a fiduciary capacity, the bank shall require customers to transfer their virtual currencies to the control of the bank by creating new private keys to be held by the bank. In its fiduciary capacity, a bank shall have authority to manage virtual currency assets as it would any other type of asset held in such capacity."
