§710. Employment of retirees on or before June 30, 2020

* * *

F.(1)(a) A retiree who is employed in a critical shortage position shall not receive a benefit during the period of his reemployment as provided in this Section unless and until the Board of Elementary and Secondary Education and the board of trustees of this system have received certification that a critical shortage exists. Prior to making such certification for any full-time critical shortage position, the employer shall cause to be advertised in the official journal of the employer's governing authority, on two separate occasions, notice that a shortage of certified teachers exists and the positions sought to be filled. Additionally, the employer shall cause notice to be posted at the career development office, or similar such entity, of every post-secondary institution within a one hundred twenty-mile radius of the employer's governing authority. If a certified applicant who is not a retiree applies for an advertised position, such person shall be hired before any certified retiree is employed, unless fewer than three applicants have applied for the position each of whom is certified in the critical shortage area being filled.

(b) Notwithstanding any provision of Subparagraph (a) of this Paragraph, for any position sought to be filled before July 1, 2025, by employment of a retiree, the advertising and posting requirements of Subparagraph (a) of this Paragraph shall be considered fulfilled if the employer complies with all of the following:

(a) He has been retired for at least twelve months.

(b) He did not retire based on a disability.

(c) He has at least thirty years of creditable service in the retirement system.

(d) He has attained at least age sixty-two.

(2) If a teacher who is not a retiree of this retirement system and who is certified in one or more areas listed in Paragraph (2) of this Subsection applies for a position in the area of certification filled at the time by a retiree reemployed under the provisions of this Subsection, that teacher shall be employed to replace the retiree beginning at the start of the next grading period.

(3) The provisions of this Subsection shall not apply to anyone reemployed by contract or corporate contract.

(4) The provisions of this Subsection shall terminate July 1, 2025.

H. Notwithstanding any other provision of law to the contrary, the provisions of this Section shall be applicable only to a retiree who returns to active service with an employer covered by the provisions of this Chapter retired on or before June 30, 2020, and any retiree covered under Subparagraph (A)(6)(a) of this Section.

A. Except as otherwise provided in this Section, any retiree who returns to active service with an employer covered by the provisions of this Chapter and who retired on or after July 1, 2020, shall for that period of employment choose one of the following irrevocable options, which shall be made in writing and filed with the appropriate officer of the employer:

* * *

F. Any retiree who retired on or before June 30, 2020, and who returned to active service under the provisions of this Section may elect to be reemployed pursuant to the provisions of R.S. 11:710. Upon termination, the institution shall provide the same notice. In addition, the employing institution shall also report to the retirement system within forty-five days after June thirtieth of each year, the names of all persons being paid by the employing institution and all persons having received a benefit pursuant to the provisions of this Section, along with such individuals' social security numbers, their positions, their designations as part-time or full-time, and the amount of their earnings during the previous fiscal year ending on June thirtieth of the reporting year.
