RE: Veto of Senate Bill 36 of the 2022 Regular Session

Dear President Cortez:

Please be advised that I have vetoed Senate Bill 36 of the Regular Session of 2022.

Senate Bill 36 expands the crime of simple assault and provides for increased penalties when an assault is committed upon a store employee during the commission of a theft. This bill would inappropriately take away the discretion of a court in sentencing by requiring a mandatory minimum sentence of fifteen days, without the benefit of suspension, for anyone convicted under this provision. Furthermore, it is unnecessary as the court has discretion to impose a sentence of up to ninety days under current law.

In addition, under current law, prosecutors have the opportunity to charge further offenses depending on the circumstances. Pursuant to La. R.S. 14:65, simple robbery is the taking of anything of value belonging to another from the person of another or that is in the immediate control of another, by use of force or intimidation, but not armed with a dangerous weapon. Whoever commits simple robbery shall be fined not more than three thousand dollars, imprisoned with or without hard labor for not more than seven years, or both. In the event a store clerk is placed in reasonable apprehension of receiving a battery during the commission of a theft, simple robbery is a possible charge.

Under La. R.S. 14:64.1, first degree robbery is the taking of anything of value belonging to another from the person of another, or that is in the immediate control of another, by use of force or intimidation, when the offender leads the victim to reasonably believe he is armed with a dangerous weapon. When the offender leads the store employee to believe the offender is armed with a dangerous weapon, the prosecutor may charge the offender with first degree robbery. Furthermore, this crime carries a sentence of imprisonment for not less than three years and for not more than forty years, without benefit of parole, probation or suspension of the sentence.

In situations where the offender is armed with a dangerous weapon during the commission of a theft and the store keeper is placed in fear of receiving a battery during the commission of the theft, it is an armed robbery. Under La. R.S. 14:64, whoever commits an armed robbery shall be imprisoned at hard labor for not less than ten years and for not more than ninety-nine years, without benefit of parole, probation, or suspension of sentence.

Each of the aforementioned crimes require the prosecutor to prove the offender engaged in the taking of anything of value belonging to another from the person of another, or that is in the immediate control of another, by use of force or intimidation. If the store employee is placed in apprehension of receiving a battery, one must reasonably conclude the offender used "force or intimidation." Furthermore, when two or more offenders engage in the perpetration or attempted perpetration a crime the law of principals may be applied as all persons concerned in the commission of a crime, whether present or absent, and whether they directly commit the act constituting the offense, aid and abet in its commission, or directly or indirectly counsel or procure another to commit the crime are culpable.

Although Senate Bill 36 intends to increase penalties for offenders who intimidate store employees during the commission of a theft, the fact remains that there are numerous other crimes in existing law that prosecutors have the discretion to utilize in making charging decisions. Senate Bill 36 creates an unnecessary expansion of the criminal code and therefore, it has to be vetoed.

Sincerely,

JOHN BEL EDWARDS
Governor

(1)(a) "Abortion" or "induced abortion" means the performance of any act with the intent to terminate a clinically diagnosable pregnancy with knowledge that the termination by those means will, with reasonable likelihood, cause the death of the unborn child by one or more of the following means:

(ii) Using an instrument or external force on a pregnant female.

(7) "Dismembered" or "dismemberment" means the use of a clamp, forceps, curette, suction cannula, or any other surgical tool or instrument with the intent to disarticulate the head or limbs from the body of the unborn child during an abortion, including but not limited

to the common abortion methods known as suction curettage and dilation and evacuation.

(8) "Emergency contraceptive" means a drug, chemical, or product, including but not limited to single-ingredient levonorgestrel or ulipristal, that has been approved by the United States Food and Drug Administration designed or intended to be taken after sexual intercourse but prior to the time when a clinically diagnosable pregnancy can be determined, provided that the emergency contraceptive is sold, prescribed, or administered in accordance with manufacturer's instructions or is prescribed in accordance with the standard of care that generally accepted by the American College of Obstetricians and Gynecologists.

(19) "Medically futile" means that, in reasonable medical judgment as certified by two physicians, the unborn child has a profound and irremediable congenital or chromosomal anomaly that is incompatible with sustaining life after birth.

(20) "Miscarriage" or "stillbirth" means the spontaneous or accidental death of an unborn child, whether the death occurred in the womb or in the process of birth. Death of the unborn child is indicated by the lack of signs of breathing or any other evidence of life, such as beating of the heart, pulsation of the umbilical cord, or definite movement of voluntary muscles.

(21) "Partial birth abortion" means an abortion in which:

(a) The person performing the abortion deliberately and intentionally vaginally delivers a living fetus until, in the case of a head-first presentation, the entire fetal head is outside the body of the mother, or, in the case of breech presentation, any part of the fetal trunk past the navel is outside the body of the mother, for the purpose of performing an overt act that the person knows will kill the partially delivered living fetus.

(26) "Serious health risk to the unborn child's mother" means that in reasonable medical judgment the mother has a condition that so complicates her medical condition that it necessitates the abortion of her pregnancy to avert her death or to avert serious risk of substantial and irreversible physical impairment of a major bodily function, not including psychological or emotional conditions. No such condition may be determined to exist if it is based on a claim or diagnosis that the woman will engage in conduct which she intends to result in her death or in substantial and irreversible physical impairment of a major bodily function.

(27) "Unborn child", "unborn human being", or "fetus" shall have the same meaning as "unborn child" as defined in R.S. 14:2.

(28) "Viable" or "viability" means that stage of fetal development when, in the judgment of the physician based upon the particular facts of the case before the physician, and in light of the most advanced medical technology and information available to the physician, there is a reasonable likelihood of sustained survival of the unborn child outside the body of his mother, with or without artificial support.

(29) "Woman" or "mother" means a female human being, whether or not she has reached the age of majority.

B. ~~A human being is live born, or there is a live birth, whenever there is the complete expulsion or extraction from its mother of a human embryo or fetus, irrespective of the duration of pregnancy, which after such separation, breathes or shows any other evidence of life such as beating of the heart, pulsation of the umbilical cord, or movement of voluntary muscles, whether or not the umbilical cord has been cut or the placenta is attached.~~

C. Whoever commits the crime of human experimentation on an infant born alive shall be imprisoned at hard labor for not less than five nor more than twenty years, or fined not more than ten thousand dollars, or both.

D. Determination of ~~postfertilization~~ post fertilization age.

(1) Except in the case of a medical emergency or when a pregnancy is diagnosed as medically futile, no abortion shall be performed or induced or be attempted to be performed or induced unless the physician performing or inducing it has first made a determination of the probable ~~postfertilization~~ post fertilization age of the unborn child or relied upon such a determination made by another physician. In making such a determination, the physician shall make such inquiries of the woman and perform or cause to be performed such medical examinations and tests as a reasonably prudent physician, knowledgeable about the case and the medical conditions involved, would consider necessary to perform in making an accurate diagnosis with respect to ~~postfertilization~~ post fertilization age.

(2) Failure by any physician to conform to any requirement of this Section constitutes "unprofessional conduct" pursuant to R.S. 37:1261.

E. Abortion of unborn child of twenty or more weeks ~~postfertilization~~ post fertilization age prohibited.

(1) No person shall perform or induce or attempt to perform or induce an abortion upon a woman when it has been determined, by the physician performing or inducing or attempting to perform or induce the abortion or by another physician upon whose determination that physician relies, that the probable ~~postfertilization~~ post fertilization age of the woman's unborn child is twenty or more weeks, unless the pregnancy is diagnosed as medically futile or, in reasonable medical judgment, she has a condition which so complicates her medical condition as to necessitate the abortion of her pregnancy to avert her death or to avert serious risk of substantial and irreversible physical impairment of a major bodily function, not including psychological or emotional conditions. No such greater risk shall be deemed to exist if it is based on a claim or diagnosis that the woman will engage in conduct which she intends to result in her death or in substantial and irreversible physical impairment of a major bodily function.

(2) When an abortion upon a woman whose unborn child has been determined to have a probable ~~postfertilization~~ post fertilization of twenty or more weeks is not prohibited by Paragraph (1) of this Subsection, the physician shall terminate the pregnancy in the manner which, in reasonable medical judgment, provides the best opportunity for the unborn child to survive, unless, in reasonable medical judgment, termination of the pregnancy in that manner would pose a greater risk either of the death of the pregnant woman or of the substantial and irreversible physical impairment of a major bodily function, not including psychological or emotional conditions, of the woman than would other available methods. No such greater risk shall be deemed to exist if it is based on a claim or diagnosis that the woman will engage in conduct which she intends to result in her death or in substantial and irreversible physical impairment of a major bodily function.

B. A parent may make a parental placement to receive special education and related services from a participating school that has demonstrated the capacity to offer such services.

However, a participating school is required to offer only those services that it already provides or such services as necessary to assist students with special needs that it can provide with minor adjustments. A participating school may partner with the local school system to provide special education services.

(2) Information regarding the services a participating school can provide and the services the resident school system can provide to children with special needs who are enrolled in a participating school shall be made available by the department to parents prior to the enrollment process.

D. The department shall determine whether a participating school has a demonstrated capacity to offer special education services. A participating school that desires to offer special education services shall inform the department of the types of student exceptionalities as defined in R.S. 17:1942 that the school is able to serve. The department may authorize the school to provide such services only if the school has existed and provided educational services to students with exceptionalities as defined in R.S. 17:1942, excluding students deemed to be gifted or talented, for at least two years prior to participation in the program, and such provision of services is pursuant to an established program in place at the school that includes instruction by teachers holding appropriate certification in special education or other appropriate education or training as defined by the department and that is in accordance with a student's Individual Education Plan.

§4037.17. Testing

A. A participating school shall ensure that participating students are administered a nationally norm-referenced test or a statewide assessment and that the results of such examinations are provided to parents.

B. The department shall develop a process for the annual administration of assessments and the collection of results for participating students not enrolled full time in a participating school.

§4037.18. Reports
