"Subsection H of this Section. The office, including any private entity or third-party consultant retained or employed pursuant to this Section, shall take all actions reasonably necessary"

AMENDMENT NO. 17

On page 4, between lines 26 and 27, insert the following:

"(3) The requirements of this Section shall terminate under any one of the following conditions, whichever occurs first:

(a) A determination by the office that it is no longer necessary to compile a statewide parish-by-parish broadband map identifying the locations and capability of broadband service in this state.

(b) At midnight on December 31, 2026.

(4) The office may promulgate rules necessary to carry out the provisions of this Section in accordance with the Administrative Procedure Act."

AMENDMENT NO. 18

On page 7, between lines 16 and 17, insert the following:

"§2370.9. Compliance during the agreement

The office shall require that grant recipients offer the proposed advertised minimum download and minimum upload speeds of twenty-five Mbps download and three Mbps upload. Grant recipients that have offered broadband service to at least one thousand consumers for a period of at least five consecutive years shall offer broadband service at prices consistent with offers to consumers in other areas of the state. Any other broadband provider shall ensure that the broadband service is priced to consumers at no more than the cost rate identified in the project application, for the duration of the five-year service agreement. In calculating cost, the recipient may adjust annually, consistent with the annual percentage increase in the Consumer Price Index in the preceding year. At least annually, a grant recipient shall provide to the office evidence consistent with Federal Communications Commission attestation that the grant recipient is making available the proposed advertised speed, or a faster speed, as contained in the grant agreement. For the duration of the agreement, grant recipients shall disclose any changes to data caps. The office may require that grant recipients submit, no more than quarterly, a report for each funded project for the duration of the agreement.

§938.2. Additional Duties of the Department of Economic Development; Manufacturing Development

A. Notwithstanding any other provision of law to the contrary, the Department of Economic Development shall do all of the following regarding manufacturing:

(1)(a) Develop and implement a state strategic plan for attracting manufacturers to the state.

(b) The purpose of the state strategic plan is to design a program for the preparation and distribution of promotional and informational materials citing the key economic benefits of locating manufacturing facilities in the state.

(2) Monitor the implementation of the state strategic plan to attract manufacturers to the state.

(3) Develop a plan to identify areas of land for future manufacturing use.

(4) Identify manufacturing sites that are ready for development.

(5) Develop a plan in conjunction with the office of workforce development and Technical College System for the training of skilled workers to ensure a scalable workforce.

(6) Develop a plan for locating and identifying property for potential workforce housing.

B. The department shall promote the development of the manufacturing industry within this state and may engage in all of the following activities:

(1) Contracting with and directing trade or industry representatives for the purpose of promoting Louisiana as a site for the development of future manufacturing facilities.

(2) Serving as an informational clearinghouse and providing technical assistance to individuals and entities engaged in manufacturing by compiling, producing, publishing, and updating a comprehensive directory on sites, facilities, services, tax incentives, and permitting practices for the state.

(3) Participating in regional, national, and international manufacturing conferences and networking opportunities.

(4) Sponsoring workshops and seminars on topics including but not limited to legal and financial aspects of locating manufacturers in the state.

C. All departments, commissions, boards, agencies, officers, and institutions of this state and all subdivisions thereof shall cooperate with the office in carrying out the purposes of this Section.

D. The department is hereby designated as the applicant, administrative body, and recipient for accepting and administering any and all state, federal, and private funds awarded to and allocated by this state for any purpose covered by this Section.

E. The department shall provide the Legislature of Louisiana with an annual report regarding the provisions of this Section at least thirty days before the convening of the regular legislative session."
