H.(1)(a) A surviving eligible spouse who is receiving a survivor benefit pursuant to Subsection B of this Section, may designate his deceased spouse's child or children with a permanent mental or physical disability, hereafter in this Subsection referred to as a child with a disability, or the deceased member's dependent minor child or children, hereafter in this Subsection referred to as a minor child, to receive a specified amount of benefits payable to the surviving eligible spouse. Prior to any such payment to a minor child or child with a disability, the system's actuary shall certify that the benefit to be paid to the minor child or child with a disability plus the remaining benefit to be paid to the surviving eligible spouse is of equivalent value to the total benefits that would otherwise be payable to the surviving eligible spouse. Any benefit paid to a child with a disability pursuant to Subparagraph (B)(2)(a) of this Section shall be factored to mitigate any reduction of the surviving spouse's benefit that may be related to designating such child as a beneficiary pursuant to this Subsection.

(b) The designation made pursuant to Subparagraph (a) of this Paragraph is irrevocable on and after the date that the first of any benefit payment pursuant to Subparagraph (a) of this Paragraph becomes due.

(c) If a surviving eligible spouse designates a child with a disability to receive a benefit pursuant to this Subsection, the surviving eligible spouse shall furnish the system such medical documentation as required, within the sole discretion of the board of trustees, to determine the existence and medical certainty of any claimed permanent mental or physical disability. The surviving eligible spouse is responsible for furnishing the medical evidence of disability, including all costs thereof. Within the board of trustee's sole discretion, and upon receipt of written consent of the surviving eligible spouse, the cost of any such additional medical processes may be deducted from the benefits payable to the surviving eligible spouse or child or children or all of the foregoing beneficiaries.

(2)(a) If a surviving eligible spouse irrevocably designates a minor child to receive a benefit as set forth in Paragraph (1) of this Subsection, the benefits of a surviving child shall cease upon the child's attaining the age of majority or upon marriage, whichever occurs first. Additionally, an unmarried minor child, who graduates from high school and enrolls, on a full-time basis, in an institute of higher education shall have his benefit continued as long as he remains enrolled on a full-time basis and remains unmarried; however, the benefit payments shall not extend past four additional years nor past the surviving child's twenty-second birthday.

(b) If a surviving eligible spouse irrevocably designates a child with a disability to receive a benefit as set forth in Paragraph (1) of this Subsection, that benefit shall continue unless the disabling condition is no longer medically determined to be permanent.

(3)(a) If a child that has been designated to receive a benefit as set forth in Paragraph (1) of this Subsection predeceases the surviving eligible spouse, the surviving eligible spouse's benefits shall be increased to account for the forgone payment of benefits to such child, less any actuarial reduction related to the period in which the child was alive and subject to receipt of benefits pursuant to the designation.

(b) If the surviving eligible spouse predeceases any designated child, then the benefits payable to the child shall continue for the duration specified in Paragraph (2) of this Subsection.

(c) If the surviving eligible spouse predeceases a designated child, and the child dies prior to receiving benefits for the duration specified in Paragraph (2) of this Subsection, then the benefits payable to such deceased child shall revert to any other surviving designated child on a prorated basis. The benefit payable shall continue until the last surviving child or children are no longer eligible pursuant to the provisions of this Subsection.

(4) Any active contributing member may prefile with the system prior to retirement, on forms prescribed by the system, a notarized statement whereby a surviving eligible spouse consents to legally waive in advance, in whole or in part, any portion of benefits payable to the surviving eligible spouse. The prescribed form shall include a hold harmless clause whereby the system is acknowledged to be an administrator only and not liable for any consequences of relinquished rights or obsolescence of or failure to update any forms prefilled by the member.

(5) If any colorable issue or cause of action arises as it relates to the provisions of this Subsection, the system may place the entire matter in concursus for the interested parties to assert their positions in court. All costs related to such concursus shall be paid by the parties in defense, and no cost shall be allocated to the system.

## STATE OF LOUISIANA Legislative Fiscal Office

Alan M. Boxberger  
Interim Legislative Fiscal Officer

TO: The Honorable Clay Schexnayder, Speaker of the House of Representatives  
Honorable Members of the House of Representatives

FROM: Alan M. Boxberger, Interim Legislative Fiscal Officer  
Evan Brasseaux, Interim Deputy Fiscal Officer

DATE: May 3, 2023

SUBJECT: House Rule 7.19, HB 1 Engrossed

Pursuant to House Rule 7.19, the Legislative Fiscal Office (LFO) is required to submit a report to the House of Representatives, which indicates whether the appropriation bill appropriates one-time money within the Engrossed version of House Bill 1 (HB 1). The LFO is providing this information for HB 1 - Engrossed.

## HR 7.19 One-Time Money List

Pursuant to HR 7.19(C)(2), appropriations from one-time money for ordinary recurring expenses may not exceed the projected growth of the state general fund from the fiscal year for which the appropriation is proposed and the subsequent fiscal year according to the most recent official forecast. The threshold calculation is the difference between the official SGF revenue forecast adopted by the Revenue Estimating Conference (REC) on December 15, 2022, for FY 24 of \$11,442.1 M and for FY 25 of \$11,439.8 M, which equates to \$2.3 M of SGF revenue loss. The amount of one-time funds, as defined by HR 7.19, allowed to be appropriated in HB 1 for FY 24 expenditure is (\$0). After Adopted House Appropriations Committee amendments to HB 1, the LFO has determined there is \$29.74 M of one-time money as defined in House Rule 7.19 in HB 1 Engrossed. The items funded with one-time money are as follows:

08-419, Office of State Police: \$6,312,516 Statutory Dedications out of the Overcollections Fund (source FY 23 excess SGF) to provide for two 50-member state police training academies. Funding for training academies has appeared in the general appropriations bill for the past two years, paid out of SGF in FY 23 and the Riverboat Gaming Enforcement Fund in FY 22. The proposed funding will be the third consecutive year providing funds for a training academy, making this expenditure meet the definition of recurring.

20-966 Supplemental Payments to Law Enforcement Personnel: \$23,431,680 Statutory Dedications out of the Overcollections Fund (source FY 23 excess SGF) to provide for an increase of \$100/month (\$1,200 annually) in supplemental payments to eligible municipal police, deputy sheriffs, and firefighters, as well as \$20/month (\$240 annually) in supplemental payments to constables and justices of the peace. In FY 23, this enhancement to the supplemental payment system was directed as a one-time, lump sum payment to each eligible recipient. While the LFO assumes the payments in FY 24 are intended to mirror the FY 23 appropriation, the language specifying that intent is not present in HB 1 Engrossed.

## FY 23 Replacement Financing Decision List

Although HB 7.19 contains a definition of "one-time money", the rule itself is not indicative of the financing decisions that will have to be made in FY 25 relative to the current structure of the FY 24 proposed operating budget. Due to this issue, the LFO not only provides the HR 7.19 list to comply with the House Rule, but also provides details of significant potential FY 25 financing replacements that will have to be made as a result of the proposed FY 24 budget.

Approximately \$110.7 M in funds that may not be available in the future are proposed to support recurring expenditures in HB 1 for FY 24 and beyond. The \$110.7 M is associated with the FY 24 projected emergency Federal Medical Assistance Percentage (eFMAP) for Medicaid, which will be in effect for the first two quarters of FY 24 (2.5% for the first quarter and 1.5% for the second). The eFMAP reduces the state match obligation, allowing these SGF savings to be used for other fungible purposes within the state budget. To the extent the activities supported by this savings should continue into future fiscal years, these dollars would have to be replaced in FY 25. The current REC forecast for FY 25 is projected to decline by approximately \$2.3 M from FY 24. Therefore, this leaves \$113 M (\$110.7 M + \$2.3 M) base spending and forecasted revenue decline that cannot be used for recurring expenditures in FY 25. However, the amount of non-recurring SGF expenditures funded with recurring revenues may be sufficient to offset these amounts in their entirety; these include:

\$9.8 M for acquisitions and major repairs

\$110.6 M for deposits in HB 550 (Funds Bill) for non-recurring expenditures related to a one-time transfer into the 2024 LASERS iUAL Payment Fund.

## AMENDMENT NO. 13

On page 9, delete lines 11 through 24 in their entirety and insert the following in lieu thereof:

"A. For the purposes of this Section, the following terms shall have the following meanings:

(1) "LASERS" means the Louisiana State Employees' Retirement System.

(2) "Original amortization base" means the consolidated debt schedule amortizing the unfunded accrued liability as of June 30, 1988, of the applicable system.

(3) "TRSL" means the Teachers' Retirement System of Louisiana.

B. The 2024 IUAL Payment Fund, hereafter referred to in this Section as the "fund", is hereby established in the state treasury as a special fund. Unexpended and unencumbered monies in the fund and any subfund thereof at the end of the fiscal year shall remain in the

fund or subfund, as applicable. There are hereby established within the fund the "LASERS Subfund" and the "TRSL Subfund". Subject to appropriation, monies in the fund and any subfund thereof shall be used in accordance with the provisions of this Section.

C. Monies deposited into the LASERS subfund shall be drawn by LASERS for application to the system's original amortization base. Notwithstanding any provision of law to the contrary, the application of such amount toward the system's original amortization base shall be in lieu of any equivalent payments toward such debt that otherwise would have been made through employer contributions in Fiscal Year 2023-2024.

D.(1) Monies deposited into the TRSL subfund shall be drawn by TRSL as provided in this Subsection for application to the system's original amortization base. On and after July 1, 2023, after allocation to the Bond Security and Redemption Fund as provided in Article VII, Section 9(B) of the Constitution of Louisiana, the treasurer is authorized and directed to deposit into the subfund the avails of the tax collected pursuant to R.S. 47:321.1 with the exception of any avails dedicated pursuant to R.S. 48:77.

### (2) In Fiscal Year 2023-2024:

(a) Each month an amount equal to one-twelfth of the amount required pursuant to R.S. 11:102 and 102.2 for that fiscal year's payment necessary to amortize the TRSL's original amortization base shall be drawn from the fund and applied to the original amortization base. Notwithstanding any provision of law to the contrary, after the application of such amount toward the original amortization base TRSL shall credit each employer with its proportionate share of such amount based on their aggregate Fiscal Year 2022-2023 payroll as reported to TRSL.

(b) After all draws required pursuant to Subparagraph (a) of this Paragraph are made, the balance in the fund, less eighteen million dollars, shall be drawn by TRSL prior to the end of the fiscal year and applied to the TRSL's original amortization base. Such payment shall be in addition to and shall in no way supplant any payment toward such base otherwise required by law.

### (3) In Fiscal Year 2024-2025:

(a) Each month an amount equal to one-twelfth of the amount required pursuant to R.S. 11:102 and 102.2 for that fiscal year's payment necessary to amortize TRSL's original amortization base shall be drawn from the fund and applied to the original amortization base. Notwithstanding any provision of law to the contrary, after the application of such amount toward the original amortization base TRSL shall credit each employer with its proportionate share of such amount based on their aggregate Fiscal Year 2023-2024 payroll as reported to TRSL.

(b) After all draws required pursuant to Subparagraph (a) of this Paragraph are made, the balance in the fund shall be drawn by TRSL prior to the end of the fiscal year and applied to the original amortization base. Such payment shall be in addition to and shall in no way supplant any payment toward such base otherwise required by law.

(4) Notwithstanding any provision of law to the contrary, draws may only be made on the subfund until the original amortization base is liquidated. The director of TRSL shall notify the state treasurer immediately if the system's original amortization base is liquidated prior to expiration of the tax levied pursuant to R.S. 47:321.1. In such case, deposits into the TRSL Subfund shall cease, and the monies that otherwise would have been deposited into such subfund shall be deposited into the state general fund. Upon notification by the director of TRSL of liquidation of the system's original amortization base, the treasurer is hereby authorized and directed to transfer any remaining balances in the TRSL Subfund to the state general fund.

E. Notwithstanding any provision of law to the contrary, no draws from any subfund of the 2024 IUAL Payment Fund shall be approved until the Revenue Estimating Conference has adopted an official forecast with a projected balance for the applicable subfund. If such a forecast is adopted after July 1, 2023, the first draw by the Teachers' Retirement System of Louisiana shall be for an amount sufficient to cover all missed monthly draws to date plus the current month's draw, with monthly draws in accordance with the provisions of this Section to commence thereafter.

**SUBPART BB. PUBLIC SAFETY AND CRIME PREVENTION FUND**

**§100.231. Public Safety and Crime Prevention Fund**

A. There is hereby created in the state treasury the Public Safety and Crime Prevention Fund, hereinafter referred to as the "fund". The source of monies in the fund shall be any monies appropriated by the legislature including federal funds, donations, gifts, or grants, and any other monies which may be provided by law. All unexpended and unencumbered monies in the fund at the end of the year shall remain in the fund. Monies in the fund shall be invested by the treasurer in the same manner as monies in the state general fund, and any interest earned on such investment shall be deposited in and credited to the fund.

B. Subject to appropriation, monies in the fund shall used by the office of state police for public safety services, including patrol and law enforcement, in any parish having a population of not less than two hundred eighty thousand persons and not more than four hundred twenty thousand persons according to the latest federal decennial census."
