"Section 2. R.S. 15:1110.3 is hereby enacted to read as follows:

§1110.3. Licensing; transfer to office of juvenile justice

A. Beginning July 1, 2024, all juvenile detention facilities, including facilities owned or operated by any governmental, profit, nonprofit, private, or public agency, shall be licensed and regulated by the office of juvenile justice pursuant to the provisions of this Section.

B. There shall be an annual license fee for any license issued to a detention facility. The fee shall be used by the office of juvenile justice for expenses related to the licensing program.

(1) For a detention facility authorized to care for six or fewer juveniles, the license fee shall be four hundred dollars.

(2) For a detention facility authorized to care for at least seven but not more than fifteen juveniles, the license fee shall be five hundred dollars.

(3) For a detention facility authorized to care for sixteen or more juveniles, the license fee shall be six hundred dollars.

C. Whoever operates a juvenile detention facility without a valid license issued by the office of juvenile justice pursuant to this Section shall be fined one thousand dollars for each day of operation without the valid license. In addition to seeking civil fines imposed pursuant to the provisions of this Section, if any juvenile detention facility operates without a valid license issued by the office, the office may file suit in the district court in the parish in which the facility is located for injunctive relief, including a temporary restraining order, to restrain the institution, society, agency, corporation, person or persons, or any other group operating the facility, from continuing the violation.

D.(1) No person shall operate any juvenile detention facility in violation of any provision of this Part or any other state or federal statute, regulation, or any rule adopted pursuant to the Administrative

Procedure Act that governs the ownership or operation of juvenile detention facilities.

(2) In lieu of revocation of the facility's license, the office may issue a written warning that includes a corrective action plan to any person or entity violating these requirements when the violation creates a condition or occurrence relating to the operation and maintenance of a juvenile detention facility that does not pose an imminent threat to the health, safety, rights, or welfare of a child. Failure to implement a corrective action plan issued pursuant to the provisions of this Section may result in either the assessment of a civil fine or license revocation or may result in both actions being taken by the office. Such civil fines shall not exceed two hundred fifty dollars per day for each fine assessment; however, the aggregate fines assessed for violations determined in any consecutive twelve-month period shall not exceed two thousand dollars.

E. An appeal of any office decision for a violation of any provision of this Part shall be suspensive. All appeals filed pursuant to the provisions of this Section shall be heard by the division of administrative law pursuant to Chapter 13-B of Title 49 of the Louisiana Revised Statutes of 1950. The office shall furnish the facility or agency a copy of the decision, together with notice of the procedure for requesting judicial review.

F. The office may institute all necessary civil court actions to collect fines imposed that are not timely appealed. No juvenile detention facility may claim imposed fines as reimbursable. Interest shall begin to accrue at the current judicial rate on the day following the date on which any fines become due and payable. All costs of any successful action to collect such fines, including travel expenses and reasonable attorney fees, shall be awarded to the office in addition to the fines.

G.(1) Civil fines collected pursuant to the provisions of this Section shall be deposited immediately into the state treasury.

(2) After compliance with the requirements of Article VII, Section 9(B) of the Constitution of Louisiana relative to the Bond Security and Redemption Fund, and prior to the monies being placed in the state general fund, an amount equal to the amount deposited as provided in Paragraph (1) of this Subsection shall be credited to a special fund hereby created in the state treasury to be known as the "Juvenile Detention Licensing Trust Fund". The monies in the fund shall be subject to annual appropriation and shall be available exclusively for use by the office of juvenile justice for the education and training of employees, staff, or other personnel of juvenile detention facilities.

(3) The monies in the fund shall be invested by the treasurer in the same manner as the monies in the state general fund, and all interest earned from the investment of monies in the fund shall be deposited in and remain to the credit of the fund. All unexpended and unencumbered monies remaining in the fund at the end of the fiscal year shall remain in the fund.

H.(1) Any owner, operator, current or prospective employee, or volunteer of a juvenile detention facility that is requesting licensure or is licensed by the office of juvenile justice is prohibited from being employed by the facility if that individual's name is recorded on the state central registry as a perpetrator for a justified finding of abuse or neglect of a child.

(2) If the individual's name is or was entered on the state central registry, that individual may make a formal written request to the division of administrative law for an administrative appeal of the justified determination, in accordance with Children's Code Article 616.1.1 and the procedures promulgated by the office.

I. The office of juvenile justice shall promulgate rules and regulations in accordance with the Administrative Procedure Act to

(4) The process to provide notice to a juvenile detention facility of any violation, for a departmental reconsideration process for sanctions issued, and for an appeal procedure, including judicial review.

Section 4.(A) Sections 1 and 2 of this Act shall become effective upon signature by the governor or, if not signed by the governor, upon expiration of the time for bills to become law without signature by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana.
