HOUSE FLOOR AMENDMENTS

Amendments proposed by Representative Pressly to Re-Reengrossed Senate Bill No. 162 by Senator McMath

AMENDMENT NO. 1

In House Committee Amendment No. 4 proposed by the House Committee on Commerce to Re-Reengrossed Senate Bill No. 162 by Senator McMath (#3752), on page 1, delete lines 16 through 34 in their entirety and insert in lieu thereof the following:

"(12)(a) "Social media platform" means an online forum that does all of the following:

(i) Permits a person to become a registered user, establish an account, and create a public profile for the primary purpose of interacting socially with other account holders within the service or application.

(ii) Enables an account holder to generate content that can be viewed, posted, and shared by a potentially unlimited number of other account holders of the platform by default and without account holder intervention.

(iii) Enables account holders to establish mutual connections for the purpose of interacting socially as a part of a network. For the purposes of this Chapter, "mutual connection" occurs when both account holders assent to a connection request either by sending the request or by agreeing to the request. Unilaterally following or subscribing to receive content from another account holder does not constitute a "mutual connection".

(iv) Provides functionality on the platform for users to privately message their connections."
