AMENDMENT NO. 5

On page 28, delete lines 12 through 18 in their entirety, and insert the following:

C. After making the allocations provided for in Subsection B of this Section, the treasurer shall then deposit in and credit to the Coastal Protection and Restoration Fund any amount of mineral revenues that may be necessary to ensure that a total of equal to twenty-five million dollars, which shall be adjusted by an amount equal to the percentage increase in the Consumer Price Index United States city average for all urban consumers (CPI-U), as reported by the United States Department of Labor, Bureau of Labor Statistics, or its successor, for the previous calendar year is deposited into such fund for the fiscal year from this source; provided that the balance of the fund which consists of mineral revenues from severance taxes, royalty payments, bonus payments, or rentals shall not exceed the amount provided in Subsection F E of this Section.

D. After making the allocations and deposits as provided for in Subsections B and C of this Section, the treasurer shall deposit in and credit to the fund as follows:

(1) Two percent of the mineral revenues received in excess of the allocations provided for in Subsections B and C of this Section. The treasurer shall reduce the deposit made pursuant to this

Paragraph by the amount of deposits made pursuant to Paragraphs (2) and (3) of this Subsection:

(2) Ten million dollars of the mineral revenues in excess of six hundred million dollars which remain after the allocations provided for in Subsection B of this Section are made by the treasurer.

(3) Ten million dollars of the mineral revenues in excess of six hundred fifty million dollars which remain after the allocations provided in Subsection B of this Section are made by the treasurer.

E. (1) Subject to Article VII, Sections 9(B) and 10.1 Section 13(B) of the Constitution of Louisiana, in each fiscal year, the federal revenues that are received by the state generated from Outer Continental Shelf energy production, including but not limited to oil and gas activity, wind energy, solar energy, tidal energy, wave energy, geothermal energy, and other alternative or renewable energy production or sources, and eligible, as provided by federal law, to be used for the purposes provided in this Subsection shall be deposited and credited by the treasurer to the Coastal Protection and Restoration Fund.

* * *

F. E. The money in the fund shall be invested as provided by law and any earnings realized on investment of money in the fund shall be deposited in and credited to the fund. Revenues derived from integrated coastal protection programs, projects, or activities shall be deposited in and credited to the fund. Money from other sources, such as donations, appropriations, or dedications, may be deposited in and credited to the fund; however, the balance of the fund which, exclusive of federal revenues received as provided for in Subsection E D of this Section and state revenues as provided in Subsection K J of this Section, consists of mineral revenues from severance taxes, royalty payments, bonus payments, or rentals shall not exceed five hundred million dollars. Any unexpended money remaining in the fund at the end of the fiscal year shall be retained in the fund.

* * *

G. F. The money in the Coastal Protection and Restoration Fund is subject to appropriations by the legislature for the purposes of integrated coastal protection. The money in the fund may be used only for those projects and programs which are consistent with the statement of intent, R.S. 49:214.1, and the annual plan as it pertains to the integrated coastal protection and may include but not be limited to the following purposes:

H. G. As used in this Section, the term "balance of the fund" shall mean those monies in the fund which have not been expended or obligated under the plan approved pursuant to R.S. 49:214.5.3, or otherwise obligated in accordance with law.

I. H. (1) Any monies received by the state for violations pursuant to section 311 of the Federal Water Pollution Control Act, 33 U.S.C. 1321; R.S. 30:2025(E)(1) and (2); and R.S. 30:2001 et seq., including R.S. 30:2071 et seq., associated with the Deepwater Horizon oil spill that began on April 20, 2010, shall be deposited and credited by the treasurer to the Coastal Protection and Restoration Fund for integrated coastal protection efforts, including coastal restoration, hurricane protection, and improving the resiliency of the Louisiana Coastal Area affected by the Deepwater Horizon oil spill.

* * *

J. I. The authority is authorized to create one or more construction or project funds within the Coastal Protection and Restoration Fund, into which may be deposited the proceeds of any bonds or other debt obligations of the authority. Such construction or project funds may be maintained by the authority or any fiduciary appointed in connection with the authority only for the purpose or

Page 6 HOUSE

7th Day's Proceedings - November 13, 2024

purposes for which such bonds or other debt obligations are issued. Funds held in any such construction or project fund shall not be subject to the other requirements of this Section.

~~K. J.(1)~~ Subject to Article VII, ~~Sections 9(B) and 10.1~~ Section 13(B) of the Constitution of Louisiana, in each fiscal year, the revenues that are received by the state generated upon state lands or waterbottoms located in the coastal area from alternative or renewable energy production or sources, including but not limited to wind energy, solar energy, tidal energy, wave energy, and geothermal energy, shall be deposited and credited by the treasurer to the Coastal Protection and Restoration Fund.

"§82. Definitions

As used in this Part, the following terms shall have the meanings ascribed to them in this Section, unless the context or use clearly indicates otherwise:

* * *

(16) "Trust authority" means the Natural Resources Trust Authority established pursuant to R.S. 36:356.1.

§83. Oilfield Site Restoration Commission site restoration; administration by the Department of Energy and Natural Resources

A. The Oilfield Site Restoration Commission is hereby created within the office of the secretary of the Department of Energy and Natural Resources. The commission shall have the power to sue and be sued and shall be domiciled in the parish of East Baton Rouge. Venue for any suit brought by or against the commission shall be in the Nineteenth Judicial District Court. The Natural Resources Trust Authority, under the direction of the secretary and subject to oversight by the State Mineral and Energy Board pursuant to R.S. 36:356.1, is authorized to perform the following functions related to oilfield site restoration:

(1) Approve and evaluate a priority list for site restoration annually.

(2) Pledge the revenues available to fund authorized purposes and to secure the issuance of bonds to fund such purposes provided in R.S. 30:83.1, provided that annual debt service shall not be in excess of fifty percent of the pledged revenues estimated to be received in the calendar year the bonds are issued.

(3) Approve lists of contractors acceptable to conduct site assessment and site restoration.

(4) Approve a cooperative endeavor agreement between the trust authority and an organization seeking to assist with plugging orphaned wells in order to alleviate the burden on operators in meeting financial security requirements.

(5) Review administration of site restoration activities and review the adequacy of site restoration assessments and reopen the funding needs and arrangements for site-specific trust accounts every four years. However, unless the oilfield site is transferred from one party to another after the adoption of a standard for evaluation,

site-specific trust accounts established prior to the adoption of a standard for evaluation by the Department of Energy and Natural Resources, office of conservation shall not be reassessed if the operator of record provides to the office on an annual basis, utilizing the methodology in use at the time that the site-specific trust account was established, proof that the security is adequate to ensure proper closure of the wells upon completion of activity.

(6) Provide general administration and management of the Oilfield Site Restoration Fund, funds collected from financial security instruments previously tied to a specific well or wells that have since been plugged or are otherwise not tied to a specific well or wells, and all site-specific trust accounts.

(7) Perform any function authorized by this Part or which is consistent with its purpose and not otherwise assigned by this Part to the secretary or assistant secretary.

* * *

H. B. The Department of Energy and Natural Resources shall adopt rules and regulations, in accordance with the Administrative Procedure Act, to implement the provisions of this Part and to provide for procedures for site assessments and restoration.

* * *

§83.1. Authorization of bonds

A.(1) An issuer is authorized to issue bonds pursuant to the provisions of R.S. 9:2341 through 2347 for the benefit of the ~~commission trust authority~~, at the direction of the secretary, to raise funds for authorized purposes in accordance with the provisions of this Section and the constitutional and statutory provisions governing the issuance of bonds by such entities.

(2) The bonds may be secured by an irrevocable pledge and dedication of revenues of the ~~commission trust authority~~, at the direction of the secretary, which shall consist of all monies deposited in the fund pursuant to R.S. 30:86(D), collected, derived, or received from the oilfield site restoration fees and penalties imposed pursuant to R.S. 30:87 or any other lawfully available revenues, if any, to the extent appropriated, provided that annual debt service shall not be in excess of fifty percent of the pledged revenues estimated to be received in the calendar year the bonds are issued, but shall not include site-specific trust account monies as identified in R.S. 30:86(D)(6) and 88. The bonds of the issuer shall be revenue bonds payable solely from the above-described sources, to the extent appropriated and released from the state, and such pledge shall not constitute a pledge of the full faith and credit of the state.

* * *

B.(1) When any bonds have been issued and secured in accordance with the provisions of this Section, neither the ~~commission trust authority~~, nor the department, nor the state, nor any other entity may act to impair any obligation or contract for the benefit of the holders of the bonds or discontinue or decrease any fee, penalties, or other revenue in anticipation of the collection of which the bonds have been issued until all of the bonds have been retired as to principal and interest or irrevocable provision otherwise made for their complete redemption and payment in principal, interest, and redemption premium, if any, and the complete payment of all amounts due under the trust agreement pursuant to which the bonds are issued.

(2) Any pledge of revenues for the security of the bonds shall be valid and binding from the time the pledge is made and shall be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding against all parties having claims of any kind in tort, contract, or otherwise against the state, the department, or the

~~commission trust authority~~ whether or not such parties have notice thereof. Any trust agreement by which a pledge is created need not be filed or recorded."

§88. Oilfield site trust accounts

* * *

B. In the event the parties to a transfer elect to establish a site-specific trust account under this Section, the assistant secretary shall require an oilfield site restoration assessment to be made to determine the site restoration requirements existing at the time of the transfer, or at the time the site-specific trust account is established. The oilfield site restoration assessment shall be conducted by approved site assessment contractors appearing on a list approved by the ~~commission~~ trust authority or acceptable to the ~~commission~~ trust authority. The oilfield site restoration assessment shall specifically detail site restoration needs and shall provide an estimate of the site restoration costs needed to restore the oilfield site based on the conditions existing at the time of transfer, or at the time the site-specific trust account is established.

C. The party or parties to the transfer shall, based upon the site restoration assessment, propose a funding schedule which will provide for the site-specific trust account. The funding schedule shall consider the uniqueness of each transfer, acquiring party, and oilfield site. Funding of the site-specific trust account shall include some contribution to the account at the time of transfer and at least quarterly payments to the account. Cash or bonds in a form and of a type acceptable to the assistant secretary, or any combination thereof, may also be considered for funding. The assistant secretary shall monitor each trust account to assure that it is being properly funded. The funds in each trust account shall remain the property of the ~~commission~~ trust authority.

* * *

§88.1. Oilfield site trust accounts for orphaned wells

* * *

C. Site restoration assessment. When establishing a site-specific trust account under this Section, the assistant secretary shall require an oilfield site restoration assessment to be made to determine the site restoration requirements existing at the time the site-specific trust account is established. The oilfield site restoration assessment shall be conducted by approved site assessment contractors appearing on a list approved by the commission trust authority or acceptable to the commission trust authority. The oilfield site restoration assessment shall specifically detail the site's restoration needs and shall provide an estimate of the restoration costs needed to restore the oilfield site based on the conditions existing at the time the site-specific trust account is established.

D. Trust account monitoring. The assistant secretary shall monitor each trust account to assure that it is being properly funded. The funds in each trust account shall remain the property of the commission trust authority. In the event that the site-specific trust account is not funded through the payment of the severance tax due the state for a period of greater than six months from the date of first production following designation of the well as part of an orphaned oilfield site, the assistant secretary shall require financial security in accordance with the office of conservation's rules and regulations.

* * *

§88.2. Orphan well rework program

* * *

C. Trust account monitoring. The assistant secretary shall monitor each trust account to assure that it is being properly funded. The funds in each trust account shall remain the property of the commission trust authority. If the site-specific trust account is not funded through the payment of amounts equal to the severance tax that would otherwise be due the state for a period of greater than six months from the date of first production following designation of the well as part of an orphaned oilfield site, the assistant secretary shall require financial security in accordance with this Subtitle and the rules and regulations adopted pursuant to this Subtitle including the exceptions provided in R.S. 30:4(R).

* * *

§89. Non-orphan site restoration

* * *

C. For sites restored pursuant to Subsections A and B of this Section, after site restoration has been completed and approved by the assistant secretary, funds from the site-specific trust account will be disbursed as follows:

* * *

(3) If the funds in the site-specific trust account are depleted prior to the payment of all site restoration costs, and if the assistant secretary subsequently declares that oilfield site to be an orphaned oilfield site and upon approval of the commission trust authority, the Oilfield Site Restoration Fund shall contribute the balance of the restoration costs for that orphaned oilfield site.

* * *

§90. Commission's Natural Resources Trust Authority annual report to the legislature

A. The commission trust authority shall submit to the Senate Committee on Natural Resources, the House Committee on Natural

Resources and Environment, and the Senate Committee on Environmental Quality before March first an annual report that reviews the extent to which the fund has enabled the commission trust authority to better protect the environment and enhance the income of the Oilfield Site Restoration Fund.

B. The commission trust authority shall generate a three-year plan which comprehensively addresses a balanced restoration of all oilfield sites in the state. The three-year plan shall include an inventory of all wells by classification, a timetable for implementation and completion of site restoration activities and set forth other goals and objectives of the commission trust authority. The commission trust authority will annually review the status of its three-year plan and shall generate successive three-year plans as needed.

C. The assistant secretary shall furnish the commission trust authority with semiannual reports that review the efforts of the assistant secretary to assure proper and timely cleanup, closure, and restoration of oilfield sites.

* * *

E. The commission's trust authority's annual report to the legislature shall include:

* * *

(5) A report on the progress of the commission's trust authority's three-year plan.

* * *

§91. Orphaned oilfield sites

* * *

B.

* * *

(2)

* * *

(c) In the event that a lienholder is not properly notified as provided in this Paragraph, any claim by the holder or holders against the commission trust authority, Department of Energy and Natural Resources, office of conservation, or the contractors for the value of the salvaged property shall be limited to the actual cash value of the salvaged property at the time of salvage.

* * *

§95. No inference of liability on the part of the state

A. Nothing in this Part shall establish or create any liability or responsibility on the part of the commission trust authority or the state of Louisiana to pay any costs associated with site restoration from any sources other than the fund created by R.S. 30:86 or the funds established in connection with the issuance of bonds on behalf of the commission trust authority, at the direction of the secretary, pursuant to R.S. 30:83.1 nor shall the commission trust authority or the state of Louisiana have any liability or responsibility to make any payments for costs associated with site restoration if the trust created herein is insufficient to do so.

B. The secretary, assistant secretary, the commission trust authority, or their agents, on proper identification, may enter the land of another for purposes of site assessment or restoration.

C. The ~~commission~~ trust authority, the secretary, and the assistant secretary, and their agents, are not liable for any damages arising from an act or omission if the act or omission is part of a good faith effort to carry out the purpose of this Part.

D. No party contracting with the Department of Energy and Natural Resources, office of conservation, or the ~~commission~~ trust authority under the provisions of this Part shall be deemed to be a public employee or an employee otherwise subject to the provisions of Parts I through IV of Chapter 15 of Title 42 of the Louisiana Revised Statutes of 1950.

Section 2. R.S. 30:82(3), 83(B) through (G) and (I) are hereby repealed in their entirety.

Section 3. The Louisiana State Law Institute is hereby authorized and directed to alphabetize and renumber the definitions contained in R.S. 30:82 and to correct any cross-references to the renumbered paragraphs if necessary, consistent with the provisions of this Act."

In the absence of an arms-length transaction, the value shall be the severer's gross income from the property as determined by R.S. 47:158(C).

(2)(a) The market value of natural gas is its value at the mouth of the well from which it is produced. The value of gas at the mouth of the well shall be determined by ascertaining the producer's actual marketing costs and subtracting those costs from the producer's gross receipts from the sale of the gas.

(b)(i) For purposes of this Paragraph, marketing costs are the costs incurred by the producer to convey the gas from the mouth of the well to the market, and shall include all of the following:

(aa) Costs for compressing the gas sold.

(bb) Costs for dehydrating the gas sold.

(cc) Costs for sweetening the gas sold.

(dd) Costs for delivering the gas to the purchaser.

(ii) Marketing costs shall not include any of the following:

(aa) Costs incurred in producing the gas.

(bb) Costs incurred in normal lease separation of the oil or condensate.

(cc) Insurance premiums on the marketing facility.

(c)(i) Marketing costs shall be determined by adding all of the following:

(aa) A reasonable charge for depreciation of the marketing facility being used; or, if the facility is rented, the actual rental fee.

(bb) A return on the producer-owned investment equal to six percent per year on the average depreciable balance.

(cc) Costs of direct or allocated labor associated with the marketing facility.

(dd) Costs of materials, supplies, maintenance, repairs, and fuel associated with the marketing facility.

(ee) Ad valorem taxes paid on the marketing facility.

(ii) If the facility is used for a purpose other than marketing the gas being sold, the cost shall be allocated accordingly.

(iii) If the facility handles gas for outside parties, the average cost for handling all of the gas shall be applied against the facility owner's gas.

(d) The actual cost charged to a producer by an outside party for marketing functions may be used for tax purposes if no other benefit or value accrues to the producer.

(e) A producer receiving a cost reimbursement from the gas purchaser shall include the reimbursement in the gross cash receipts and shall be entitled to deduct the actual marketing costs incurred."
