RE: House Bill 162 of the 2024 Regular Session by Representative Beau Beaullieu

Dear Speaker DeVillier and Clerk Fontenot:

Please be advised I have vetoed House Bill 162 of the 2024 Regular Session.

This bill prohibits withdrawal of funds from the Capital Outlay Savings Fund unless a specific appropriation is made in a bill enacted by the Legislature. However, I believe this matter is best addressed by House Bill 786 of the 2024 Regular Session, which is currently pending further legislative action.

For this reason, House Bill 162 will not become law.

Sincerely,

JEFF LANDRY
Governor

RE: House Bill Number 670 of the 2024 Regular Session by Representative Edmond Jordan

Dear Speaker DeVillier and Clerk Fontenot:

Please be advised that I have vetoed House Bill 670 of the 2024 Regular Session. House Bill 670 changes the current Healthy Food Retail Act to mandate that the Louisiana Department of Agriculture contract with qualified nonprofit organizations. House Bill 670 creates an unfunded mandate by eliminating the contingent language in R.S. 3:296 that provides the program is only "to the extent that funding is available."

The Legislative Fiscal Office noted that this program was previously funded by federal grants from the U.S. Department of Housing and Urban Development. However, as noted by the Legislative Fiscal Office, this funding is no longer available as of September of 2023 and there is currently no appropriation by the Legislature for this program.

Retaining the current law still allows the Louisiana Department of Agriculture and Forestry to provide funding for this program should funding become available.

For these reasons, House Bill 670 will not become law.

Sincerely,

JEFF LANDRY
Governor

RE: House Bill 884 of the 2024 Regular Session by Representative Jason Hughes

Dear Speaker DeVillier and Clerk Fontenot:

Please be advised I have vetoed House Bill 884 of the 2024 Regular Session.

This bill purports to revise procurement of social services and consulting services for public postsecondary education management boards. Notably, this bill allows postsecondary education management boards to enter into "master service" contracts for social services for amounts that do not exceed \$250,000 per year and for consulting services that do not exceed \$75,000 per year, per institution serviced, all without the necessity of competitive bidding or competitive negotiation.

Current law already allows exceptions for such social service contracts for \$250,000 per year and consulting service contracts for \$75,000 per year. R.S. 39:1619(B)(7); R.S. 39:1621(A). These existing laws provide adequate and sufficient safeguards regarding the competitive bid process for postsecondary education institutions, and they are both already exceptions to the general rules governing such contracts. I find this bill unnecessary and duplicative.

For these reasons, House Bill 884 will not become law.

Sincerely,

JEFF LANDRY
Governor

Lies over under the rules.

(b) Accrued service credit at retirement utilized for the purpose of calculating the Back-DROP monthly benefit shall be reduced by the Back-DROP period.

(c) Average final compensation utilized for the purpose of calculating the Back-DROP monthly benefit shall be calculated by excluding all earnings during the Back-DROP period.

(d) Employer contributions received by the retirement system during the Back-DROP period and any interest that has accrued on employer and employee contributions received during the period shall be retained by the system and shall not be refunded to the member or to the employer.

(e) Upon separation from service, employee contributions received by the retirement system during the Back-DROP period shall, without interest, be deposited directly into the member's Back-DROP account.

(f) The member's Back-DROP monthly benefit shall be calculated based upon the member's age and service and the system statutes and other plan provisions in effect on the last day of creditable service before the Back-DROP period. However, the member may not elect to receive the initial benefit option under R.S. 11:2224(F).

(g) At retirement, the member's maximum monthly retirement benefit payable as a life annuity shall be equal to the Back-DROP monthly benefit.

(3) In addition to the monthly benefit received pursuant to Paragraph (2) of this Subsection, the member shall be paid a lump-sum benefit equal to the Back-DROP maximum monthly retirement benefit multiplied by the number of months selected as the Back-DROP period.

(4) The Back-DROP lump sum shall be transferred to an individual account for self-directed investments as further provided in Subsection E of this Section.

(5) Cost-of-living adjustments shall not be payable on the member's Back-DROP lump sum.

(6) Upon the retiree's death, any remaining unpaid balance in the Back-DROP account shall be paid to the retiree's named beneficiaries or, if none, to his estate.

(7) Upon the death of a retiree who selected the maximum option pursuant to R.S. 11:2224(A), the retiree's named beneficiaries or, if none, the retiree's estate shall receive the deceased retiree's remaining contributions, less the Back-DROP benefit amount.

(8) Upon the death of a retiree who selected Option 1 pursuant to R.S. 11:2224(A), the retiree's named beneficiaries or, if none, the retiree's estate shall receive the deceased retiree's annuity savings fund balance as of the retiree's date of retirement reduced by that portion of his initial Back-DROP account balance and his previously paid retirement benefits that were attributable to the member's annuity payments as provided by the annuity savings fund.

(9) For the purpose of determining compliance with the maximum income provisions of Section 415(b) of the Internal Revenue Code or any successor provision, a Back-DROP benefit calculation shall be performed by the board actuary to determine the value of the Back-DROP benefit if calculated as an annuity for the life expectancy of the member or member and beneficiary if a joint and survivor benefit option has been selected. This sum, on an annual basis, shall be added to the normal monthly benefit payable to determine if the total monthly benefit received from the system is in compliance with the maximum benefit limits contained in Section 415(b) of the Internal Revenue Code or any successor provision.

E.(1) Upon the member's separation from employment, the system shall transfer the lump-sum payment into a self-directed account managed by a third-party provider.

(2) The board shall hire a third-party provider to manage the self-directed accounts authorized by this Subsection. The third-party provider shall act as an agent of the system for purposes of investing balances in the self-directed accounts of the participants as directed by the participants. The participants shall be given investment options that comply with federal law for self-directed plans; however, the provider shall have as an investment option a stable value fund that preserves the participant's principal.

(3) Any participant agrees to all of the following:

(a) That he expressly waives his rights protected by the Constitution of Louisiana relative to the interest earned by his Back-DROP account.

(b) That he and the provider shall be responsible for complying with all applicable provisions of the Internal Revenue Code and that he and the provider, and not the state or the system, bear the sole responsibility and liability for any violation of the Internal Revenue Code that occurs as a result of his participation in the self-directed portion of the program.

(c) That there shall be no liability on the part of and no cause of action of any nature shall arise against the state, the system, or its agents or employees for any action taken by the participant for choices he makes in relation to the investments in which he chooses to place his account balance.

(d) That the benefits payable to the participant are not the obligation of the state or the system, and any returns and other rights of the plan are the sole liability and responsibility of the participant and the provider.

AMENDMENT NO. 5

On page 1, delete lines 8 through 11, and insert the following:

§2122. Historical documents; displays; legislative intent; historical context; donations

A. The legislature finds and declares all of the following:

(1) In 2005, the Supreme Court of the United States recognized that it is permissible to display the Ten Commandments on government property in *Van Orden v. Perry*, 545 U.S. 677, 688 (2005).

(2) In 2006, the legislature enacted Act No. 602 of the 2006 Regular Session of the legislature which provided for the secretary of state to publish the Ten Commandments and other historically significant documents for posting in court houses and other public buildings to address "a need to educate and inform the public as to the history and background of American and Louisiana law".

(3) In 2019, the Supreme Court of the United States further recognized that the Ten Commandments "have historical significance as one of the foundations of our legal system. . .", in *American Legion v. American Humanists Association*, 588 U.S. 29, 53 (2019) and, the court also ruled that the displaying of the Ten Commandments on public property may have "multiple purposes" such as "historical significance" and represent a "common cultural heritage". id, 588 U.S. at 54.

(4) Recognizing the historical role of the Ten Commandments accords with our nation's history and faithfully reflects the understanding of the founders of our nation with respect to the necessity of civic morality to a functional self-government. History records that James Madison, the fourth President of the United States

of America, stated that "(w)e have staked the whole future of our new nation . . . upon the capacity of each of ourselves to govern ourselves according to the moral principles of the Ten Commandments."

(5) Including the Ten Commandments in the education of our children is part of our state and national history, culture, and tradition.

(6) The text of the Ten Commandments set forth in Subsection B of this Section is identical to the text of the Ten Commandments monument that was upheld by the Supreme Court of the United States in *Van Orden v. Perry*, 545 U.S. 677, 688 (2005).

(7) The Mayflower Compact of 1620 was America's first written constitution and made a Covenant with Almighty God to "form a civil body politic". This was the first purely American document of self-government and affirmed the link between civil society and God.

(8) The Northwest Ordinance of 1787 provided a method of admitting new states to the Union from the territory as the country expanded to the Pacific. The Ordinance "extended the fundamental principles of civil and religious liberty" to the territories and stated that "(r)eligion, morality, and knowledge, being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged."

(9) It is the Legislature's intent to apply the decision set forth by the Supreme Court of the United States in *Van Orden v. Perry*, id, to continue the rich tradition and ensure that the students in our public schools may understand and appreciate the foundational documents of our state and national government.

(10) The Supreme Court of the United States acknowledged that the Ten Commandments may be displayed on local government property when a private donation is made for the purchase of the historical monument. *Pleasant Grove City, Utah v. Summan*, 555 U.S. 460 (2006).

(11) It is the intention of the legislature that this Section shall not create an unfunded mandate on any public school governing authority. The school boards are encouraged to use documents that are printed and made available to the schools free of charge.

B.(1) No later than January 1, 2025, each public school governing authority shall display the Ten Commandments in each classroom in each school under its"

AMENDMENT NO. 6

On page 2, delete lines 12 through 14, and insert the following:

"(3) The Ten Commandments shall be displayed with a context statement as follows:

"The History of the Ten Commandments in American Public Education

The Ten Commandments were a prominent part of American public education for almost three centuries. Around the year 1688, *The New England Primer* became the first published American textbook and was the equivalent of a first grade reader. *The New England Primer* was used in public schools throughout the United States for more than one hundred fifty years to teach Americans to read and contained more than forty questions about the Ten Commandments.

The Ten Commandments were also included in public school textbooks published by educator William McGuffey, a noted university president and professor. A version of his famous *McGuffey Readers* was written in the early 1800s and became one of the most popular textbooks in the history of American education, selling more than one hundred million copies. Copies of the *McGuffey Readers* are still available today.

The Ten Commandments also appeared in textbooks published by Noah Webster in which were widely used in American public schools along with America's first comprehensive dictionary that Webster also published. His textbook, *The American Spelling Book*, contained the Ten Commandments and sold more than one hundred million copies for use by public school children all across the nation and was still available for use in American public schools in the year 1975."

(4) A public school may also display the Mayflower Compact, the Declaration of Independence, and the Northwest Ordinance, as provided in R.S. 25:1282, along with the Ten Commandments.

(5) This Section shall not require a public school governing authority to spend its funds to purchase displays. In order to fund the displays free of charge, the school public governing authority shall do either of the following:

(a) Accept donated funds to purchase the displays.

(b) Accept donated displays."
