RE: House Bill Number 20 of the 2024 Regular Session by Representative Neil Riser

Dear Speaker DeVillier and Clerk Fontenot:

Please be advised that I have vetoed House Bill 20 of the 2024 Regular Session.

House Bill 20 transfers the administration and accounting functions for library funds from the parish governing authority to the library. This change leaves the parish governing authority without the recourse provided by La. R.S. 25:225(E)(1) if the library does not adopt and implement the policy requirements in R.S. 25:225.

For these reasons, House Bill 20 will not become law.

Sincerely,

JEFF LANDRY
Governor

Lies over under the rules.

RE: House Bill Number 340 of the 2024 Regular Session by
Representative Tammy Phelps

Dear Speaker DeVillier and Clerk Fontenot:

Please be advised that I have vetoed House Bill 340 of the 2024 Regular Session. This bill requires the governing authority of a local public school to establish a complaint tracking system for every complaint that a parent makes about school incidents involving their children.

However, current law already provides comprehensive guidelines for managing parental complaints. It mandates that the governing authority of a local public school adopt rules and regulations to notify parents or legal guardians, in writing, of the proper processes and procedures for making complaints or requesting information. Additionally, each school is required to annually provide the name, address, phone number, and email address of the appropriate contact person at each step of the complaint process.

Given that complaint processes already exist at the local school level, and schools are obligated to provide contact information for complaint status updates, House Bill 340 is redundant and unnecessary.

For these reasons, House Bill 340 will not become law.

Sincerely,

JEFF LANDRY
Governor

Lies over under the rules.
