On page 1, delete lines 11 through 26 in their entirety and at the top of page 2 delete lines 1 through 34 in their entirety and insert the following:

"In accordance with Article VII, Section 10(D)(2)(b)(iii) of the Constitution of Louisiana, the Legislature of Louisiana hereby adopts the following distribution formula for fiscal year 2024-2025 nonrecurring revenues: All such monies shall be distributed pro rata to any state retirement system that meets all of the following criteria according to the system's most recent valuation adopted by the Public Retirement Systems' Actuarial Committee:

- (A) Has an outstanding amortization base for the system's unfunded accrued liability existing as of June 30, 1988.
- (B) Has a funded ratio of less than eighty percent.

In order to maximize the return to the state fisc, any state retirement system receiving monies from this distribution shall reamortize its remaining liabilities effective June 30, 2026, with annual level-dollar payments calculated as provided in R.S. 11:102, 102.1, and 102.2, as applicable, over the remainder of the amortization period originally established for each amortization base and shall revise its actuarial calculation of employer contributions rates for the 2026-2027 Fiscal Year accordingly. A valuation with a revised actuarially required employer contribution rate for the 2026-2027 Fiscal Year shall be submitted to the Public Retirement Systems' Actuarial Committee within three days of the valuation's adoption by the system's board of trustees.
