February 22, 2011

Louisiana Senate and House Re-districting Committee

Dear Members,

The New Iberia Rotary Club of New Iberia voted unanimously to keep St. Martin and Iberia parishes in Senate District 22 as it is currently.

Its people and culture are very similar and we have worked well together for many years.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rickey J. Huval, Sr.".

Rickey J. Huval, Sr., Past President  
The New Iberia Rotary Club.
