Subject: Great concern about redistricting Vernon Parish

March 21, 2011

Dear Mr. Tucker,

I and my business partner are writing you out of great concern; it makes absolutely no sense to put the parish seat of the largest geographic parish in one district and the rest of the parish in another district. We just found out what is going on in the state capital and we would like to think a little more good common sense was used to resolve this problem. We own a business in Vernon Parish Louisiana. Our number is 337-239-2509 or the above email address. Thank you for your time.

Dr. Ralph M. Hennessee, DDS
Mr. Luis Cardenas, co-owner
