

MEDIA IDENTIFICATION BADGES

(All applications are reviewed and must be approved before badges are issued)

Legislative media identification badges are a privilege and are issued as a security measure to salaried journalists working for a commercial or non-profit news outlet providing routine non-partisan coverage. The outlet must be recognized by the Louisiana Broadcaster's Association, the Louisiana Press Association and/or National Press Foundation (or similar organization). The news outlet must verify the applicant's employment.

Applicants cannot engage in lobbying, advocacy, advertising, publicity or promotions for any individual, political party, corporation, business or government agency.

Media identification badges may expedite entry into the building and give journalists access to designated press areas during proceedings of the legislature on a first-come, first-served basis when space is available. Equipment must be compact and stationary so as not to disrupt traffic in the chamber, committee rooms, committee hallways and any other public space in the capitol.

News media badges issued by any other entity are not valid for entrance to the designated media areas of the Capitol.

The cost of a **new** yearly identification badge is **\$10.00** per badge. The replacement cost for a lost badge is \$10.00. Payment should be submitted via check or money order made out to Louisiana House of Representatives. (NO CASH OR CREDIT CARDS ACCEPTED)
