Present law (R.S. 18:154) provides that the registrar, the clerk of court, the Dept. of State, and the office of motor vehicles are prohibited from circulating or otherwise disclosing a voter's personal information on a commercial list.

Proposed law allows the Dept. of State or registrar of voters to provide the email address of a candidate to the Supervisory Committee on Campaign Finance Disclosure for purposes of contacting the candidate regarding campaign finance reporting. Further prohibits the Supervisory Committee on Campaign Finance Disclosure from sharing this information.

Present law (R.S. 18:423) provides that in a parish where the parish board of election supervisors tabulates and counts absentee by mail and early voting ballots, a member of the board may be compensated not more than eight days for a presidential or regularly scheduled congressional general election or seven days for any other primary or general election.

Further provides that if the qualifying period for candidates reopens within 30 days before a primary election, all the votes cast in the primary election for that public office are void, unless there were no additional candidates who qualified.

Proposed law removes the 30 day period and adds a provision that all votes cast in the a primary election are voided if the ballots have already been printed.

Present law (R.S. 18:573) provides that the registrar shall utilize the procedures provided in the Code to determine the validity of the registration of each challenged voter who did not submit an address confirmation card. Further provides that when an address confirmation card was received that stated an address different from the address on file in the registrar's office for a registrant, the registrar shall change or cancel the registration.

Proposed law retains present law and elaborates on when a registrar shall change or cancel the registration. Proposed law provides that a registrar shall change the registrant's address to the address on the address confirmation card if the change of address is in the parish; transfer the registrant's registration to another parish if the address on the address confirmation card is in another parish; or cancel the registration if the address on the address confirmation card is in another state.
