Presented to the Senate and Governmental Affairs Committee and the House and Governmental Affairs Committee

(R.S. 18:18A(8))

January 31, 2021

R.S. 18:18A(8)(a) requires the secretary of state to prepare a report on the effectiveness of voter education programs and submit the report to the governor, the president of the Senate, and the speaker of the House of Representatives by January thirty-first of each year following a general election.

Overview

There were a total of 248,385 new voter registrations in 2020. This shows an increase of the voter rolls by a total of 122,012 as Louisiana's registered voters for 2020 was 3,102,104 and for 2019 was 2,980,092.

The secretary of state submits seven (7) reports attached hereto as follows:

Attachments A, B, and C: Jan 2020- Dec 2020 Outreach Presentations and Private Elections

Outreach election events at schools and civic organizations are provided for in Attachments A, B, and C. The Elections department conducted 36 private elections and 98 reader's choice elections from January 2020 to December 2020. The Outreach department hosted or sponsored 102 events from January 2020 to December 2020. These election events reached 24,183 participants.

Readers' Choice is an annual election for elementary and high school students to vote on their favorite book from a list compiled by Louisiana librarians and educators. It allows the students to participate in the election process and gives them hands-on experience with Louisiana's voting technology.

Chapter 7. Standards for Effective Non-Partisan Voter Registration and Voter Education

§701. Department of State's Outreach Activities

A. The department shall develop and update material to be utilized in the department's outreach efforts related to voter registration and voter education. In order to convey the department's outreach message, the department will: send out press releases statewide; make public awareness appearances at public meetings and at educational institutions; hold mock elections; conduct elections (e.g., schools, unions, etc.); and participate in media interviews on television programs and radio station programs.

B. With the passage of the Help America Vote Act of 2002 (HAVA), the department will be procuring a new electronic voting system. As a result, the department shall develop educational materials for voters regarding the use of the voting system in the form of instructional brochures and visual presentations. In accordance with the provisions of R.S. 18:563(C), voters are allowed only three minutes to vote on election day. Therefore, these educational materials will be vital to the successful operation of the voting system by the voters and the voting process.

AUTHORITY NOTE: Promulgated in accordance with R.S. 18:18(A)(8)(a), R.S. 18:563(C), Public Law 107-252, and R.S. 49:950 et seq.

HISTORICAL NOTE: Promulgated by the Department of State, Elections Division, LR 31:3164 (December 2005).

§703. Registrars of Voters

A. All registrars of voters are required to participate in the state's annual voter registration week. The department will be required to provide uniform information to registrars of voters to use when conducting certain outreach activities. These activities shall encourage Louisiana citizens to register to vote, to exercise their right to vote, and to encourage participation of voters as election poll workers. In addition, new registrants and existing registrants will receive information on early voting in person, voting absentee by mail, and voting in person on election day.

AUTHORITY NOTE: Promulgated in accordance with R.S. 18:18(A)(8)(a), Public Law 107-252, and R.S. 49:950 et seq.

HISTORICAL NOTE: Promulgated by the Department of State, Elections Division, LR 31:3165 (December 2005).

§705. Annual Voter Registration Week

A. Under the provisions of R.S. 18:18(A)(8)(b), the official state voter registration week shall be held annually during the last full week which occurs two weeks prior to the close of registration books for the regular fall primary election. Registrars of voters and their employees are an integral part of this process. Representatives from the Louisiana Registrars of Voters Association shall work with the department on the development of the outreach presentation for various groups of participants. The department will annually update registrars of voters on any legislative changes that will affect outreach activities and information.

B. Voter registration outreach activities should be structured to encourage participants who are not registered to vote to register. Participants should be provided the following information:

1. the requirements to register to vote;
2. how to update voter registration information (such as changes in name and address);
3. voter registration deadlines for scheduled election dates;
4. why a registrant may be removed from the voter registration roles; and
5. registration for individuals with disabilities and residents in nursing homes.

C. During the annual voter registration week, the focus of the department and registrars of voters will not only be on voter registration. Registrars of voters will be encouraging registered voters to go out and exercise their right to vote by informing citizens of the following:

1. the registrant's voting rights;
2. the procedures to follow during early voting in person or voting absentee by mail:
 - a. timing of early voting in person and location of early voting for various scheduled election dates during the year;
 - b. timing of voting absentee by mail;

VOTER REGISTRATION WEEK 2020 BEGINS SEPT. 21

BATON ROUGE, La.—Secretary of State Kyle Ardoin is joining registrars of voters across the state the week of Sept. 21-25, 2020 to host Voter Registration Week activities aimed at registering eligible citizens to vote.

"Registering to vote is the critical first step in making your voice heard at the ballot box," Ardoin said. "This fall, voters will select leaders at all levels of government and I encourage all unregistered voters to register to vote. Check your registration status at GeauxVote.com or on the GeauxVote app."

Louisiana was one of the first states in the nation to implement an easy, convenient online voter registration portal. Citizens with a valid Louisiana driver's license or Louisiana Special ID card can register online 24 hours a day, seven days a week from the convenience of their home or office by visiting <https://voterportal.sos.la.gov>.

Residents of Louisiana can also register in person at their parish Registrar of Voters Office, when they apply for or renew their driver's license at any Office of Motor Vehicles or when obtaining services at public assistance agencies and Armed Forces recruitment offices. Citizens wishing to register by mail can download and print the application from our website at GeauxVote.com, or complete an application found at public libraries or through registration drives.

To register and vote in Louisiana individuals must:

- be a U.S. citizen;
- be at least 17 years old (16 years old if registering in person at the Registrar of Voters Office or at the Louisiana Office of Motor Vehicles) to register and 18 years old prior to the next election to vote;
- not be under an order of imprisonment for conviction of a felony or, if under such an order not have been incarcerated pursuant to the order within the last five years and not be under an order of imprisonment related to a felony conviction for election fraud or any other election offense pursuant to La. R.S. 18:1461.2;

- not be under a judgment of full interdiction for mental incompetence or partial interdiction with suspension of voting rights;
- be a resident in the state and parish in which you seek to register and vote;
- apply at least 20 days prior to an election if registering online or 30 days prior to an election if registering in person or by mail.

The deadline to register to vote in person or by mail is Monday, October 5. The deadline to register to vote online is Tuesday, October 13.
