RICHARD C. EARL
ALLEN PARISH ASSESSOR
OBERLIN, LOUISIANA 70655

January 21, 2011

Honorable Patricia Lowrey-Dufor, Legislative Analyst :

As an elected official who both lives and serves within the boundaries of District 32 of the Louisiana House of Representatives, I am asking in behalf of my constituents and myself that this district be allowed to remain as is, with no changes to its current service area. District 32 encompasses all of Allen Parish and portions of both Vernon Parish and Beauregard Parish. The interests of this district have been well served by our State Representative and I am concerned that redistricting will disrupt the cooperation and communication currently present.

Please take my concern under consideration and allow District 32 to remain unchanged.

Sincerely yours,

Richard C. Earl
Allen Parish Assessor
