Subject: Carrollton redistricting

While I recognize that redistricting is a complicated business with many competing interests, I do not understand how taking neighborhoods from Orleans and giving them to Jefferson can be appropriate. Residents of Orleans identify themselves by their parish and should be allowed to continue to do so. The new parishes have different school systems and tax systems--to give them the same representative will not appropriately represent Orleans constituents who will be greatly outnumbered. Please reconsider

Thank you,
Christina Albers
