Speaker of the House Tucker, Representatives Henry, Girod, Gisclair, Labruzzo, Lopinto, Talbot, Temple, Connick, Billiot, Willmott, Wooton, and Ligi,

As you convene this morning to undertake the critical task of redistricting our community, we, the JBC, Jefferson Chamber, and Jefferson Business Community wanted to share our unified support of House Floor Amendment #248 which will be presented this morning by Representative Anthony Ligi, Jr. We applaud your leadership in this effort and appreciate your always placing Jefferson and its citizens first and politics and party second. Today more than ever we need you to show the way.

Thanks,

Dave

Jefferson Business Council
